

Shipley Locality Plan 2022-25

Developed and delivered in partnership with local councillors, partner agencies, voluntary, community and faith organisations and residents.

ShIPLEY Locality (ShIPLEY Constituency Area)

The ShIPLEY Locality is a fantastic place to live, work and visit, boasting truly inspirational countryside and plenty of historical and cultural sites of interest. The Locality spans the Aire and Wharfe, river valleys, and contains many thriving and lively settlements which are enhanced by the surrounding fertile farmland, woods and barren moorland on the hilltops.

The market towns of ShIPLEY and Bingley are focal points for shopping, leisure and public services. There are many other significantly sized settlements with their own shopping and leisure outlets including Baildon, Bolton Woods, Burley in Wharfedale, Cottingley, Crossflatts, Cullingworth, Denholme, Eldwick, Esholt, Harecroft, Gilstead, Harden, Menston, Micklethwaite, Saltaire (with World Heritage status), ShIPLEY, Wilsden, Windhill, Wrose and surrounding areas.

There are plans to further develop these urban spaces. ShIPLEY is in receipt of a multi-million pound Town's Fund. There is also a bid to the Levelling Up Fund which could include transforming Bingley Pool into an attractive, modern leisure facility and also an arts trail link to Myrtle Park and new landscaping, seating, lighting and a modern cover for the market square.

The ShIPLEY Locality is great for active travel with good rail links to other towns and cities from its seven railway stations. There has also been recent investment in two traffic free cycle ways along the Leeds Liverpool Canal and the along the side of Canal Road to Bradford City Centre. For walkers there are many low and traffic free routes taking in the towns, villages, parks and open countryside.

The parks within the Shipley Locality are of an exceptional standard. These include the ever impressive St Ives Estate, the Green Flag awarded Robert's Park, Myrtle Park and many other outstanding well used local parks and green spaces.

Shipley Locality experiences relative financial prosperity, when compared with other Bradford areas, this relative prosperity also impacts positively on the health and wellbeing of Shipley residents evidenced by high life expectancy.

However, the relative prosperity of the Locality is not universally shared by all residents. Windhill and Wrose Ward, along with pockets of poverty scattered over the Locality, stands out as experiencing significantly lower levels of prosperity identified by lower income levels, lower education attainment and poorer health and wellbeing. There are also sections of the population experiencing poverty and additional needs. Shipley has a large number of children who are being looked after by different arrangements, including fostering, adoption and children's homes. Many of these children have had very challenging starts to life. There are also high numbers of ageing people who have additional wellbeing, care and health needs.

The Shipley Area has many strengths including many Town and Parish Councils and a thriving voluntary, community and faith sector. These helped for example Burley in Wharfedale receive the Alzheimer's Society's national award for the Dementia Friendly Community of the Year. These strengths will help when addressing emerging new challenges. Close collaborative working with partners in the public, private and community sector collaboratively will be key to delivering the best outcome for all our communities.

Metropolitan District

Localities

Wards

Neighbourhoods

There are 3 important levels at which decisions are made across Bradford; District, Locality and Ward. Sub-ward level neighbourhoods exist through a more informal arrangement.

Locality:

The physical geographies in which locality working is delivered; primarily the 5 constituencies of Keighley, Shipley, Bradford West, Bradford East and Bradford South. Also known as an 'Area'.

Ward:

An administrative division of a locality that elects and is represented by 3 ward councillors. There are 6 wards per locality and 30 wards in total.

Neighbourhood:

At sub-ward level, residents may identify with a particular neighbourhood e.g. Harden. This is a more informal local structure.

Prevention:

Preventing or delaying problems from arising in the first place so that everyone across the Bradford District – whatever locality they come from – can live a long, healthy, and full life.

Early Help:

Tackling problems head-on as soon as they emerge, intervening early before problems escalate.

5 About the Locality Plan

What is the plan?	Why have one?	How did we develop it?	How do we deliver it?	Who's involved?
<ul style="list-style-type: none"> • A working document for what we want to achieve to create as good a quality of life as possible for the people living here. • It includes information about our strengths, needs and issues and informs our key local priorities. • Some priorities are relevant to the whole of Shipley while others are ward specific. 	<ul style="list-style-type: none"> • It will focus our attention on the key strengths and challenges in Shipley and help address them. • It focusses on prevention and early help, so that everyone can live a long, healthy and full life. • It makes sure that what we do locally is aligned to the bigger plans for the whole Bradford District. 	<ul style="list-style-type: none"> • We used the latest local data and intelligence. • We heard from a wide range of local voices including Cllrs, residents, colleagues in our partner agencies and in voluntary, community an faith organisations. • A public perception survey was used and the Plan has been agreed by the Area Committee. 	<ul style="list-style-type: none"> • Now we know our key priorities, we can develop a detailed action plan to help us deliver them. An action log will help us track positive impact and helps make sure everybody involved knows what else we need to do. • The Area Committee monitors the plan to make sure we're making progress. 	<ul style="list-style-type: none"> • Everybody living in Shipley can make a difference! • Local services and organisations will all work together with local people and communities to address our key priorities.

What are the Bradford District Priority Outcomes (2021-25)?
 Better Skills, More Good Jobs and a Growing Economy; Decent Homes, Good Start, Great Schools; Better Health, Better Lives; Strong, Safe and Active Communities; and a Sustainable District.

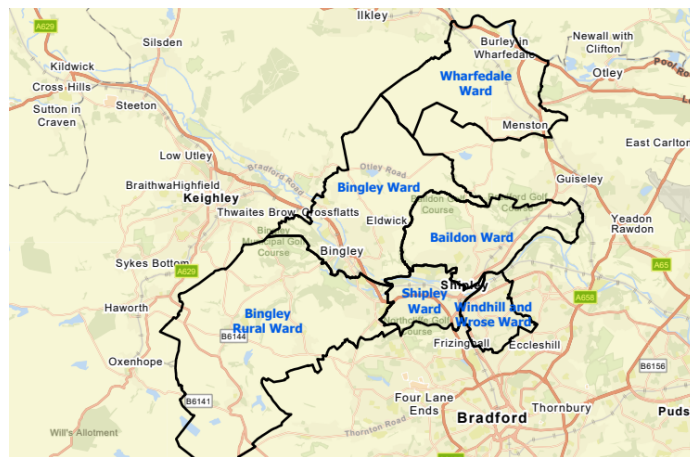

Shipley Locality Today

The Shipley Locality covers a diverse area including Shipley and Bingley town centres. We take in urban, suburban and rural, residential and industrial and include well known locations such as:

St Ives, Myrtle Park, Roberts Park & Saltaire

Over the past 5 years the proportion of people of working age is falling and the transfer seems to be mainly to retired people.

8 Foreword

ShIPLEY Locality Plan

- The Shipley Locality Plan (2022-25) *has developed* during a period of unprecedented challenge and uncertainty as we continue to work alongside residents, communities, and local partners to tackle Covid-19 and its effects on our communities.
- The response and support by individuals, communities and local partners across the Shipley constituency during the Pandemic has been phenomenal.
- The residents of the Shipley area towns and villages that make up the constituency, have truly demonstrated that **People Can** make a difference, highlighting key strengths and further potential.
- We want the Shipley Locality Plan to be ambitious and forward thinking. Our vision is to a build safe, strong and active communities where local voices are heard and citizens are empowered to work alongside public agencies and partners to address the needs and issues of the locality. We will concentrate on **our strengths and assets** to enhance **community capacity tackle inequalities and address the climate emergency**.
- It is important that we focus on **prevention** as well as **intervening early** when problems do emerge so that everyone can live a long, healthy, and full life.
- We understand that Shipley forms an important part of wider **plans for the District**. This is why we have aligned our locality wide and ward specific priorities to the **District Priority Outcomes**: Better Skills, More Good Jobs and a Growing Economy, Decent Homes, Good Start, Great Schools, Better Health, Better Lives, Strong, Safe and Active Communities, and a Sustainable District.

This plan is everybody's business!
To make a significant positive difference in the
Shipley Area, we need everybody to get involved.
