| <b>Ward Members</b> | Cllr Imran Khan | Cllr Hassan Khan      | Cllr Rizwana Jamil |
| <b>Ward Officer</b> | Ishaq Shafiq    | <b>Date completed</b> | March 2019         |

## Summary of the Bowling and Barkerend Ward Assessment

|                            |   |
|----------------------------|---|
| <b>Community Strengths</b> | <p>The Bowling and Barkerend ward connects and leads into the Bradford City Centre and is a key gateway linking Leeds and Bradford. There are strong community organisations including CommunityWorks, Karmand Centre, The Anchor Project, The Vine, St John's Hub, Bowling Lodge and several other active residents groups. Within the Karmand Centre there is a large outdoor cricket area run by the BD3 Sports Association. The school community provides a useful platform for engagement and gives opportunities for partnership working within schools. Many of the schools have community rooms / spaces and offer a range of activities to parents e.g. sewing, ICT, exercise etc. Compared to other Wards of Bradford, with the exception of the adjoining Ward of Bradford Moor, the area has significantly high numbers of faith buildings (mosques, temples and churches). The ward benefits from very strong active citizenship through the faith sector. There are opportunities to increase active citizenship across the ward; in some areas this would need more support and encouragement, using different methods to reach the hard to reach. Some of this could be achieved by continuing to improve through day to day work of Council Wardens, Ward Officer, Community Development workers, Youth Workers, parental support workers engaging one to one with residents on their environmental and community safety issues, connecting them with services; also through specific projects/clean ups in areas where residents want to see change. This could be developed to help sustain the work. There are a range of good parks and outdoor spaces Bowling Park, Beech Grove, Upper Seymour Street Recreation Ground, woodlands and other smaller play areas across the Ward. In Bowling Park, Bowling Lodge Café opened in 2018 and has transformed into a mixed use building incorporating a café, meeting space and hot-desking provisions.</p> |
| <b>Clean</b>               | <p>Residents not taking responsibility for the cleanliness of streets, including un-adopted backstreets and other public spaces (dropping or not picking up litter and dumping unwanted waste items on verges streets and open spaces rather than using waste sites or Bulk Waste collections) remain a priority. Environmental issues such as street litter, feeding vermin, untidy gardens, fly-tipping and waste around fast food premises are commonly raised at community engagement events by Wardens, Councillors and other community groups and also remain a significant issue across the ward. Trade waste containment</p>  |

|               |  |
|---------------|--|
|               | <p>and litter from fast-food take-away premises continue to be a big issue particularly along key gateways such as Leeds Road, Barkerend Road, Killinghall Road and associated side streets. There has been an increase in new food businesses. The ward has dropped from ranking top for the highest number of reports for fly-tipping to fourth place which is positive news. Street cleansing requests ranks the area the second highest in the district has gone up compared to the previous year perhaps as more residents are aware how to report issues and want to restore pride into their neighbourhoods. The area ranks third highest for the number of abandoned cars similar to the neighbouring ward of Bradford Moor. Street lighting defects and repair requests from members of the public now rank the area the fifth highest in the district.</p>   |
| <b>Safe</b>   | <p>Bowling and Barkerend ward ranks top in the district for all crime types. The area ranks the third highest for anti-social behaviour related incidents, fourth highest for criminal damage reports, the third highest for the number of domestic violence incidents and the third highest for robbery. The area also ranks top in the district for the number of abandoned cars reported. In terms of reports related to violence with or without injuries the area ranks the second highest after the City Ward. Most community tensions raised within the ward relate to perceptions of high levels of anti-social behaviour associated with driving, speeding and parking as well as drugs related activities. Low levels of engagement between residents and local services makes creating positive changes in deprived communities more difficult.</p>   |
| <b>Active</b> | <p>Children in year 6 with obesity rank the area the third highest in the district. In terms of female life expectancy the area ranks the second lowest in the district. The all age, all-cause mortality rate per 1000 population is higher than the Bradford East average and district average. The diabetes hospital admission continues to rank the high across the district. This is reflective of the population make up for the ward. In terms of under 75 years old mortality the area ranks fifth highest for cancer, seventh highest for cardiovascular and eight highest for respiratory related deaths. Lack of access to NHS dentists across the area is an issue and people find it difficult to get GP appointments when they need them, which probably lead to inappropriate use of the local hospital A&amp;E department. People have access to information on healthy lifestyles (diet and exercise) but there remains much to be done to create positive behaviour changes that impact on health. It is particularly difficult to engage men and Eastern European</p> |

|                                       |  |
|---------------------------------------|--|
|                                       | residents on health issues.  |
| <b>Incomes employment and housing</b> | <p>According to the Index of Multiple Deprivation 2011, Bowling and Barkerend has very high levels of deprivation and ranks the area the second highest in the district for a multiplicity of deprivation. All of the ward's population live in neighbourhoods that fall within the 20% most deprived in England. There is an increasing Eastern European population drawn to the area by cheap, poor quality private rented housing, often with informal tenancy arrangements. There is a need for more support to make people job-ready and into training and employment. The area ranks the third highest in the district for all claimant benefit types and claimants aged 18 – 24 years old rank the area the sixth highest in the district. The JSA claimant ranks the area the second highest in the district. In terms of housing a proportionately high number of privately owned homes are empty for lengthy periods compared to other areas, whilst social housing is popular locally with a high number of 'bids' per property available. The area ranks the third highest for empty homes in the district. Exploitation of people in housing need on limited income leads to overcrowded and poor quality housing being occupied, often by central and eastern European migrants. The area ranks the sixth highest for overcrowded homes. Advice services and ESOL classes help address these issues, but again more is needed.</p> |
| <b>Children and young people</b>      | <p>The birth rate in ward is higher than the Bradford East Area and district averages. Qualification rates for young people leaving school are low. The area ranks fourth highest for NEET in the district (not in employment education or training). Statistically children living in poverty rank the ward in the top five district wide. A higher proportion of young people than the district average become 'looked after' by the Local Authority. More work is needed to impact on obesity in children and young people. Although there are a number of youth projects and clubs across the ward but more is needed, particularly to draw in girls and young women.</p>  |
| <b>Stronger Communities</b>           | <p>Volunteering overall is low across the Ward. However, there are many people involved with faith based organisations as volunteers delivering community benefit activities which might not be seen as volunteering by those taking part in this work. There is a need to improve active citizens within the Ward. There are some very successful projects in the area such as the Friends of Bowling Park who have</p>   |

|  |   |
|--|---|
|  | <p>developed a strong network of volunteers that take part in activities ranging from litter picking, running a café, gardening club to fun days and youth engagement activities. The population ethnicity mix White, South Asian and Eastern European communities is a challenge. This diversity creates challenges, in an area where it is felt that people from different backgrounds don't necessarily get on well or treat each other with respect and there are community tensions.</p> |
|--|---|

### Bowling and Barkerend Moor Ward Plan 2019 - 2020

| <b>1.0 Clean</b> |  |  |   |  |
|------------------|--|--|---|--|
| <b>Code</b>      | <b>Priority</b>  | <b>What can Services contribute?</b>   | <b>People Can</b>   | <b>Named person responsible</b>  |
| 1.1              | <p>Improve the visual appearance of the area by addressing issues such as litter, graffiti, damaged street furniture, street lighting, fly tipping and posting involving residents and partners where possible</p> | <p>Constant scanning by wardens and partners to ensure early identification and rectification of issues, to discourage repeat offences</p> <p>Build relationships with clean team, graffiti, InCommunities caretaking teams to ensure appropriate and timely response</p> <p>Undertake periodic environmental audits to check compliance with above</p> <p>Encourage 'litter free' community groups to 'pick' their own areas<br/>Engage with schools to tackle litter</p> | <p>Report areas where litter has collected to the Council via 01274 431000 or via the Bradford App</p> <p>Dispose of household waste in the correct way, recycling as much as possible. For larger items make use of the Households Recycling Centre or arrange a bulky waste collection.</p> <p><a href="https://www.bradford.gov.uk/recycling-and-waste/bulky-waste/bulky-waste-collections/">https://www.bradford.gov.uk/recycling-and-waste/bulky-waste/bulky-waste-collections/</a></p> <p>Join a local clean up or start one of</p> | <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> |

|     |                                |  |   |  |
|-----|--------------------------------|--|---|--|
|     |                                | <p>dropped by students.</p> <p>Engage with businesses on the disposal of trade, litter and encourage them to help keep their frontages / surrounding area litter free.</p>   | <p>your own</p> <p>Local businesses to take more responsibility for trade waste and litter in the area – businesses adequately secure and properly dispose of waste</p>   |  |
| 1.2 | Reduce fly tipping in the ward | <p>Maximise benefit from wardens restructure with more time available for community development and involvement</p> <p>Identify hot spot locations</p> <p>Defend sites where possible [boulders. Logs etc.]</p> <p>Deploy CCTV &amp; signage</p> <p>Examine all fly tip for evidence of perpetrators with a view to enforcement action being undertaken</p> <p>Use marketing campaign to warn of dangers of prosecution when disposing of waste via 3<sup>rd</sup> parties</p> <p>Promote local pride by peer pressure or garden competition</p> <p>Work with housing providers social</p> | <p>Use reputable contractors with waste carriers licences or council recycling centres to dispose of waste</p> <p>Report an identify those from local area who are mainly responsible for fly tipping in the ward</p> | <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> |

|                 |   |  |  |  |
|-----------------|---|--|--|--|
|                 |   | and private landlords to encourage compliance with tenancy agreements regarding gardens and refuse disposal. Address private tenants using existing EP legislation [detrimental to amenity etc.]   |  |  |
| 1.3             | Encourage people to recycle properly                | <p>Encourage recycling as the means of coping with two weekly general collection</p> <p>Audit recycling bins identify contaminated and those without provision in problematic areas</p> <p>Work with residents and housing providers to encourage recycling in multi occupancy blocks and shared collection points</p> <p>Sign up recycling Champions where possible</p> <p>Identify 'offenders' and follow up with advice and enforcement where necessary</p> | <p>Recycle more and send less to landfill</p> <p>Comply with 'bin policy'</p> <p>Take responsibility for others</p> <p>Recycling Champions</p> | <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> |
| <b>2.0 Safe</b> |   |  |  |  |

**Cross cutting themes:-**

- **Self-help** – giving information, advice and confidence to enable people to do things for themselves where possible and appropriate, to build self-esteem and physical and mental wellbeing

- **Being or becoming active** - to impact on mental and physical health, motivation, learning and diverting from anti -social or illegal behaviours.
- **'People Can' make a difference / active citizens** - getting involved in your neighbourhood can improve relationships and overcome reliance on services / others. It increases feelings of self-worth, confidence. Volunteering builds skills and has a part to play in finding employment.
- **Right and responsibilities** - looking after yourself, reporting wrongdoing or problems that need addressing by services, supporting yourself and your family and behaving acceptably.
- **Communication** – Maintaining communication is essential to ensure that services and activities available from a range of providers are shared and publicised & opportunities shared and taken up, so that scarce resources are not wasted.
- **Having more in common than that which divides us** – recognising commonalities between people who may seem very different.

## Bradford Moor Ward Plan 2019- 2020

|                     |                      |                       |                 |

## Summary of the Bradford Moor Ward Assessment

|                            |   |
|----------------------------|---|
| <b>Community Strengths</b> | <p>The Bradford Moor ward connects and leads into the Bradford City Centre and is a key gateway linking Leeds and Bradford. There are a range of community organisations including The Laisterdyke Centre, Himmat Project and The Thornbury Centre which act as hubs for the Ward delivering a broad range of service provisions and Bradford Moor PASS (based at Attock Park) and some other third sector groups. There is a children's centre in the Ward at Mortimer House however there is currently a buildings review being undertaken and this building may be affected by the outcome of this. The area is well served with several schools across the ward, a mix of state and private educational establishments. The school community provides a useful platform for engagement and gives opportunities for partnership working within schools. Many of the schools have community rooms / spaces and offer a range of activities to parents sewing, ICT, exercise etc. Compared to other Wards of Bradford, but similar to the adjoining ward of Bowling and Barkerend, the area has significantly high numbers of faith buildings (mosques, temples and churches). The ward benefits from very strong active citizenship through the faith sector e.g. Sant Nirankari volunteers group do occasional litter picks / clean-ups in their surrounding area. Overall the level of volunteering is still limited and investment by residents in their neighbourhood is low in terms of community involvement in helping address local community concerns. However there is still some form of voluntary involvement in a range of activities including volunteering on a street level, through community groups and faith based organisations and some of this might not have been seen by the individuals concerned as volunteering. There are certainly opportunities to increase active citizenship across the ward; in some areas this would need more support and encouragement, using different methods to reach the hard to reach. Some of this could be achieved by continuing to improve through day to day work of Wardens, Ward Officer, Community Development workers, Youth Workers, parental support workers engaging one to one with residents on their environmental and community safety issues, connecting them with services; also through specific projects\clean ups in areas where residents want to see change. This could be developed to help sustain the work. There are a range of good parks and outdoor spaces</p> |
|----------------------------|---|

|              |   |
|--------------|---|
|              | <p>Bradford Moor Park, Myrashay, Woodhall Recreation Grounds etc. Morrison's head offices are based within the ward at Gain Lane. The ward has access to a diverse range of businesses, shops and food places. There have been a diverse range of investments in the local economy over the last 12 months and a number of new businesses have opened.</p>  |
| <b>Clean</b> | <p>Residents generally not taking responsibility for the cleanliness of streets, including un-adopted backstreets in terms of dropping or not picking up litter and dumping unwanted waste items on backstreets, verges and open spaces rather than using waste sites or Bulk Waste collections (which are now being charged for, other than for electrical items). Anecdotally we are aware that Easernt Europeans residents in rented housing get blamed for furniture and household waste being dumped in yards and on verges by other residents. This can be the result of landlords not clearing houses between tenancies, leaving the problem for the new tenants to deal with. This can have an impact on the nature of a neighbourhood and how people get along, and is a wider community problem. Low levels of engagement between residents and local services and the types of engagement and a lack of experience of 'self-help' makes creating positive changes in this deprived community more difficult to kick start and then keep going. The Bradford Moor Ward has dropped from ranking top for the most reports of fly tipping to the fifth highest in the district compared with the previous year. It has also reduced from being at the top for the number of street cleansing requests from members of the public to the eight highest now in the district. Over the last 12 months new ways of working have been successfully trialled in the area and led to improvements in street cleansing. There have also been a number of environmental projects undertaken in the ward involving and engaging residents. More work is still needed to encourage residents to recycle although there has been an improvement in the take-up of households properly recycling. Residents should be supported to develop self-help approaches.</p> |
| <b>Safe</b>  | <p>Overall crime statistics evidence a downward crime trend ranking the ward 13<sup>th</sup> highest district wide for all reported crime types. However, despite this significant issues of anti-social behaviour and illegal drug dealing impact negatively on feelings of safety and probably the low level of satisfaction in Police and other services dealing with ASB and much more needs to be done to</p>  |

|               |  |
|---------------|--|
|               | <p>build public confidence to report issues particularly drugs and organised crime information. Bradford Moor ranks top in the district for abandoned vehicles and vehicle related arson incidents. Low satisfaction with Police and other services dealing with anti-social behaviour could be linked to high levels and concern about anti-social behaviour and street drug dealing / drug running. The area ranks the 5<sup>th</sup> highest district wide for robbery related crime types. Concern about teenagers hanging around on streets, in parks and open spaces which can feel / be intimidating or aggressive is also something that young people themselves mentioned when taking part in a Youth Service consultation. People feeling unsafe after dark, including young people is perhaps also linked to levels of crime and anti-social behaviour. Drivers not using seat belts or child restraints, parking irresponsibly and reacting negatively (sometimes abusively) continues to be a challenge. Bradford Moor is one of three Better Start Bradford Wards. Children aged under 3 years old in the Better Start area are more likely to be brought up in an environment where domestic abuse occurs compared to Bradford district.</p>  |
| <b>Active</b> | <p>Significantly higher rate of a number serious, life threatening health conditions including diabetes, coronary heart disease and obesity which impact on mortality rates and quality of life. In terms of under 75 mortality rates Bradford Moor ranks the second highest for cancer, third highest for respiratory and fourth highest for cardiovascular district wide. High birth rate, isolation and depression may be linked to family lifestyles, lack of occupation and levels of poor health. Though people say they feel encouraged to be physically active the need for support / encouragement of healthy lifestyle choices is on-going. Bradford Moor is one of three Better Start Bradford Wards. The communities in the Better Start Area have a lower life expectancy than in Bradford district and, for males, there is a significant difference been the expected life span in the Better Start area compared to local and national figures. The Better Start area has a high infant mortality rate with 9 infants dying per 1,000 live births compared to 4.6 per 1,000 in England between 2009 and 2011. There are higher rates of obesity in both Reception and Year 6 in the Better Start area compared to Bradford and England. The three Better Start wards account for 19% of all admissions to hospital following injury for 0-3 year olds across Bradford district and also have higher rates of</p> |

|  |   |
|--|---|
|  | <p>A&amp;E attendances for 0-4yrs than for the district. The Better Start children have poorer oral health with, on average, 3.2-4.0 decayed, missing or filled teeth per child aged under 5 years old. This data clearly indicates that children in the Better Start area are much less healthy compared to children within Bradford district as a whole and Bradford district itself is worse compared to regionally and nationally in many child health outcome areas.</p>   |
| <p><b>Incomes employment and housing</b></p> | <p>Data from the Indices of Multiple Deprivation rank the area the fourth highest ward in the district for a multiplicity of deprivation issues. High level of benefit claimants (eight highest in the district) and low household income leads to worry about amount of debt and covering costs of heating etc. The area ranks the fourth highest for JSA claimants in the district. Overcrowded households (ranks the second highest in the district) are juxtaposed with a high level of empty homes across the ward (fourth highest for empty homes in the district).</p>   |
| <p><b>Children and young people</b></p>      | <p>High youth and young adult population means a significant and appropriate level of services for children and young people are needed. The high level of children receiving free school meals is due to low household incomes, positive role models are needed. Obesity from year 6 onward is linked to diet, sedentary lifestyles and easy availability of cheap fast food. Low educational attainment and lack of aspiration; positive role models are needed. The Better Start Area Wellbeing Profile highlights over half of the children aged 5 years old or under in this area have poor social and emotional development compared to one in three children in Bradford. In the same survey, one in five children had poor communication, language and literacy compared to the district average of one in ten. We know already domestic abuse and child protection rates are higher in the Bradford Moor Ward and are aware from other research by Born in Bradford that White mothers are more likely to smoke and drink alcohol and this applies to many mothers of White Other ethnicity.</p> |
| <p><b>Stronger Communities</b></p>           | <p>Volunteering overall is low across the Ward similar to the neighbouring ward of Bowling and Barkerend. However, there are many people involved with faith based organisations as volunteers delivering community benefit activities which might not be seen as volunteering by those taking</p>  |

|  |   |
|--|---|
|  | <p>part in this work. There is also evidence of some volunteering through local centres such as the The Laisterdyke Centre and Thornbury Centre hubs but there is a need to encourage and support volunteers to engage helping to build their capacity. The population ethnicity mix White, South Asian and Eastern European communities is a challenge. This diversity creates challenges, in an area where it is felt that people from different backgrounds don't necessarily get on well or treat each other with respect and there are community tensions.</p> |
|--|---|

### Bradford Moor Ward Plan 2019 - 2020

| <b>1.0 Clean</b> |  |   |   |  |
|------------------|--|---|---|--|
| <b>Code</b>      | <b>Priority</b>  | <b>What can Services contribute?</b>  | <b>People Can</b>   | <b>Named person responsible</b>  |
| 1.1              | <p>Improve the visual appearance of the area by addressing issues such as litter, graffiti, damaged street furniture, street lighting, fly tipping and posting involving residents and partners where possible</p> | <p>Constant scanning by wardens and partners to ensure early identification and rectification of issues, to discourage repeat offences</p> <p>Build relationships with clean team, graffiti, InCommunities caretaking teams to ensure appropriate and timely response</p> <p>Undertake periodic environmental audits to check compliance with above</p> <p>Encourage 'litter free' community groups to 'pick' their own areas</p> | <p>Report areas where litter has collected to the Council via 01274 431000 or via the Bradford App</p> <p>Dispose of household waste in the correct way, recycling as much as possible. For larger items make use of the Households Recycling Centre or arrange a bulky waste collection.</p> <p><a href="https://www.bradford.gov.uk/recycling-and-waste/bulky-waste/bulky-waste-collections/">https://www.bradford.gov.uk/recycling-and-waste/bulky-waste/bulky-waste-collections/</a></p> <p>Join a local clean up or start one of</p> | <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> |

|     |                                |  |   |  |
|-----|--------------------------------|--|---|--|
|     |                                | <p>Engage with schools to tackle litter dropped by students.</p> <p>Engage with businesses on the disposal of trade, litter and encourage them to help keep their frontages / surrounding area litter free.</p>  | <p>your own</p> <p>Local businesses to take more responsibility for trade waste and litter in the area – businesses adequately secure and properly dispose of waste</p>   |  |
| 1.2 | Reduce fly tipping in the ward | <p>Maximise benefit from wardens restructure with more time available for community development and involvement</p> <p>Identify hot spot locations</p> <p>Defend sites where possible [boulders. Logs etc.]</p> <p>Deploy CCTV &amp; signage</p> <p>Examine all fly tip for evidence of perpetrators with a view to enforcement action being undertaken</p> <p>Use marketing campaign to warn of dangers of prosecution when disposing of waste via 3<sup>rd</sup> parties</p> <p>Promote local pride by peer pressure or garden competition</p> | <p>Use reputable contractors with waste carriers licences or council recycling centres to dispose of waste</p> <p>Report an identify those from local area who are mainly responsible for fly tipping in the ward</p> | <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> |

|                 |                                      |  |  |  |
|-----------------|--------------------------------------|--|--|--|
|                 |                                      | Work with housing providers social and private landlords to encourage compliance with tenancy agreements regarding gardens and refuse disposal. Address private tenants using existing EP legislation [detrimental to amenity etc.]  |  |  |
| 1.3             | Encourage people to recycle properly | <p>Encourage recycling as the means of coping with two weekly general collection</p> <p>Audit recycling bins identify contaminated and those without provision in problematic areas</p> <p>Work with residents and housing providers to encourage recycling in multi occupancy blocks and shared collection points</p> <p>Sign up recycling Champions where possible</p> <p>Identify 'offenders' and follow up with advice and enforcement where necessary</p> | <p>Recycle more and send less to landfill</p> <p>Comply with 'bin policy'</p> <p>Take responsibility for others</p> <p>Recycling Champions</p> | <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> |
| <b>2.0 Safe</b> |                                      |  |  |  |
| <b>Code</b>     | <b>Priority</b>                      | <b>What can Services contribute?</b>   | <b>People Can</b>  | <b>Named person responsible</b>  |

|     |   |   |   |   |
|-----|---|---|---|---|
| 2.1 | <p>Continue to address the actuality and perception of overt drug use and dealing in specific areas of the ward.</p> <p>Reassure the community that positive action is being taken against drug dealers and their violent behaviour towards each other.</p> | <p>Continue community against drugs style initiative / partnership, engage other agencies and community including promoting Crimestoppers</p> <p>Focus police led initiatives on drugs hotspots within the ward</p> <p>Collate positive action taken and market within community to increase confidence and encourage intelligence</p> <p>Ward Partnership Team to coordinate specific action involving Police, InCommunities, CGL, Youth service and other relevant partners</p> | <p>Increase in community intelligence</p> <p>Non acceptance of drugs as a norm</p> <p>Neighbourhood Watch Co-ordinators</p>               | <p>NPT</p> <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> <p>RSLs</p> |
| 2.2 | <p>Tackle pockets of antisocial behaviour particularly those relating to groups of problematic residents in specific areas e.g. Attock Park, The Maze</p> <p>As above for specific types of ASB e.g. antisocial driving, quads, off road etc.</p>           | <p>Scan TIA &amp; other intelligence to quickly identify hot spots of activity, locations and perpetrators</p> <p>Act on commonalities to 'problem solve' and remove opportunity for ASB</p> <p>Use/form problem specific partnerships where necessary</p> <p>Defend and design out or cut 'off road' routes</p> <p>Investigate new legislation [e.g. PSPO]</p>   | <p>Intelligence and complaints from residents to relevant authorities</p> <p>Community to identify perpetrators and vehicle locations</p> | <p>NPT</p> <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> <p>RSLs</p> |

| 4.2 | Support, encourage and develop opportunities for residents to volunteer to get involved in a wide range of activities and projects connecting people from different faiths, ethnicities and ages. | <p>Work with young people, people of different racial backgrounds, faiths, cultures and ethnicities to encourage their own involvement in local projects.</p> <p>Continue to support the multi-faith forum for the ward and host multi-faith celebration events.</p> <p>Encourage residents to report issues to agencies and Council services and explore community responses as part of the solutions approach.</p> <p>Support community groups to access funding opportunities internal and external to the Council.</p> <p>Support local voluntary groups</p> | <p>Residents can get involved with local projects.</p> <p>Residents encouraged developing self-help approaches and community solutions to local issues where appropriate.</p> <p>Partners host multi-faith and multi-cultural community events.</p> | <p>NPT</p> <p>Neighbourhoods Team</p> <p>Councillors</p> <p>Third Sector</p> <p>Businesses</p> <p>Schools</p> <p>RSLs</p> |
|-----|---|--|---|---|

**Cross cutting themes:-**

- **Self-help** – giving information, advice and confidence to enable people to do things for themselves where possible and appropriate, to build self-esteem and physical and mental wellbeing
- **Being or becoming active** - to impact on mental and physical health, motivation, learning and diverting from anti -social or illegal behaviours.

- **'People Can' make a difference / active citizens** - getting involved in your neighbourhood can improve relationships and overcome reliance on services / others. It increases feelings of self-worth, confidence. Volunteering builds skills and has a part to play in finding employment.
- **Right and responsibilities** - looking after yourself, reporting wrongdoing or problems that need addressing by services, supporting yourself and your family and behaving acceptably.
- **Communication** – Maintaining communication is essential to ensure that services and activities available from a range of providers are shared and publicised & opportunities shared and taken up, so that scarce resources are not wasted.
- **Having more in common than that which divides us** – recognising commonalities between people who may seem very different.

## Bolton and Undercliffe Ward Plan 2019 - 2020

|                     |                        |                       |                       |
|---------------------|------------------------|-----------------------|-----------------------|
| <b>Ward Members</b> | Cllr Rachel Sunderland | Cllr David Ward       | Cllr Michael Stelling |
| <b>Ward Officer</b> | Ishaq Shafiq           | <b>Date completed</b> | March 2019            |

## Summary of the Bolton & Undercliffe Ward Assessment

|                            |  |
|----------------------------|--|
| <b>Community Strengths</b> | <p>The Greenwood Centre is now under new management arrangements supported by Ward Councillors, Inspired Neighbourhoods and other partners. It is the only dedicated community asset within the Ward. A range of actions are being undertaken to secure investment, develop services for young people, older people and to retain the space for wider community usage. Majority of the funding led by Inspired Neighbourhoods has been secured and the exiting centre is to be demolished and a new build centre will replace this. There are a number of smaller community based organisations supported by volunteers working across the Ward. Active citizenship is healthy in the ward as a whole but support for existing volunteers and to community based groups and organisations, and to increase volunteering, will continue to be needed.</p>   |
| <b>Clean</b>               | <p>Key issues include:</p> <ul style="list-style-type: none"> <li>• Management of open space on the former Oxford Road allotment site.</li> <li>• Residents taking responsibility for their un-adopted back streets.</li> <li>• Cars competing for limited on-street parking therefore damaging grass verges.</li> <li>• Dog fouling problems in some specific locations.</li> <li>• Street litter particularly around schools and trade waste hotspots.</li> <li>• Graffiti on cable boxes and outdoor street furniture.</li> </ul> <p>Fly tipping requests overall remain lower in comparison to other areas and the ward ranks 19<sup>th</sup> highest for requests out of the 30 wards. In terms of street cleansing requests the area ranks the 10<sup>th</sup> highest in the district often requests relate to removal of dog fouling, weeds and other lower-level cleansing requests. The area ranks the 3<sup>rd</sup> highest in the district for graffiti removal requests in the district.</p> |
| <b>Safe</b>                | <p>The area overall ranks the 16<sup>th</sup> highest for all crime types in the district. Burglary is the main, on-going crime across the ward along with theft of motor vehicle but is much lower compared to other areas ranking the ward 17<sup>th</sup> highest in the district. Residents tend to be satisfied with the Police and other agencies who deal with anti-social behaviour but see drugs as a problem and feel unsafe after dark locally. Speeding and inappropriate and dangerous parking outside schools and places of worship are regularly raised as an issue. The area ranks 19<sup>th</sup></p>   |

|                                       |  |
|---------------------------------------|--|
|                                       | highest in the district for anti-social behaviour reports.   |
| <b>Active</b>                         | Obesity in children entering year 6 at school is mildly higher than the district average as is the proportion of people who have difficulty finding the money to heat their homes.   |
| <b>Incomes employment and housing</b> | There are concerns about proposed new housing as part of the Canal Road Corridor improvements and the impact this will have on traffic and local services including schools and health.  |
| <b>Children and young people</b>      | Although opportunities to exist for young people to engage in positive activities such as youth clubs and sports, more is felt to be needed to divert them away from anti-social behaviour and crime. Attainment of grades A to C in GCSE's is lower than the district average and it is felt aspiration and attainment could be improved.   |
| <b>Stronger Communities</b>           | The population of the ward is skewed towards older people as well as more White, mixed race, Indian and 'other' ethnic groups than the district average. The majority of community based groups are linked to faith organisations, mainly Churches.  |
| <b>Further information</b>            | There is much more that could be said about Bolton and Undercliffe. This Ward Plan captures some of the key challenges, local services and community based work. More statistical information is available from <a href="https://app.powerbi.com/view?r=eyJrjoiNTIxZjM2MGMtYTl0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhIiwidCI6IjI4YjZmZmQwLWFhMTYtNDEyYy05YjI2LWI4NDViOWFjZDFhOSIsImMiOj9">https://app.powerbi.com/view?r=eyJrjoiNTIxZjM2MGMtYTl0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhIiwidCI6IjI4YjZmZmQwLWFhMTYtNDEyYy05YjI2LWI4NDViOWFjZDFhOSIsImMiOj9</a><br><br>Ishaq Shafiq - Bradford East Area Office telephone 01274 431066 |

|--|------------------------------|--|--|

### Cross cutting themes:-

- **Self-help** – giving information, advice and confidence to enable people to do things for themselves where possible and appropriate, to build self-esteem and physical and mental wellbeing
- **Being or becoming active** - to impact on mental and physical health, motivation, learning and diverting from anti -social or illegal behaviours.
- **'People Can' make a difference / active citizens** - getting involved in your neighbourhood can improve relationships and overcome reliance on services / others. It increases feelings of self-worth, confidence. Volunteering builds skills and has a part to play in finding employment.
- **Right and responsibilities** - looking after yourself, reporting wrongdoing or problems that need addressing by services, supporting yourself and your family and behaving acceptably.
- **Communication** – Maintaining communication is essential to ensure that services and activities available from a range of providers are shared and publicised & opportunities shared and taken up, so that scarce resources are not wasted.
- **Having more in common than that which divides us** – recognising commonalities between people who may seem very different.

## Eccleshill Ward Plan 2019 - 2020

|                     |                     |                       |                 |

|                            | Population Indian  | 151   | 0.8%  | 3.2%  | 2.6%  |
|                            | Population Pakistani   | 959   | 5.3%  | 30.0% | 20.4% |
|                            | Population Bangladeshi   | 122   | 0.7%  | 3.5%  | 1.9%  |
|                            | Population Chinese   | 58    | 0.3%  | 0.4%  | 0.4%  |
|                            | Population Other Asian   | 98    | 0.5%  | 2.3%  | 1.5%  |
|                            | Population Black/Black British   | 306   | 1.7%  | 2.5%  | 1.8%  |
|                            | Population Other Ethnic Group  | 135   | 0.8%  | 2.0%  | 1.5%  |
|                            | Population East and Central Europeans  | 287   | 1.6%  | 2.6%  | 2.1%  |
| <b>Community Strengths</b> | <p>The A658 splits communities living between Fagley, Ravenscliffe, Greengates, Eccleshill and Thorpe Edge but the primary road provides a good commuting links to Bradford, Harrogate and Leeds Bradford Airport. Much of the ward is considered to be urban but residents living in the ward have easy access to rural parts of its neighbouring ward Idle &amp; Thackley and Pudsey.</p> <p>Residents benefit from a range of community assets including: Eccleshill Community Hospital, Eccleshill Adventure Play Ground, Eccleshill Swimming Pool, Bradford Industrial Museum, Eccleshill Library, play areas at Harrogate Rd, Flaxton Green, Eccleshill Park and recreation ground. It has 4 Community Centres (Rockwell, Gateway, Ravenscliffe Youth Centre and Eccleshill Mechanics Institute), all of which provide a range of activities and services to its residents. Inspire Business Park also offers a range of support services and business</p> |       |       |       |       |

|              |  |
|--------------|--|
|              | opportunities. There are 6 Primary Schools and 7 Churches located in the ward.   |
| <b>Clean</b> | <p>Key issues include:</p> <ul style="list-style-type: none"> <li>• Management of open space on former council estates, or created by demolitions, including protection from abuse by vehicles and horses.</li> <li>• Residents taking responsibility for their un-adopted back streets.</li> <li>• Cars competing for limited on-street parking therefore damaging grass verges.</li> <li>• Street litter and trade waste hotspots.</li> <li>• Fly tipping</li> </ul> <p>Up to end of March 2018, fly tipping requests per 1000 population has increased from 10.54 to 14.17. However, this is still lower than the area average of 17.77 and just lower than the district average of 14.68. In the same time period, street cleansing requests per 1000 population have increased from 6.56 to 8.38 and but are still lower than the area average of 9.79 and a district average of 9.15.</p>  |
| <b>Safe</b>  | <p>The Eccleshill ward continues to have the highest anti-social behaviour rates in comparison to the other 29 wards within the Bradford district. Since the last plan and up to the end of September 2018, ASB incidents per 1000 population has increased from 57.85 to 64.05. This is significantly higher than the area average of 36.67 and district average of 26.91. Enterprise Five Retail Park continues to be a hotspot area for ASB with young people causing much of the nuisance. The Neighbourhood Policing Team, partners and retailers have working on various strategies to address the problem, including the Police working with businesses and security guards, detached Youth Work and increased police patrols.</p> <p>Theft from motor vehicles has seen a steep increase in the last year from 5.11 to 14.27 per 1000 population, in contrast to the area and district figures which show a steady reduction. Violent crime and robbery have increased over the same period at a similar rate to that of the area and district. Reports from the Police throughout the year indicate that the increase in violent crimes is in part due to increased reporting and a change in how some crimes</p> |

|  |   |
|--|---|
|  | <p>are recorded, such as domestic and hate crimes. Criminal damage and theft of motor vehicles have both decreased over the last year.</p>  |
| <p><b>Active</b></p>                         | <p>Statistics up to 2016/7 obtained from Public Health indicate that:-</p> <ul style="list-style-type: none"> <li>• Infant mortality rate at 4.97 (per 1,000 live births) is lower than the area (6.17) and district (5.9) averages.</li> <li>• The life expectancy rate for both males and females remains on par with the area and district averages.</li> <li>• The under 75 mortality rate due to cancer has increased since 2015 and is 175.0 (per 100,000 population) compared to the area average of 177.20 and district average of 152.15.</li> <li>• The mortality rate due to cardiovascular diseases is 112.70, lower than the area average of 122.0 but higher than the district average of 102.20.</li> <li>• The mortality rate due to respiratory diseases is 56.99, lower than the area (69.38) but marginally higher than the district (53.90) averages.</li> <li>•</li> </ul> |
| <p><b>Incomes employment and housing</b></p> | <p><u>Annual data 2017 to 2018 obtained from Jobcentre Plus highlights:-</u></p> <ul style="list-style-type: none"> <li>• The percentage of job seekers allowance claimants has reduced to 1.70 from 1.80 and is lower than the area average of 2.16% with the district average at 1.65%.</li> </ul> <p><u>% of empty homes over 6 months - according to data up to January 2019 (BMDC Revenues &amp; Benefits):-</u></p> <ul style="list-style-type: none"> <li>• 1.30% of homes have been empty longer than 6 months, lower than the area average of 2.12% and lower than the district average of 2.02%.</li> </ul> <p>InCommunities is the main registered social landlord for providing alternative accommodation in Thorpe Edge, Ravenscliffe and Fagley. Home Group and Places For People also provide social housing.</p>  |

**Children and young people**

According to 2016 to 2017 data obtained from the Integrated Youth Support Solution (IYSS):-

- The percentage of people aged 16-19 not in education, employment or training (NEET) young people has increased from 3.9% to 5.09% and this remains higher than the area (4.02%) and the district (2.94%) level.

Qualitative information taken from BMDC Youth Workers and young people suggests that young people express concerns about:-

- Relationships with peers, parents and teachers
- Sexual health
- Social media and online safety (online bullying, sexting, use of social media etc.)
- Crime and anti-social behaviour including drug dealing, dangerous driving.

Young people feel that youth centres provide them with a warm, safe place to socialise and take part in activities. The youth centre / worker in Ravenscliffe offers open access youth sessions, day trips, volunteering opportunities, job search, boys / girls only clubs, summer school programme and fund raising activities.

**Eccleshill Adventure Playground** (The Big Swing) offers children aged 5 to 13 years the chance to engage in pro-social activities with a focus on outdoor play but with an element of challenge, such as using tools to construct dens, go karts and other structures and learn how to make camp fires in our outdoor kitchen.

**The Gateway Centre** has partnered up with Ravenscliffe Youth Centre to develop a junior youth club with over 40 children attending weekly sessions.

|                                    |   |
|------------------------------------|---|
|                                    | <p><b>The Rockwell Centre</b> hosts Little Chefs / Little Gardeners / Little Bakers for children aged 5/6 and a Young Leaders Youth Club 8 – 13 year old.</p>   |
| <p><b>Stronger Communities</b></p> | <p>There are a large range of community activities, organisations, church groups and sports groups across the ward to cover all ages and interests. All of them organise events and encourage local involvement and participation.</p> <p>Eccleshill Community Association are in the process of securing a Community Asset Transfer (CAT) for Eccleshill Mechanics Institute. This will provide a local led community project and minimise the risk of the building's closure.</p> <p>Eccleshill Village Steering Group are a group of volunteers who organise annual events such as Eccleshill Village Fair held in July and a Christmas Celebration event in December.</p> <p>The Men@Eccy group has recently held its inaugural AGM with about 27 members attending. The group has been in operation for about a year and is largely volunteer led. It provides a social group for men over 50 to socialise, access services such as podiatry and massage, IT and exercise classes. They are also developing a buddy group who can go out to meet men who are isolated and support them to access the group. The attendance at the group demonstrates what a valuable asset it is to the community.</p> |
| <p><b>Further information</b></p>  | <p>There is much more that could be said about Eccleshill. This Ward Plan captures some of the key challenges, local services and community based work. More statistical information is available from <a href="https://app.powerbi.com/view?r=eyJrljoiNTIxZjM2MGMtYTl0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhIiwidCI6Ij">https://app.powerbi.com/view?r=eyJrljoiNTIxZjM2MGMtYTl0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhIiwidCI6Ij</a></p>  |

#### Cross cutting themes:-

- **Self-help** – giving information, advice and confidence to enable people to do things for themselves where possible and appropriate, to build self-esteem and physical and mental wellbeing
- **Being or becoming active** - to impact on mental and physical health, motivation, learning and diverting from anti -social or illegal behaviours.
- **'People Can' make a difference / active citizens** - getting involved in your neighbourhood can improve relationships and overcome reliance on services / others. It increases feelings of self-worth, confidence. Volunteering builds skills and has a part to play in finding employment.
- **Right and responsibilities** - looking after yourself, reporting wrongdoing or problems that need addressing by services, supporting yourself and your family and behaving acceptably.
- **Communication** – Maintaining communication is essential to ensure that services and activities available from a range of providers are shared and publicised & opportunities shared and taken up, so that scarce resources are not wasted.
- **Having more in common than that which divides us** – recognising commonalities between people who may seem very different.

## Idle & Thackley Ward Plan 2019 - 2020

|                     |                          |                       |                     |
|---------------------|--------------------------|-----------------------|---------------------|
| <b>Ward Members</b> | Cllr Jeanette Sunderland | Cllr Julie Humphreys  | Cllr Alun Griffiths |
| <b>Ward Officer</b> | Alice Bentley            | <b>Date completed</b> | March 2019          |

## Summary of the Idle & Thackley Ward Assessment

|                            |  |
|----------------------------|--|
| <b>Population</b>          | <p>The Idle &amp; Thackley ward consists of six neighbourhoods which are: lower part of Thorpe Edge, Idle, Idle Moor, Cote Farm estate, Thackley and Apperley Bridge.</p> <p>93% of the population are white with small pockets of mixed ethnicity throughout the ward. The percentage of the population who are under 16 is lower than that of the rest of Bradford East and Bradford District. The population of over 65 year olds is higher in comparison to other wards within Bradford East and district wide.</p>  |
| <b>Community Strengths</b> | <p>Two primary roads through Idle &amp; Thackley provide good arterial commuting links to Bradford, Shipley, Leeds and Leeds Bradford Airport. The introduction of a new railway station at Apperley Bridge has enhanced public transport links to Bradford and Leeds. The semi-rural locations of Idle, Thackley, Greengates and Apperley Bridge provide an opportunity for a variety of outdoor activities including walking and horse riding. Idle village centre has been identified as a Conservation Area and provides its residents and visitors with a good variety of shops, pubs and two supermarkets.</p> |
| <b>Clean</b>               | <p>Key issues include:</p> <ul style="list-style-type: none"><li>• Street litter and trade waste hotspots.</li><li>• Fly tipping</li><li>• Build-up of detritus</li><li>• Weeds</li><li>• Dog fouling</li></ul> <p>Since the last plan, street cleansing requests per 1000 population have decreased from 7.28 to 6.99, and are still lower than the area average of 9.78 and a district average of 9.15. Requests about fly tipping per 1000 population</p>   |

|               |   |
|---------------|---|
|               | <p>has remained very similar with a slight reduction to 5.52 from 5.73 and again is still much lower than the area average of 17.77 and a district average of 14.68. In the last year Bradford Council's Enforcement Officers have successfully investigated and prosecuted a number of people involved in fly tipping and dog fouling complaints.</p>  |
| <b>Safe</b>   | <p>Statistics provided by the West Yorkshire Police Senior Analyst highlights that for the year up to 30<sup>th</sup> September 2018:</p> <ul style="list-style-type: none"> <li>• Criminal damage cases increased from 280 to 309</li> <li>• Theft from motor vehicle cases marginally increased from 234 to 237</li> <li>• Theft of motor vehicle increased from 29 to 35</li> <li>• Violence without injury increased from 323 to 524. Reports from the Police throughout the year suggest that this increase is in part due to increased levels of reporting and improved ways of recording certain crime types such as domestic crimes.</li> </ul> <p>The Neighbourhood Policing Team, partners, retailers and Ward Councillors are working on various strategies to address problems of youth ASB in the Ward.</p>  |
| <b>Active</b> | <p>Statistics from 2013 to 2016/7 obtained from Public Health indicate that:-</p> <ul style="list-style-type: none"> <li>• Infant mortality rate at 7.16 (per 1,000 live births) is higher than the area (6.6) and district (5.9) averages.</li> <li>• The life expectancy rate for both males and females remains on par with the area and district averages.</li> <li>• The under 75 mortality rate due to cancer has reduced to 187.1 (per 100,000 population) from a peak in 2016 at 206.1. This is an overall increase since 2015 when it was 138.9, and is now higher than the area average of 177.2 and district average of 152.1.</li> <li>• The under 75 mortality rate due to cardiovascular diseases is 72.7, lower than the area average of 122.0 and lower than the district average of 102.2.</li> <li>• The under 75 mortality rate due to respiratory diseases is 42.05, lower than the area (69.38) and district (53.9) averages.</li> <li>• 20.6% of children in reception have excess weight or are obese. In comparison the area average is 21.7% and district average is 21.20%</li> </ul> |

|                                       |  |
|---------------------------------------|--|
|                                       | <ul style="list-style-type: none"> <li>• 32.35% of children in year 6 have excess weight or are obese. In comparison the area average is 39.30% and district average is 36.70%.</li> </ul>   |
| <b>Incomes employment and housing</b> | <p><u>Annual data 2016 to 2017 obtained from Jobcentre Plus, highlights:-</u></p> <ul style="list-style-type: none"> <li>• The percentage of job seekers allowance claimants is 0.8% (rate per 16 to 64 population) lower than the area average of 2.16% with the district average at 1.65%.</li> <li>• The percentage of working age claimants is 1.6% (rate per 16 to 64 population) lower than the area average of 3.79% and district average of 3.1%</li> </ul> <p><u>% of empty homes according to data to 2019 (BMDC Revenues &amp; Benefits):-</u></p> <ul style="list-style-type: none"> <li>• 0.97% of homes have been empty longer than 6 months, lower than the area average of 2.12% and lower than the district average of 2.02%.</li> </ul> <p>InCommunities, Home Group and Places For People are the main registered social landlords for providing alternative accommodation in Thorpe Edge which is the main area where there is a requirement for social housing.</p> <p><u>% of people not in education, employment or training (NEET) – according to 2017/18 Integrated Youth Support Solution (IYSS) database</u></p> <ul style="list-style-type: none"> <li>• 1.8% of people in the ward are NEET, lower than the area average of 4.02% and district average of 2.94%.</li> </ul> |
| <b>Children and young people</b>      | <p>Qualitative information taken from BMDC Youth Workers and young people suggests that young people express concerns about:-</p> <ul style="list-style-type: none"> <li>• Relationships with peers, parents and teachers</li> <li>• Sexual health</li> <li>• Social media and online safety (online bullying, sexting, use of social media etc.)</li> </ul>   |

|                             |  |
|-----------------------------|--|
|                             | <ul style="list-style-type: none"> <li>• Crime and anti-social behaviour including drug dealing, dangerous driving.</li> </ul> <p>Young people feel that youth centres provide them with a warm, safe place to socialise and take part in activities. The Springfield Centre offers open access youth sessions, day trips, volunteering opportunities, job search, boys / girls only clubs, summer school programme and fund raising activities.</p>   |
| <b>Stronger Communities</b> | <p>Local volunteers from Idle Active group and Greengates Community Garden Group regularly undertake a variety of environmental projects. There are several other volunteer groups who are very active in the Ward including Friends of Greengates Cenotaph, Thackley Good Friends Café, Thackley Community Garden and Idle and Thackley Theatre Group. The ward also benefits from a range of community assets to encourage more volunteering, these include: Birkhill and Idle recreation grounds, Springfield and Springdale Centres located near by in Thorpe Edge, The Wright Watson Centre and The Rockwell Community Centre. The River Aire cuts through the lower part of the Idle &amp; Thackley Ward. In December 2015 several homes and business in Apperley Bridge area were severely damaged due to flooding as a result of high water levels from the river. Ward Councillors and local community volunteers continue to work with Bradford Council, The Environment Agency and other services to clean up the debris from the river and surrounding areas at regular community clean-ups.</p> |
| <b>Further information</b>  | <p>There is much more that could be said about Idle and Thackley. This Ward Plan captures some of the key challenges, local services and community based work. More statistical information is available from <a href="https://app.powerbi.com/view?r=eyJrIjojNTIxZjM2MGMtYTl0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhliwidCI6IjI4YjhkZmQwLWFhMTYtNDEyYy05YjI2LWI4NDViOWFjZDFhOSIsImMiOiJh9">https://app.powerbi.com/view?r=eyJrIjojNTIxZjM2MGMtYTl0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhliwidCI6IjI4YjhkZmQwLWFhMTYtNDEyYy05YjI2LWI4NDViOWFjZDFhOSIsImMiOiJh9</a></p> <p>Alice Bentley - Bradford East Area Office telephone 01274 431066</p>  |

#### Cross cutting themes:-

- **Self-help** – giving information, advice and confidence to enable people to do things for themselves where possible and appropriate, to build self-esteem and physical and mental wellbeing
- **Being or becoming active** - to impact on mental and physical health, motivation, learning and diverting from anti -social or illegal behaviours.
- **'People Can' make a difference / active citizens** - getting involved in your neighbourhood can improve relationships and overcome reliance on services / others. It increases feelings of self-worth, confidence. Volunteering builds skills and has a part to play in finding employment.
- **Right and responsibilities** - looking after yourself, reporting wrongdoing or problems that need addressing by services, supporting yourself and your family and behaving acceptably.

- **Communication** – Maintaining communication is essential to ensure that services and activities available from a range of providers are shared and publicised & opportunities shared and taken up, so that scarce resources are not wasted.
- **Having more in common than that which divides us** – recognising commonalities between people who may seem very different.

## Little Horton Ward Plan 2018 - 2019

|                     |                    |                       |                |

| <b>Ward Members</b> | Cllr Talat Sajawal | Cllr Fareeda Mir      | Cllr Taj Salam |
| <b>Ward Officer</b> | Sheila Brett       | <b>Date completed</b> | March 2019     |

## Summary of the Little Horton Ward issues

|                                   |  |
|-----------------------------------|--|
| <p><b>Community Strengths</b></p> | <p>Community led initiatives include Bradford Trident, Trident Community Council, Parkside Community Association, Marshfield Neighbourhood Association, West Bowling Advice and Training Centre, West Bowling Youth Initiative, MAPA, Light of the World Centre, Madni Centre, West End Centre, Bowling Old Lane Cricket Club, Khidmat Centre and SHINE. Bradford Trident is the largest community led organisation in the Ward and supports Trident Community Council, the local Parish Council.</p> <p>The residents of Little Horton come from a range of cultural, religious and ethnic backgrounds. Bradford Trident own a number of community buildings, they employ a part time community development worker and facilitate the BD5 Faith Forum. Trident has successfully led a community based partnership that has drawn in 10 years of Lottery funding (£49 million) for work with families with children 0 – 4 years in Little Horton, Bowling, Barkerend and Bradford Moor, three of the most deprived wards in Bradford. The programme, known as Better Start Bradford, started running its programme and projects from Summer 2015.</p>  |
| <p><b>Clean</b></p>               | <p>Little Horton faces a number of challenges in terms of cleaner and greener issues. Fly tipping (dumping) of household items and other waste is much higher than the Bradford District average (2<sup>nd</sup> highest level of reporting in the district). Local people see both this and the amount of littering as a problem and the ward has the 5<sup>th</sup> highest rate of street cleansing requests. Cleanliness of green spaces and recreation areas is also raised by people and services locally as needing attention. There is a need to get more residents understanding and using the kerbside recycling service properly. Putting food out for birds in public places, leaving waste in gardens and yards and dirty backstreets gives a poor impression of the area and attracts vermin. Little Horton is a densely populated ward and in some neighbourhoods this is even more obvious, for example where families live in back-to-back housing in West Bowling. Some of the cleanliness issues are exacerbated by small scale private landlords not taking responsibility for the homes they own and rent out, e.g. not clearing out previous tenants furniture and possessions which then gets fly tipped or stays in yards, or by residents who either don't speak English very well, or being more newly arrive don't understand</p> |

|                      |  |
|----------------------|--|
|                      | <p>how local services (such as recycling) work, or how to access and use them (e.g. the Household Waste sites). Community litter picks are supported by Wardens, Clean Team, Councillors and Community Council as well as local residents and we are keen to encourage and support this with local people, but it is a hard sell. Education and enforcement are also needed and used where possible and appropriate but enforcement can be a lengthy process and difficult when evidence is not forthcoming.</p>   |
| <p><b>Safe</b></p>   | <p>Illegal drug dealing and use and anti-social behaviour are regularly raised and dealt with through the Ward Partnership Team. It remains an issue getting people to report this due to fear of reprisals and perhaps also because those involved can be known to local people as friends / family. Figures show that house burglary (3<sup>rd</sup> highest rate), violence offences (of which the largest are domestic) and criminal damage are high compared to other areas. Activities for young people to provide positive alternatives to hanging about aimlessly on streets and public spaces are available, but limited and in some instances the take up is not high, perhaps this is not attractive to some young people or known about to those who could benefit, where behaviour is more problematic or verging on the criminal. Inappropriate parking at and around schools and places of worship, including on footways and junctions, leads to safety issues and creates community tensions. It is common for there to be multi-vehicle households, although some families do not have access to a car. The ward has the 8<sup>th</sup> highest number of road traffic accidents in Bradford district.</p> |
| <p><b>Active</b></p> | <p>Mortality per thousand population is higher in Little Horton than Bradford District as a whole with both infant (2<sup>nd</sup> highest in district) and under 75's mortality high (11<sup>th</sup> Highest). Under 75's mortality rate for respiratory conditions is highest in the district, and mortality for cardiovascular conditions is 8<sup>th</sup> highest. Excess child weight at reception is 9<sup>th</sup> highest in the district, but by year 6 is the highest in the district. One of the impacts of the 'multiple deprivation' is that many residents of Little Horton experience reduced life expectancy. The ward has high levels of Coronary Heart Disease. Obesity contributes to the high level of diabetes. There is a lack of access to NHS dentists across the area. Residents are given information and advice on healthy lifestyles (diet and exercise) through many Community Centre sessions and the work of local schools, but there remains much to be done to create and sustain positive behaviour changes that impact on health. It is particularly difficult to engage both men and Eastern European residents on health issues. Little Horton</p>                                    |

|                                       |  |
|---------------------------------------|--|
|                                       | suffers poor air quality and part of the Better Start programme  |
| <b>Incomes employment and housing</b> | There are high levels of welfare benefit claimants, including Job Seekers Allowance in Little Horton ward. 18-24year old claimants are the 2 <sup>nd</sup> highest in the district, JSA claimants are the 3 <sup>rd</sup> highest in the district. There is a need for on-going support to make people, including young people, job-ready and get them into training and employment, and a number of centres provide this support. Rented housing is comparatively cheap but Little Horton has the 9 <sup>th</sup> highest number of empty homes in Bradford district. Social housing is a good option locally, and is likely to be better quality than private rented housing. Exploitation of people in housing need on limited income can lead to overcrowded and poor quality housing being occupied, often by migrants, who may not have a formal tenancy agreements. Advice services and ESOL classes help address these issues, and more is needed. The numbers of young people not in education, training or employment are the 2 <sup>nd</sup> highest in the district.   |
| <b>Children and young people</b>      | Little Horton has the highest under 16 population in the district and many families live in poverty (3 <sup>rd</sup> highest rate of multiple deprivation). this is why it has been included in the Better Start Bradford area and is getting additional investment in support and services for families with children 0 – 4 year olds. Qualification rates for young people leaving school are low and work with NEET (not in employment education or training) young people, aims to help ready them for training and employment, this is run through a range of local community and youth organisations including the Youth Service. Little Horton has the 2 <sup>nd</sup> highest rate of NEET young people in the district. The ward has the highest rate of excess child weight at year 6. Work to impact on obesity rates in children, young people and families takes place through a range of organisations. It is difficult to see what impact this is having as families cooking meals and cookery skills generally seem to have withered in the face of the plethora of cheap, fast food outlets locally that do not often provide the healthiest food choices. It is difficult to counteract this when so many families have limited income and are unused to cooking. There are a number of youth projects and clubs across the ward but these are not able to help all the young people in need, a particular gap being provision for and drawing in young women and girls. |
| <b>Stronger</b>                       | The ward has the 2 <sup>nd</sup> highest population in the district. The highest proportion of residents are Asian/Asian British (6 <sup>th</sup> highest % in district), the 2 <sup>nd</sup> highest % of Black/African/Caribbean/Black British and the highest %   |

|                                   |  |
|-----------------------------------|--|
| <p><b>Communities</b></p>         | <p>of mixed/multi-ethnic or other ethnic origins. The area has a number of residents from Central and Eastern European countries, focused in West Bowling, and attracted by low cost, and sometimes poorly maintained housing. The diversity of the area creates challenges. People from different backgrounds don't necessarily get to know each other - language differences create a barrier, so people may not get on well. There are concerns that Eastern European residents, in particular, have different lifestyles and different understanding of what constitutes acceptable behaviour which seems to be odds with other resident's way of life. So community relationship can be difficult and blaming some of the community for problems occurs (e.g. fly tipping). The BD5 Faith Forum and other more informal community work by faith and community based organisations, includes organising community events, to help different people connect in social, non-threatening ways and create positive relationships. The ward has a number of organisations that attract and utilise volunteers to help run their services, sessions and activities which helps them work with local people on local issues and priorities. Reductions in grant funding for community groups is having an impact and support to help organisations plan ahead to run sustainably and apply for what funding these is continues.</p> |
| <p><b>Further information</b></p> | <p>There is much more that could be said about Little Horton Ward. This Ward Plan captures some of the key challenges, local services and community based work. More statistical information is available from <a href="https://app.powerbi.com/view?r=eyJrIjoNTlIxZjM2MGMtYTI0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhliwidCI6IjI4YjZmQwLWFhMTYtNDEyYy05YjI2LWI4NDViOWFjZDFhOSIsImMiOjh9">https://app.powerbi.com/view?r=eyJrIjoNTlIxZjM2MGMtYTI0My00YzBiLTgxMjgtOTRjMzQ5ZDQxOWJhliwidCI6IjI4YjZmQwLWFhMTYtNDEyYy05YjI2LWI4NDViOWFjZDFhOSIsImMiOjh9</a></p> <p>Sheila Brett - Bradford East Area Office telephone 01274 431066</p>  |

### Cross cutting themes:-

- **Self-help** – giving information, advice and confidence to enable people to do things for themselves where possible and appropriate, to build self-esteem and physical and mental wellbeing
- **Being or becoming active** - to impact on mental and physical health, motivation, learning and diverting from anti -social or illegal behaviours.
- **'People Can' make a difference / active citizens** - getting involved in your neighbourhood can improve relationships and overcome reliance on services / others. It increases feelings of self-worth, confidence. Volunteering builds skills and has a part to play in finding employment.
- **Right and responsibilities** - looking after yourself, reporting wrongdoing or problems that need addressing by services, supporting yourself and your family and behaving acceptably.
- **Communication** – Maintaining communication is essential to ensure that services and activities available from a range of providers are shared and publicised & opportunities shared and taken up, so that scarce resources are not wasted.
- **Having more in common than that which divides us** – recognising commonalities between people who may seem very different.
