**Public Spaces Protection Order Consultation**

Dear Steve,

I am writing in strong support of the Council's proposal for a Public Space Protection Order regarding anti-social use of vehicles.

This is the issue which is the number one topic in my postbag and e mail box except for Brexit! Dangerous driving, speeding, driving without insurance and without any consideration for fellow drivers, pedestrians and local residents are all frequently mentioned to me

Yours sincerely,

**John Grogan MP**
