Licensing Act 2003 : Application to vary Premises Licence

24 General Market, 489-491 Little Horton Lane, Bradford, BD5 9BY

Thank you for consulting me on the above application.

The variation seeks to allow the sale of alcohol for 24 hours a day.

This Department has seen an increase in complaints about noise and general disturbance from premises that are open 24 hours a day. These complaints tend to be about noise and disturbance caused by people gathering outside the premises and also about noise from vehicles pulling up outside or near to the premises with their engines running and loud music playing.

The premises are in close proximity to a number of residential properties. The nearest being no's 481, 483 and 485 Little Horton Lane and these are the properties most likely to be affected by any noise and disturbance.

This Department understands that a number of elderly residents have contacted Councillor Talat Sajawal to complain about noise and anti-social behaviour associated with the premises.

In my opinion, the granting of a licence to allow the sale of alcohol 24 hours a day will not benefit the situation and therefore I am minded not to support this application.
