**Overview & Scrutiny Area: Regeneration  
and Environment**

## 1. SUMMARY

- 1.1 The street name 'Jinnah Mews' to be dedicated to Muhammad Ali Jinnah who was a former Governor General of Pakistan. The applicant also has a business named Jinnah

## 2. BACKGROUND

- 2.1 The development is for eight detached residential properties.
- 2.2 The applicant Jinnah – wishes to honour Muhammad Ali Jinnah and his business by naming the street 'Jinnah Mews'
- 2.3 The following statement has been provided in support of a decision to approve the allocation of 'Jinnah Mews as the new street name;

**We would like to use the name Jinnah Mews as it has a long standing history for our culture. He was the first governor general for Pakistan in 1947 and also because our family is still very Patriotic and invest heavily into the Asian community both here in Bradford and surrounding areas. We do a lot of unseen work for the local charities and our family business is called Jinnah.**

**Therefore, we would like to use this name for the properties that we are having built as part of our legacy to Bradford where I have spent all of my years since coming to this country.**

**I am extremely proud of the good things that I have encouraged and supported over the years and think of this as my home.**

## 3. OTHER CONSIDERATIONS

As the naming of a new street after any individual is a sensitive matter, to be given very serious consideration, and is usually only approved in exceptional circumstances, it is sensible to provide an alternative suggestion in the event that the Committee does not approve this proposal. In this particular case, should the Committee not be minded to approve this proposal;

The name 'Follifoot Close' will be the allocated street name following consultation with the Ward Councillors as part of the current Policy and Protocol.
