Subject: RE: Variation - Top Market European Food Store

Good morning

I would like to oppose this application.

Local residents are constantly complaining of ASB around the shop. Mainly by drunkards, who are fighting and shouting. As well as urinating on people's properties.

For these reason's I am against this application to increase opening times to 24 hours.

Kind regards

Cllr Talat Sajawal
c/o City Hall
Bradford

Subject: 534-538 Little Horton Lane

Hi All

I wish to object to the licensing application for Top Market European food Store, 534 - 538 Little Horton Lane BD5 0PA, the market has current license to sell alcohol between 07.00 - 00.00, they have applied for 24 hours licensing and this is going to cause many issues for the local residents as they current face many issues under current license.

My objections are on the grounds of prevention of crime and disorder, public safety and prevention of public nuisance, currently people purchasing alcohol from the market leave empty cans and bottles and also break glass bottles after consumption and leave little and dangerous broken glass, cause nuisance and anti-social behaviour.

We currently have another Market up the road which is 24 hours and does sell alcohol, which does cause issues too to give permission to another one 200 yards away will cause more issues in the area.

I am therefore objecting to the application and attach a petition which was passed on to me as local councillor by local residents living around the Market.

Please see attached, Could you please add these names and addresses to the objectors list. I would appreciate if you can send an email back to confirm receiving my email and the petition.

Councillor Taj Salam (he/him)

Little Horton Labour

Mob: [REDACTED]

c/o City Hall

Bradford

11-9-22

As a community of Little Horton Lane we feel we are being let down by The Bradford council licensing team as no consideration is being considered for the 'local community' in regards to businesses being opened 24 hours on this road.

Mr Tango Omar of Top Market Supermarket 534 -538 Little Horton Lane Bradford has put in an application for 24 hours opening 7 days a week for supply of alcohol by retail. We as a community and neighbourhood feel our voice is not being heard enough as we have had problems in the past highlighted to our local councillor Mr Taj Salam which feel like the council has totally disregarded Taj Salam and not looked into it throughly.

If you have a close look into this road you have granted 24 hour license just 200 yards away up the road (24 Hour Market), and now another location which was formerly Khawaja Poultry which is another 200 yards up the road is being seen to open a Euro Supermarket 24 hours. Within 1/5 a miles there will be 2 24 hour shops so is there need for a 3rd shop? i feel where is the rights for the individuals of the area.

Litter is a big problem on Little Horton Lane as a lot of the business are opening at sociable hours and customers are just eating, drinking and dumping which then is getting blown about all over the local area. Photographic evidence of this has been provided to the local councillor previously.

We have had customers from the shop urinating on the side of the shop whilst kids and families are going about on their daily routines, we have had unsoicable drinking outside the shop as well as littering occurring a lot more since the shop has opened.

There is clear evidence of loose beer and glass alcohol bottles being smashed on the side road (Nurser Lane), on this road there is a lot of noise occurring which is affecting the locals who live close by. This is a residential area where people try to live and go by their day to day duties but find it difficult with all the commotions and drunks wondering around.

We as a local community strongly object to the application made for a 24 hour licence for this shop as there is one 200 yards up the road so do you really think we need another?

The following page is the name, address and reason why each individual from the local community object to the application.
