1. SUMMARY

The Council, working with partner agencies, is undertaking work to strengthen its approach to Locality Working. A key part of that approach is the development of Locality Plans. This report presents a draft of the Shipley Locality Plan 2022-25, which includes the six Ward Plans for the Executive's approval.

2. BACKGROUND

- 2.1 The vision for the Strengthening Locality Working approach is to build safe, strong and active localities where citizens and local leaders are empowered to work alongside public agencies and partners to address local needs and issues. Working collaboratively and creatively, they utilise local assets, resources and opportunities to enhance community capacity and tackle inequalities. People are at the heart of service design and delivery, and experience coordinated support within their localities and only need to tell their story once. A stronger focus on prevention and early help promotes better outcomes for local people and helps reduce the need for statutory interventions wherever possible.
- 2.2 To achieve the vision the project advocates a stronger role for Bradford Council and its partners as a leader and place shaper, aligning delivery and resources, renewing emphasis on the role of Area Committees and supporting local councillors in their capacity as democratic champions.
- 2.3 A previous report entitled "Locality Working Review" (Document 'H') was considered by Shipley Area Committee at its meeting held on 6 July 2022, set out this approach in more detail.
- 2.4 Further work has been undertaken with District Councillors and partner agencies to develop 'Actions, Outcomes and Indicators' for each of the 18 priorities and to develop the six Ward Plans.
- 2.5 This report presents the draft Shipley Locality Plan 2022-25 (Appendix A) for consideration by the Executive. Changes can be made at any time throughout the duration of the plan, subject to the approval of the Shipley Area Committee.
