Licensing Act 2003 Application for a Premises Licence

Premises: Unit 6, Cha Cha Chai, Ingleby Road, Bradford, BD8 9AN

Recently, this Department is in receipt of complaints from around the district where variations / extended operating hours which have been granted are now having an impact on the local residents who reside within close proximity of the premises.

Due to the on-going investigation and current complaints this Department has received in relation to noise and anti-social behaviour from this site, I strongly object to the proposed operating times for the above Unit, therefore I am unable to support this application.

It should also be noted that on 16 October 2020, Community Protection Notices were served on all Units occupying the site which prevents vehicular access from the hours of 23.30 until 07.00.

Should you wish to discuss this matter further, please do not hesitate to contact me.
