1. Introduction

This is the Training Strategy for the West Yorkshire Pension Fund (WYPF).

It sets out the strategy for the Pension Fund to satisfy the regulations under the Public Service Pensions Act 2013 concerning training and development of the:

- Members of the Pension Board and (when appropriate) other Boards and Committees that may have involvement with the Pension Fund, such as the Joint Advisory Group (JAG) and the Investment Advisory Panel (IAP) (the “Members”); and
- officers of WYPF responsible for the management of the Fund (the “Officers”).

The Training Strategy is established to aid Members in performing and developing personally in their individual roles and to equip them with the necessary skills and knowledge to challenge and act effectively within the responsibility put upon them.

The Pension Board will be effective in its scrutiny of decisions made by Officers, JAG and IAP.

1.1 Strategy Objectives

The Fund’s objectives relating to knowledge and skills are to:

- Ensure the pension fund is managed and its services delivered by people who have the appropriate knowledge and expertise;
- Act with integrity and be accountable to our stakeholders for decisions, ensuring they are robust and well based.

To achieve these objectives, Members require an understanding of:

- their responsibilities as an administering authority of a local government pension fund;

- the operation and administration of the pension fund;
- the fundamental requirements relating to pension fund investments;

So far as is possible, targeted training will also be provided that is timely and directly relevant to the Board's responsibilities as set out in the Fund's business plan. For example, valuation training was provided immediately preceding commencement of the valuation process 2022.

All Pension Board Members have a statutory obligation under the Public Service Pensions Act 2013 to demonstrate the appropriate knowledge and skills in relation to LGPS pension matters and will:

- have their knowledge measured and assessed;
- receive appropriate training to fill any knowledge gaps identified; and
- seek to maintain their knowledge.

1.2 Application of the training strategy

This Training Strategy will apply to all elected members and representatives with a role on the Pension Board and (if applicable) JAG and IAP, plus the Director of WYPF and the director's immediate reports. Other officers involved in the management and administration of the Fund will have their own sectional and personal training plans and career development objectives.

1.3 Purpose of training

The purpose of training is to:

- equip Board Members and Officers with the necessary skills and knowledge to be competent in their role
- promote thorough scrutiny
- support effective and robust decision making
- provide individuals with integrity
- meet the required needs in relation to the Fund's objectives
- meet requirements of the Pension Act 2013

1.4 Summary

This training strategy will:

- meet requirements of the Public Service Pensions Act 2013
- assist in meeting the Fund's objectives
- assist in meeting the Fund's business plan
- assist in achieving delivery of effective management

- equip those responsible with appropriate knowledge and skills
- promote the development of decision makers
- demonstrate compliance with the TPR Code of Practice and
- contribute to good scheme governance

2 Meeting the business plan

2.1 Timely and relevant

There will be times in the year when different circumstances will require specific training. For example, Valuation training was provided before commencement of the valuation process 2022.

It is vital that training is relevant to meet the statutory requirement and any skills gap or business need and training should be delivered in a manner that fits with the business plan.

The training plan will therefore be regularly reviewed to ensure that training will be delivered where necessary to meet immediate needs and fill knowledge gaps.

3.2 Training Plans

Fund Training Plans will be produced annually. These will be updated as required taking account of the changes to scheme regulation and overarching pension legislation.

This will involve an overview of the LGPS and WYPF, will cover the requirements of the Training Strategy alongside guidance and information on the requirements of their roles and the expectation to complete regular online training in addition to Board meetings and Board training. It is expected the initial Induction Training for Members could involve approximately the equivalent of 3 hours training on a one to one basis, albeit these sessions could be spread over a several days.

Newly appointed Board, JAG and IAP members will be expected to completed the LGA Fundamentals training programme.

3.3 External Events

A log of potential external events attended will be maintained by the WYPF Officer responsible for Fund governance and will demonstrate necessary knowledge and skills training. This will be updated as information on events becomes available and will be provided at Pension Board meetings.

After attendance at an external event, Members will be expected to provide verbal feedback at the following Pension Board meeting covering the following points

4 Continuing development

In addition to undertaking an on-going assessment in order to measure knowledge and skills against requirements of the Pension Act 2013 and identify knowledge gaps, Officers and Members are expected to maintain their knowledge of on-going developments and issues through attendance at external events and seminars.

Appropriate attendance at events for representatives of the Pension Board and (if appropriate JAG and IAP) will be agreed by the WYPF Director. Appropriate attendance at events for Officers will be agreed via their relevant line manager.

A list of future events and seminars will be presented at each Pension Board meeting.
