Licensing Act 2003
Application for a Temporary Event
Re: Mill Hey Brew House, 2 Mill Hey, Haworth, BD22 8NQ

I wish to object to the Temporary Event Notifications submitted for the 25th May 2019 and the 26th May 2019

Since the Premises opened as the Mill Hey Brew Haus, Environmental Health have received regular complaints of noise from local residents. The main source of the noise is amplified music and customers talking, shouting, laughing, outside of the premises late at night and in the early hours of the morning.

An Abatement Notice was served on Mr Tomlinson on 24th July 2017, which required him to abate the nuisance and prohibit a recurrence of a statutory nuisance arising from the playing of amplified music within the Mill Hey Brew Haus.

Unfortunately, Mr Tomlinson failed to address the noise issues and 3 x contraventions of the Abatement Notice were witnessed by different Officers from this Department.

A review application was submitted on 11th September 2018, which was considered by Members of the Licensing Panel on 6th November 2018 and resulted in the exemption under the Live Music Act 2012, in respect of live music provided between the hours of 8am to 11 pm being dis-applied.

I have strong reason to suspect that should a live music event go ahead we will receive further complaints and have to initiate prosecution proceedings.
