**Overview & Scrutiny Committee:**  
**Corporate**

## **1. SUMMARY**

This report informs the Area Committee of the grants awarded to projects within the Keighley Area by the Area Co-ordinator's Office in the financial years 2019/20 and 2020/21.

## **2. BACKGROUND**

**2.1** This report gives details of five grant schemes that were administered by Keighley Area Co-ordinator's Office during the financial years 2019/20 and 2020/21. These schemes were designed to support a wide range of projects and activities within the Keighley Area. Applications for grants were considered from groups and organisations working for the benefit of people living in the Keighley Area.

**2.2** Information on the grant schemes, and how to apply, was available on the Bradford Council website and sent out by the Area Co-ordinator's Office to its well-established network of community groups and organisations. To be eligible for consideration, applications had to meet the criteria set out for each grant scheme which are detailed in the Appendices to this report.

**2.3** The Area Co-ordinator's Office, promoted the grant schemes, supported and advised potential applicants, assessed the received applications and prepared officer recommendations.

**2.5** The Area Co-ordinator, under delegated powers, is responsible for making decisions on the received applications. These decisions are made following guidance received from the Grants Advisory Group (GAG), whose membership is the Chair, Deputy Chair and Opposition Spokesperson of the Area Committee.

## **3. OTHER CONSIDERATIONS**

**3.1** There are no other considerations arising directly from this report.

## **4. FINANCIAL AND RESOURCE APPRAISAL**

### **4.1 Financial**

These grant schemes were funded from Bradford Council's approved base budget. Therefore, there were no further financial or resource implications placed on the Council in the awarding of these grants.

## **5. RISK MANAGEMENT AND GOVERNANCE ISSUES**

**5.1** There are no significant risk management or governance issues arising out of the recommendations of this report

## **6. LEGAL APPRAISAL**

**6.1** There is no legal requirement for the Council to provide small grants for one off projects in local communities.

## **7. OTHER IMPLICATIONS**

## **7.1 Sustainability Implications**

Groups are encouraged to engage in additional fundraising activities and are assisted in raising their awareness of opportunities for future development and sustainability. Groups are also encouraged to work collectively, particularly on issues of shared interest.

## **7.2 Greenhouse Gas Emissions Impacts**

There are no significant gas emission impacts arising from the recommendations in this report.

## **7.3 Community Safety Implications**

Projects are assessed on their ability to operate within appropriate guidelines. Many of the projects supported are either directly or indirectly concerned with the enhancement of life in local communities, providing safe environments for activities to take place or helping to tackle crime and the fear of crime.

## **7.4 Human Rights Act**

There are no direct Human Rights implications arising from the recommendations below.

## **7.5 Trade Union Implications**

There are no Trade Union implications.

## **7.6 Ward Implications**

Applications for grants are encouraged from, and allocated to, projects that impact on all Wards in the Keighley Area.

## **7.7 Area Committee Action Plan Implications**

The award of these grants enables voluntary and community organisations to contribute to a number of the priorities within the Area Committee's Ward Plans.

## **7.8 Implications for Corporate Parenting**

No implications.

## **7.9 Issues arising from Privacy Impact Assessment**

The contact details and information relating to grant applicants is held in compliance with the Neighbourhood & Customer Services' Privacy Statement.

## **8. NOT FOR PUBLICATION DOCUMENTS**

None.

## **9. OPTIONS**

- 9.1** That members note the report. The purpose of this report is to inform Members of the allocation of grant funding.

## **10. RECOMMENDATIONS**

- 10.1** Keighley Area Committee approves that the Keighley Area Co-ordinator, under delegated powers, has responsibility for making decisions on all grant applications administered by the Keighley Area Co-ordinator's Office, after seeking guidance from the Grants Advisory Group.
- 10.2** Keighley Area Committee approves the membership of the Grants Advisory Group (GAG), to be the Chair, Deputy Chair and Opposition Spokesperson of the Keighley Area Committee, for this municipal year 2021-22.
- 10.3** Keighley Area Committee requests that the Keighley Area Co-ordinator's Office continues to ensure the effective allocation of all grant funding by providing appropriate support and advice to applicants.

## Appendix A

### Community Chest Grants 2019/20

## **CRITERIA FOR APPLICATIONS**

Applications will only be considered from groups/organisations that either operate in, or benefit people who live in the Keighley Constituency area.

Applications will be considered to assist community based activities which will be of benefit to the community, and where the activity could not go ahead without financial assistance. Special consideration will be given to projects that target issues of deprivation and disadvantage.

<b>Examples of what will be funded:</b>	<b>Examples of what won't be funded:</b>
<ul style="list-style-type: none"><li>● Equipment (from pots and pans, to plants and publicity)</li><li>● One off events</li><li>● Building improvements</li><li>● Start up costs for new groups</li></ul>	<ul style="list-style-type: none"><li>● Ongoing revenue costs (room hire, insurance, salaries, staffing costs eg speakers/tutors fees, rent etc)</li><li>● Activities of a religious/political nature</li><li>● Activities funded retrospectively</li><li>● Secondary fundraising</li></ul>

The organisation should be a non-profit making voluntary organisation where membership is open (i.e. no discrimination of membership on grounds of sex, race religion, occupation or opinion).

The maximum allocation from the Community Chest will not exceed £500.00 for any individual project. Projects which cross boundaries can be considered by a number of Area Committees, but the total grant will not exceed £500.00.

Groups which have applied for and received funding in previous years will not be funded for the same or repeated project.

Groups/organisations should normally expect only one grant per financial year.

Keighley Area Committee expects organisations to make every effort to be self-supporting, and will favour grants where other funding/fundraising has been secured.

Projects should demonstrate that appropriate child and adult protection policies are in place together with any necessary Health and Safety arrangements.

Projects should not contravene Council Policy Guidelines in areas of equality of opportunity (i.e. no discrimination of membership on grounds of sex, race, religion, occupation or opinion).

## Appendix C

### Cleaner Streets Fund Grants 2020/21

#### **About the funding**

1. The Cleaner Streets Fund has been made possible by Bradford Council and Bradford Councillors commitment to help extend the 'People Can' campaign, supporting volunteer and community-led action / ideas that help make a difference to our district's environment, neighbourhoods and places of community interest.
2. Keeping Bradford district clean is a top priority for the Council, our partners and communities. Cleaner streets enhance community pride and make areas much more attractive places to live, visit and do business.
3. A total of £250,000 has been made available to apply for as grants for community-led activities with £50,000 allocated to each area constituency Bradford East, Bradford West, Bradford South, Shipley and Keighley for the period April 2020 / March 2021.
4. Between 2019 / 2020 the Council have supported more than 200 environmental initiatives including community-led litter picks across the district thanks to the efforts of 6,000+ volunteers.
5. The Cleaner Streets Fund supports to extend the People Can movement in Bradford through positive environmental social action empowering communities to help improve local areas and local priorities. It's a chance for communities to get together and put forward community-led ideas and projects that will help make our streets and areas cleaner. It's a chance to get even more people engaged with helping to make a positive difference in their local areas.

#### **Aims of the fund**

The funding has six key aims:

1. To help make our neighbourhoods, towns and village centres look their best.
2. To support community involvement and volunteering in environmental improvements by testing new community-led ideas and approaches.
3. To help build on existing positive social action and / or create new networks, projects and activities which encourage positive social action.
4. To help support self-sustaining groups and sustainable ways of bringing positive environmental improvements e.g. helping to encourage volunteers to adopt streets, become street champions etc.
5. To help develop local campaigns to encourage more reporting of people littering and fly-tipping to support increasing issuing litter fines and prosecutions.
6. To help raise awareness of the impact and consequences of environmental crime and anti-social behaviour.

#### **How much is available?**

- Grants of up to £2000 are available and we anticipate that many grants will be much less than this. This will be restricted to a maximum of £2,000 per organisation across the district.
- We particularly welcome applications for smaller project costs.
- Groups can apply for funding to support their own activity.
- We will be aiming to ensure that funding is spread around the district's wards and will ask that groups feedback on the difference it has made.
- Bradford Council's Ward Officers will encourage groups to apply from across all wards to this fund.
- Groups are encouraged to provide match funding where this is possible.

#### **Who can apply?**

- We welcome applications from, or supported by constituted voluntary groups and organisations, places of worship, Friends of Groups, charities, parish and town councils.
- We are keen to support the development of new groups and new ideas. You therefore do not need to be a registered charity or established group to apply.
- We are particularly keen to support areas where there has historically been less community involvement in keeping the local area clean and tidy and will be looking at other ways we can support this.
- We recognise that community activity is often on an informal basis and aim to be flexible to accommodate that while putting appropriate safeguards in place. We may request references.

### **Where can it be spent?**

- The funding is available is open district wide to all Wards and will be administered through the Council's Area Co-ordinator's Offices.
- Funding must be spent within 12 months of the date of the grant award being made.

### **What can it be spent on?**

- The grant funding can be used to cover a range of costs as long as they are in line with the aims of the fund set out above. For example:
- Buying tools such as litter pickers and high visibility vests for community tidy ups
- Cleaning up graffiti
- Buying plants, paint and brushes or other equipment to smarten up an area
- Signage or training
- Publicity material, venue or refreshment costs for community events
- Designing out environmental crime in littered areas and local 'grot' spots.
- Funding cannot be used to pay for staff costs or to pay people for their time.

### **How do I apply and when is the deadline?**

All applicants need to complete a Cleaner Streets Fund application form. This needs to be returned to the Keighley Area Office at [keighleyareacoordinatorsoffice@bradford.gov.uk](mailto:keighleyareacoordinatorsoffice@bradford.gov.uk) by **5.00pm on Friday 18 September**. For further information, please contact Keighley Area Co-ordinator's Office on 01535 618008.

Applications will be considered by the Keighley Area Grants Advisory Group in partnership with the Area Co-ordinators Office. We will inform applicants about the outcome of their application as soon as possible.

## Appendix D

### Social Cohesion Innovation Grants 2020/21

**Bradford for Everyone is the new delivery name for the Stronger Communities Together Strategy.**

**The Cohesion and Integration Innovation Fund is about stimulating new thinking, building new partnerships and testing innovative approaches.**

#### **About the funding**

The Innovation Fund would like to hear your ideas on how to improve Integration and Cohesion in your neighbourhood. We will fund bids that meet one of our four priorities in the Stronger Communities Together Strategy.

Keighley Constituency has been allocated £10,000 and we are seeking to fund a small number of bold and ambitious community led projects.

Our programme focusses on four key areas and your application should address one of these:

**Getting On** - Address factors affecting economic participation and language skills.

- Trialling new ways of learning English and the up-skilling of ESOL teachers. Identify ways to promote the progression of BAME people, young people, women and white working class communities in to work.

**Getting Along** - Promote greater interaction, dialogue and understanding between people from different backgrounds; ensuring that people understand fully their rights and freedoms and their responsibilities.

- Activities that develop meaningful and difficult conversations with all communities, develop critical thinking and build long term connections between groups.

**Getting Involved** - Generating and connecting people to opportunities to participate in community and civic life and strengthening leadership.

- Projects that address intergroup discrimination, raise aspirations and support the integration of new communities. Ideas to support communities who are not ready to engage will be of interest including campaigning where communities can be brought together.

**Feeling Safe** - Tackling hate crime and the fear of hate crime so that everyone feels safe.

- We are also keen to find innovative solutions to environmental issues that may be negatively impacting upon integration outcomes – e.g. litter, dangerous driving - as well as how shared environmental goals and spaces might help build stronger, healthier and more resilient communities at street, local or district level.

If you have identified other gaps and have an idea please get in touch with us to discuss.

### **We will be looking to support projects or activities that:**

- Contribute to one of the programme priorities
- Do not duplicate local projects
- Can measure impact
- Are innovative and experimental
- Add value to existing initiatives
- Demonstrate how projects have been co-designed with partners and communities
- Have collaborated with other partners

All activities must look to engage **all communities** which primarily focus on those in deprived communities. We are looking for social mixing to be embedded across all of our activities.

### **We will not provide funding for:**

- Costs outside what has been agreed in the project.
- Salaries, PR, marketing and related events organised by the applicant that do not directly support the proposed project.
- Extending a pre-existing project's length
- Spending on contingency costs, loans, endowments of interest payments and recoverable VAT.
- Alcohol or gambling
- Political campaigning.
- The promotion of religious beliefs.

### **Amounts we will fund**

- **Grants of up to £1,000**

### **Eligibility Criteria**

The *Innovation Fund* is open to applications from a wide range of organisations. We are willing to support proposals that meet the following eligibility criteria:

- Organisations must be legally constituted, although groups that are not formally constituted should request for a lead organisation to be the accountable body. Bradford Council, individuals, sole traders and limited liability partnerships are not eligible
- Organisations must have a registered bank account in the name of the organisation, and they must be able to demonstrate fair and transparent governance arrangements including an Equal Opportunities policy
- Organisations working with children or vulnerable adults will need to demonstrate appropriate safeguarding policies
- An organisation can only be the lead partner on one bid per funding round
- A group or organisation can only apply once per round.

## Evaluation and Monitoring

We are committed to ensuring that projects supported through the grant measure the positive outcomes they achieve.

Applicants will be expected to help us think about how the success of the project might be measured from the start. Applicants must be willing to share additional unidentifiable information as required by the programme and collect data before and at the end of the project and share this data with Bradford Council. Applicants must ensure they comply with data protection regulations.

What we learn from the grant will be disseminated widely.

## Process

### Step 1: Application Form

Our Ward Officers can offer advice around how to strengthen your bid. If you require assistance with your application then please feel free to contact one of our Ward Officers on 01535 618008. Please ensure if you'd like to take up this opportunity you do so with plenty of time before the deadline date!

### Step 2: Evaluation

Application forms will be reviewed and approved by a panel made up of Councillors on the Grants Advisory Group.
