May 2021	<b><u>Administration</u></b> <b>AVC contributions - Prudential.</b>		<p>WYPF has an agreement with Prudential to provide an AVC arrangement for its members as part of the Local Government Pension Scheme Regulations.</p> <p>Over the last few months we have received a number of complaints from members to say that their AVC contributions have not been allocated to their AVC accounts.</p>	Delays in Settlement amounts paid to the Fund when members have retired. This has impacted on the Funds ability to pay pension benefits in a timely manner.	<p><b><u>Prudential</u></b></p> <p>Prudential have informed us 'The processing delays have been caused in part by the implementation of a new system that has taken additional time to embed within our processes. This has had an impact on applying contributions to members' policies therefore delaying claims. The impact of COVID and the majority of colleagues working from home following the latest lockdown has also affected our productivity and recovery plans'.</p> <p>Prudential had informed WYPF that it had a recovery plan in place and were on target to clear all outstanding cash and claims by the middle of April however by the end of May and the issues had not been resolved satisfactorily.</p> <p>Prudential informed us they still have cases in backlog and whilst they have not met the initial target</p>	Reported	<p><b>What are the time scale for completion?</b></p> <p>According to Prudential they are hoping to 'stabilise' by the end of June.</p> <p><b>Additional information</b></p> <p>Prudential have said member's will not lose out on investment returns because of the delays and where appropriate they will pay compensation however this does not compensate WYPF for the additional time and work undertaken due to the delays caused by Prudential.</p> <p>WYPF regularly contact Prudential to chase up urgent cases, by e-mail</p>
