## **1. SUMMARY**

- 1.1 This report presents the Committee's Work Programme 2021-22.

## **2. BACKGROUND**

- 2.1 Each Overview and Scrutiny Committee is required by the Constitution of the Council to prepare a work programme (Part 3E – Overview and Scrutiny Procedure Rules, Para 1.1). The Committee adopted its work programme at its meeting of 28 September 2021.
- 2.2 Appendix 1 of this report presents the Work Programme for 2021-22.

## **3. OTHER CONSIDERATIONS**

- 3.1 The Regeneration and Environment Overview and Scrutiny Committee has the responsibility for "the strategies, plans, policies, functions and services directly relevant to the corporate priorities about creating a more prosperous district and about improving waste management, neighbourhood services and the environment" (Council Constitution, Part 2, 6.5.1 and 6.6.1).
- 3.2 Best practice published by the Centre for Public Scrutiny suggests that 'work programming should be a continuous process'. It is important to regularly review work programmes so that important or urgent issues that come up during the year are able to be scrutinised. In addition, at a time of limited resources, it should also be possible to remove projects which have become less relevant or timely. For this reason, it is proposed that the Committee's work programme be regularly reviewed by Members throughout the municipal year.
- 3.3 The remit of this Committee also includes the strategies, plans, functions and services directly relevant to the corporate priorities about reducing carbon emissions, transport and highways, creating a greener and more sustainable environment and positively affecting climate change.
- 3.4 The work programme as agreed by the Committee will form the basis for the Committee's work during the year, but will be amended as issues arise during the year.
