Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

No additional conditions need to be offered to promote the licensing objectives. The nature of the variation is to reflect the investment in the internal and external area of the premises.

The premises have been trading without incidents and are to have further investment in them and in those circumstances, the premises licence holder feels that no further conditions are required to promote the licensing objectives.
