Hi All,

After the problems of the last Chapel Fest event I have strong objections to the amendments that are proposed.

The local community had major problems with the disturbance due to noise at the previous event, this amendment would only cause more concerns for residents.

thanks

Dear Licencing,

I object to this application on the grounds that behaviour, noise and disturbance to the community and neighbouring properties at the chapel fest previously was a disgrace.

I have grave concerns that this would happen again should the licence variation be awarded.

**Subject:** Chapel House

I would like to object to the granting of this licence for Chapel House as I have no confidence that the applicant would adhere to the conditions of it .

Last year there were major problems with the Fest event resulting in anti social behaviour including drug taking and urinating in the nearby church grounds .

Late night /early morning noise nuisance reported and crowds of people in the street blocking the road and inconsiderate parking were also reported by residents in the area .

Many thanks Rosie
