As the Area Co-ordinator for Bradford West Constituency, and having discussed this application with a number of partners and community representatives.

We are of the opinion that granting a 24hours license at this site will increase and add to the anti-social gathering of vehicles and individuals already being experienced in this area, thus having an adverse impacting on nearby residents to limit the hours of operation would Prevent public nuisance and increasing crime & disorder.

I would request the committee to take into account the increasing popularity of food and beverage vendors at the top end of Ingleby road in this vicinity , it is becoming a magnet for those wanting fast food and drinks, this needs to be balanced against the impact on local residents, the road and transport infrastructure being on a main gateway, and the longer term impact of managing Public safety, crime and community issues on public service organisations.

Re Taco Bell.

Ingleby Rd / Thornton Rd.  
late night license.

As one of many residents in the Manningham,  
Heaton / Toller area plagued by litter, rat infest-  
-ation, and anti-social behaviour directly  
attributable to late night refreshment licensing  
I object strongly to the granting of a late night  
licence to Taco Bell
