Subject: Re: Licensing application at 47 Wilsden Road, Sandy Lane

Hi,

Thanks for confirmation of representation.

I would like to make a representation on behalf of Sandy Lane Parish Council, who strongly object to the licensing application at 47 Wilsden Road, Sandy Lane, Bradford, for the supply of alcohol for consumption off premises Sunday to Thursday 16:00 to 00:00, Friday and Saturday 16:00 to 01.30. Sandy Lane is a small village, with many neighbouring properties housing families who would be disturbed by late night noise and traffic, and it is already far too small for the current busy traffic on Wilsden Road. Specifically the Parish Council objects on the following grounds:

- Prevention of crime and disorder;
- Public safety;
- Protection of public nuisance;
- Protection of children from harm.

Please do not hesitate to contact me if you need any further information or clarification.

Yours,

[REDACTED]

Clerk to Sandy Lane Parish Council
