Good Morning Melanie

Certainly, my full postal address is [REDACTED] First street , low moor , Bradford BD12 0JQ.

I never even realised it was Mrs Hudson who also had taken over the Q Gardens until she had her grand opening , as our street is a quiet one and don't really know any of the neighbours.

But I have got to know her over the last few months and she has put her heart and soul into Q Gardens and has some fantastic Ideas to make it very successful , the place had gone down hill before Christina took over and now it's a pleasure to go to.

Yes it's a coincidence that we live on the same street but I feel so strongly over what is happening to her and I hope my thoughts are put forward to help her case.

Kindest Regards

Dear Sir / Madam

I am writing to you this morning regarding the Q Gardens Bradford, I hear that the landlady Mrs Christina Hudson may possibly have her licence revoked due to 2 walls that was erected in 2013, I think this is a little unfair as Christina only took over the Q Gardens last year.

Myself and my family often drink in Q Gardens and I have to say what a brilliant job she is doing, there has been massive improvements and the atmosphere with the acts she gets are just brilliant, I don't want to go to the centre of Bradford for a drink, Q Gardens is the only place I want to go, and that's thanks to Mrs Hudson, there has been so many improvements and I am sure there will be many more to follow, she would have found it hard over the last few months with lockdown closures , but on return I have found that so many things have been put in place to make us all safe.

I am afraid it will be very sad if Mrs Hudson was to lose her licence over something she did not have a say in, she has really turned the place around and made it an enjoyable place to be.

I had planned to have my 60th Birthday party there but if Christina goes I will be looking for another venue, the young lady needs the chance to make Q Gardens one of the best establishments in Bradford and with her determination I'm sure she will.

Kindest Regards

Mrs [REDACTED]

I have recently become a regular at Que gardens over the last 8 months, after avoiding the place before this, due to bad management and trouble. Over the last 8 months the new management have truly turned this place around, its much more welcoming and the clientel is 100% better. This has resulted in a much more friendlier pub and made me want to use this now as my local. I am fully in support of the variation and this has made me book my wedding reception there next year on the 14th August 2021. Living local to this pub and not been able to use it was very upsetting. This is the best I have seen this pub in a very long time. It is now a great pleasure to go into and have a nice relaxed drink.

Good evening

I am writing about the above venue. I attended this venue once under the previous management and was appalled at the terrible service as well as the general demeanor at the venue.

I was skeptical, but tried it under the new ownership and it has massively improved. Service was amazing, good food, suitable for me and my little boy. Excellent offers on. This venue is now a regular on my visit list, with my family.

I fully support the venue now and it's variations.

Thank you
