Dear Sir/Madam

PROPOSED extension, variation, or discharge of PUBLIC SPACE PROTECTION ORDER (PSPO) Bingley Town Centre.

I am contacting you as part of the Council's statutory requirement to consult and inform specific bodies and groups about its proposal to extend, vary or discharge the **PUBLIC SPACE PROTECTION ORDER (PSPO) for Bingley Town Centre.**

In October 2014 the Anti-social Behaviour Crime and Policing Act 2014 was introduced. As part of this legislation comes the introduction of the Public Spaces Protection Order. This allows Local Authorities to impose prohibitions or requirements to specified areas to enable law abiding citizens to enjoy public areas without being affected by anti-social behaviour.

The PSPO prohibitions are around alcohol consumption which enables authorised officers from Bradford Council to deal more effectively with alleged offenders at the time they are behaving anti-socially.

Information about the proposed 'Order' and other documents related to the consultation are located on the Council's website and can be accessed via the URL below:

<https://surveys.bradford.gov.uk/snapwebhost/s.asp?k=155928771000>

Your views, comments and observations about this proposal are sought and will be used by the Council in considering whether or not to make a final 'Order' and the content of any 'Order' that might be made.

Please use a method to respond that you deem most appropriate. That could be by letter, e-mail or by completing and submitting the online consultation survey.

Please respond no later than 18 August 2019.

City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

If you require any further information please e-mail:

Dear Sir/Madam

PROPOSED extension, variation, or discharge of PUBLIC SPACE PROTECTION ORDER (PSPO) Bradford City Centre and surrounding areas

I am contacting you as part of the Council's statutory requirement to consult and inform specific bodies and groups about its proposal to extend, vary or discharge the **PUBLIC SPACE PROTECTION ORDER (PSPO) for Bradford City Centre and surrounding areas.**

You may already be aware of issues of anti-social behaviour occurring in the Bradford City Centre and surrounding area. Bradford Council is seeking measures to continue to address this behaviour for the benefit of residents, visitors and businesses.

In October 2014 the Anti-social Behaviour Crime and Policing Act 2014 was introduced. As part of this legislation comes the introduction of the Public Spaces Protection Order. This allows Local Authorities to impose prohibitions or requirements to specified areas to enable law abiding citizens to enjoy public areas without being affected by anti-social behaviour.

The PSPO prohibitions are around alcohol consumption which enables authorised officers from Bradford Council to deal more effectively with alleged offenders at the time they are behaving anti-socially.

Dear *Steve*

Re: Proposed extension, variation, or discharge of Public Space Protection Order (PSPO) Bradford City Centre and surrounding areas

Thank you for your letter which we received on 22 July 2019 consulting on the proposal to extend, vary or discharge the PSPOs for Bradford City Centre, Keighley Town Centre, Bingley Town Centre, Shipley Town Centre and an area of West Bowling.

After liaising with Chief Superintendent Osman Khan, Bradford District Commander, West Yorkshire Police, I fully support the continuation of the PSPOs in each of the areas listed.

I believe that the PSPO provides the council, police and other partners with vital additional powers to tackle anti-social behaviour and, in particular, to tackle those who behave anti-socially through the consumption of alcohol in the localities listed.

Yours sincerely

Mark Burns-Williamson
Police and Crime Commissioner for West Yorkshire

Dear Steve

Re : Public Space Protection Order - Proposed variations

I tabled your recent letter on the above at our Executive Meeting held on 22nd July 2019.

There was an extensive discussion on anti social behaviour in the city centre in general - and the resulting effect it continues to have on businesses and residents.

At the conclusion of our discussions I was asked to write to you to advise that - the Chamber of Trade is fully supportive of the Councils desire to extend, vary or discharge the Public Space Protection Order (PSPO) to a level necessary to alleviate these ongoing problems in Bradford City Centre and surrounding areas.

Yours faithfully

**VAL SUMMERSCALES
