## **1. SUMMARY**

This report details the Connecting People Grants awarded from applications received prior to the 4 January 2021 deadline.

## **2. BACKGROUND**

2.1 The Connecting People fund was a combination of the Youth and Community Chest Budget and the Innovation Fund administered by the Council's Stronger Communities Service, which provided a chance to support community groups seeking to connect lonely and isolated people and improve wellbeing in communities across Bradford South, as well as addressing new and emerging tensions and inequalities, many brought about by the pandemic.

The grant was used to support organisations in working towards one of the four pillars of the Bradford Integration Programme – "Getting Involved - Generating and connecting people to opportunities to participate in community and civic life and strengthening leadership."

2.2 Applications which met the criteria outlined in Appendix I were considered from groups, organisations and individuals contributing across a broad spectrum of initiatives, to the wellbeing and development of communities within Bradford South.

2.3 A Ward Officer, within the Bradford South Area Co-ordinator's Office, assessed the received applications and prepared Officer Recommendations.

2.4 The applications from each Ward were sent to the individual Ward Councillors with a request for comments, which informed the decision making process.

2.5 The Area Co-ordinator, under delegated powers, was responsible for making decisions on the received applications. These decisions were made following guidance received from the Grants Advisory Group, whose membership is the Chair, Deputy Chair and Opposition Spokesperson of the Area Committee.

2.6 Decisions on Youth and Community Chest applications are currently made four times a year, following the closing dates of 31 May, 31 August, 31 October and 31 January. However the Innovation Fund and therefore the Connecting People fund was a one-time only opportunity.

2.7 It is also possible, when decisions need to be taken outside the formal process, that the Area Co-ordinator can decide on an application having consulted individually the Members of the Grants Advisory Group.

## **3. OTHER CONSIDERATIONS**

3.1 The wide range of projects outlined in Appendix 2 were awarded grants to a value of £10,000. This has enabled projects costing £14,648 to proceed which will benefit communities across Bradford South.

## **4. FINANCIAL & RESOURCE APPRAISAL**

### **4.1 Financial**

Whilst the grants awarded at the Grants Advisory Group meeting held on 19 January 2021 were £10,000 (see Appendix 2), this has enabled projects and activities costing £14,648 to take place.

### **4.2 Staffing**

Support is provided from within the Area Co-ordinator's Office by officers from within existing resources.

## **5. RISK MANAGEMENT AND GOVERNANCE ISSUES**

There are no significant risks arising from the proposed recommendations in this report.

## **6. LEGAL APPRAISAL**

There is no legal requirement for the Council to provide small grants for the benefit of local communities.

## **7. OTHER IMPLICATIONS**

### **7.1 EQUALITY & DIVERSITY**

In addition, special consideration is given to particular areas i.e. inner city areas and Social housing estates.

### **7.2 SUSTAINABILITY IMPLICATIONS**

Connecting People Grants enabled local initiatives to be supported, thus encouraging groups and individuals to undertake activities that improve the social, economic and environmental well being of their communities.
