LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

© Queen's Printer and Controller of HMSO 2009

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

- Work with all available organisations to promote the objectives (Police, Fire, Environmental Health, Child Welfare, Health & Safety, etc)
- Provide adequate security and surveillance to the property
- Put procedures in place to actively avoid any possible nuisances and prevent any issues before they arise
- Enforce strict procedures with regards the sale of alcohol to protect children
- Ensure all regulations (fire, H&S, EH) are met to protect customers and the public in general

b) The prevention of crime and disorder

I will work with local law enforcement and other groups to implement any shared 'pub watch' type schemes in the village. CCTV is already installed at the front of the premises but additional cameras are to be added to the rear of the property by the landlady. I will provide training to staff to enable effective management of confrontational situations and to look for signs of drunkenness.

c) Public safety

I will ensure public safety by ensuring that smoke alarms are correctly fitted and regularly tested and that we have an up to date fire procedure document that all staff are aware of. I will ensure all hygiene standards are met and records kept in line with the office of Environmental Health. I will carry out a Health and Safety risk assessment of the property and ensure staff training to meet with required standards.

d) The prevention of public nuisance

I will ensure noise is kept to a minimum during evening hours and early mornings with regards to bin emptying and ask customers to leave quietly. I will ensure I comply to guidelines with regards to smells extracted from the kitchen.

e) The protection of children from harm

I will enforce a challenge 21 or 25 policy with regards to both off and on sales of alcohol and ensure staff are trained and log any times sales have been refused. Ii will ensure that customer conduct within the premises in no way harm or corrupt any children present and I will ensure any children are accompanied by an adult where necessary.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

© Queen's Printer and Controller of HMSO 2009

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

(i) any page containing the holder's personal details including nationality;
(ii) any page containing the holder's photograph;
(iii) any page containing the holder's signature;
(iv) any page containing the date of expiry; and

© Queen's Printer and Controller of HMSO 2009

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
