

Analysis of the consultation on the changes to the co-ordinated schemes that has taken place with other admission authorities in the area and other relevant local authorities and feedback on new published guidance on deferring places and directing schools to admit

Feedback was received was on a point of clarity and consistency and these amendments were made in the Co-ordinated Admissions Arrangements.

A Local Authority gave detailed feedback, with no objections to any of the suggested improvements in the Co-ordinated schemes or the new guidance.

No other feedback was received.
