1. SUMMARY

A Temporary Event Notice has been served for the sale of alcohol, provision of regulated entertainment and the provision of late night refreshment (from 23.00) for a proposed event to be held at Mansion 34, 34 Manningham Lane, Bradford, BD1 3EA. The proposed dates and times of the event are:

26 to 27 November 2022 from 21.00 to 03.00 hours

The Environmental Health Officer has submitted an objection notice to the Temporary Event Notice.

2. BACKGROUND

2.1 The premises user

Mr Mario Guman.

A copy of the notice is attached at Appendix 1.

2.2 Counter notice received

Environmental Health

The Environmental Health Officer has submitted a notice objecting to the proposed event on the grounds of prevention of public nuisance and prevention of crime & disorder, due to complaints of noise and anti-social behaviour when events have been held at the premises.

In light of the complaints that have been made, the EHO objects to the Temporary Event Notice.

A copy of the Environmental objection notice is attached at Appendix 2.

The premises is not licensed, therefore there are no conditions which could be attached to the Temporary Event Notice.

3. OTHER CONSIDERATIONS

3.1 The Licensing Act 2003 facilitates the holding of temporary events at premises that are not otherwise licensed for licensable activities. Proposed events must involve no more than 499 people at any one time. There are also limits on the number of temporary events that can take place at any premises or can be organised by a premises user in a calendar year.

3.2 The Police and Environmental Health can object to a temporary event notice where they believe that allowing the event would undermine the licensing objectives. The Police and Environmental Health have 3 working days from receipt of the notice to

serve an objection notice specifying the relevant issues.

- 3.3 On receipt of a valid objection notice from the Police or Environmental Health, the Council must hold a hearing to decide whether to uphold the relevant objection. The hearing must take place at least 24 hours before the event.

If the objection notice is upheld, the Council can serve a Counter Notice preventing the event from taking place. If the objection notice is not upheld the event can take place without further formality.

Article 6 - A procedural right to a fair hearing. As a counter notice preventing the event is an option, adherence to the Panels' usual procedure of affording a hearing to the premise user is very important. If the decision is to issue a counter notice, then reasons must be given.
