2.7 Relevant Representations Received

Responsible Authorities

Environmental Health

A representation has been received from the Environmental Health Department which is in receipt of complaints from around the district where variations/extended opening hours which have been granted are now having an impact on the local residents who reside within close proximity of the premises.

The complaints generally arise from noise from customers loitering, loud speech and people playing loud amplified music in their cars which can be parked on forecourts or the street.

The officer is of the opinion that the location of the premises has the potential to attract such anti-social behaviour if the hours are extended and is therefore unable to support the application.

The representation is attached at Appendix 3.

3. OTHER CONSIDERATIONS

Legal Appraisal

3.1 The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance

d) the protection of children from harm

- 3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.
- 3.3** Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.
- 3.4** Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.
- 3.5** Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

- 3.6** The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime and disorder) and Part 6 (prevention of public nuisance).
- 3.7** The Annexes to the Policy sets out various types of model condition that could be considered.

The Council’s powers set out in the recommendations fall within the states right. A fair balance must be struck between public safety and the applicant’s rights.
