1. SUMMARY

As part of the Council-wide programme of 'Strengthening Locality Working', the Neighbourhood Service is working with other Council services and partner agencies, to develop five Locality Plans, one for each constituency that make up the Bradford District. This report sets out the Bradford South Locality Plan, and the associated Ward Plans, for 2022-25.

2. BACKGROUND

- 2.1 The vision for the Strengthening Locality Working approach is to build safe, strong and active localities where citizens and local leaders are empowered to work alongside public agencies and partners to address local needs and issues. Working collaboratively and creatively, they utilise local assets, resources and opportunities to enhance community capacity and tackle inequalities. People are at the heart of service design and delivery, and experience coordinated support within their localities and only need to tell their story once. A stronger focus on prevention and early help promotes better outcomes for local people and helps reduce the need for statutory interventions wherever possible.
- 2.2 To achieve the vision the project advocates a stronger role for Bradford Council and its partners as a leader and place shaper, aligning delivery and resources, renewing the emphasis on the role of Area Committees and supporting local councillors in their capacity as democratic champions.
- 2.3 The project has seen the strengthening of resource and capability within the Neighbourhood Service, including the recruitment of 15 Assistant Ward Officers and five Stronger Communities Engagement Officers and a broadening of the role and influence of Area Co-ordinators as convenors of place across the district teams.
- 2.5 This work is underpinned by developing arrangements for a Council-wide locality approach to prevention and early help that promotes collaboration between Council colleagues (and then with wider partners) to better support individuals, families and communities across the District. By prevention we mean, preventing or delaying problems from arising in the first place so that everyone across the Bradford District – whatever locality they come from – can live a long, healthy, and full life. In turn, Early Help is about tackling problems head-on when they emerge, intervening early before problems escalate. At the heart of both Prevention and Early Help is a constant focus on **what's strong, not what's wrong**. We work closely with communities to make the most of their assets, resources and opportunities, empowering citizens and local leaders to work alongside public agencies and partners to address local needs in a collaborative and creative way.
- 2.6 Delivered well, the project will:
 - Increase organisational resilience through a common understanding and approach to locality working;
 - Evidence outcomes delivered against the Council and District plan priorities;
 - Promote community capacity and improve outcomes to be delivered for communities;

- Reduce inequalities and improve access to support for individuals and communities;
 - Allow individuals and communities to access multi-disciplinary early help that ultimately prevents/reduces/delays the need for intervention by statutory services.
- 2.7 Consultation work has been undertaken with Councillors and partner agencies to inform the development of the locality plan through a Bradford South conference on 12 May 2022, surveys and other ward based engagement opportunities.
- 2.8 This report presents the draft Bradford South Locality Plan 2022-25 (Appendix A) for consideration. In addition, the six Bradford South Ward plans (Appendix B) for consideration.
- 2.9 “Bradford South Locality Plans and Ward Plans 2022 – 2025” (Document F) were considered by Bradford South Area Committee at its meeting held on 8 September 2022. This meeting was not concluded and immediately adjourned following the news of Her Late Majesty Queen Elizabeth II. This report will be presented and concluded at the next Bradford South Area Committee meeting on Thursday 29 September 2022.

3. OTHER CONSIDERATIONS

- 4.1.3 Officer support for co-ordination to take forward the Locality and Ward Plans will be provided by the Bradford South Area Co-ordinator’s Office.
- 4.1.4 The Bradford South Locality and Ward Plans 2022 – 2025 are used to inform the budget-setting processes and service-planning throughout the authority and partners.
- 4.1.5 The Bradford South Locality and Ward Plans 2022 – 2025 have been developed with and will be shared with key service-providers such as the Police, Health, social housing landlords and community organisations to request that these Plans be used to inform their own priority-setting processes.
