Hi All,

I have concerns over this application on the following grounds:

A/ prevention of crime and disorder, public safety, prevention of public nuisance and the protection of children from harm.

B/ As there have been a number of ASB incidents within this area with youths and school age children the opportunity to have the provision in such close proximity to areas where incidents have occurred on Towngate, in Wyke Recreation Ground in and around a children's play area need to be controlled.

C/Allowing this application to be granted is to be supporting these actions not protecting vulnerable residents

D/I am concerned that such a licence should be granted to this application as this area of the ward already has a large number of retail outlets that are licensed to provide alcohol for a greater part of the day already.

EThere are also a large number of public houses within this local area.

I would therefore not be supportive of any application to increase the number of outlets with a premises licence.

thanks

Good Afternoon

I have concerns regarding this application for the following reasons.

1/ There have been incidents in the area involving ASB, this application is very close to the recreation ground which includes a play area.

2/ I have concerns regarding crime and disorder, public safety and the prevention of noise and nuisance.

3/ The protect of children and venerable residents from harm.

I therefore could not support an application of this nature
