# Better Skills, More Good Jobs and a Growing Economy

## Locality Priorities

1. Reduce levels of unemployment and of employees at risk as a result of the pandemic
2. Improve employment opportunities for young people, including more apprenticeships
3. Improve access to upskilling and retraining opportunities

# Better Skills, More Good Jobs and a Growing Economy

## Actions, Outcomes and Indicators

### Actions

1. Understand the opportunities and processes that exist for ensuring that all District-wide growth initiatives address the specific needs of the Keighley Locality and work to strengthen these as necessary.
2. Work to better match the opportunities available to the skills of young people, including work with schools and Keighley College. Work with 'The Vibe' (DWP/Youth Service partnership) at Parkwood to promote opportunities for young people.
3. Work with partners, including Keighley College, Keighley BID, Keighley Made, and Social Enterprises to explore how access could be improved.

### Outcomes

1. Stronger involvement in District-wide growth initiatives by representatives able to voice the concerns and issues faced by the Keighley Locality.
2. More employment and apprenticeship opportunities available to young people
3. Improved access to upskilling and retraining opportunities

### Progress

1. Attended walkabout and ensured that visiting consultants observed specific areas of opportunity and need in the locality. Awaiting further info from Economic Develop as to progress of Towns Fund and levelling up. Due to attend the 20 year development planning board.
2. Held several conversations with the Vibe which was successfully launched in late 2022. Plans to support outreach work with collaboration alongside youth service.
3. The Business & Intellectual Property Centre has partnered with local libraries, including Keighley Library, in West Yorkshire to bring free business support and inspiration. Northern Business max accelerator programme active early 2023. Keighley Progressing towards becoming a social enterprise town.

## Locality Priorities

1. Improve and maintain the quality of private-rented and social housing, and empower tenants to address issues
2. Improve housing accessibility to enable more independent living for older people and people with disabilities
3. Ensure that new house building includes affordable homes that are accessible to young people

# Decent Homes

## Actions, Outcomes and Indicators

### Actions

1. Set up a Locality-wide partnership of Registered Social Landlords, representatives of the private-rented sector and tenants groups to work together to address issues.
2. Work through the partnership to identify specific accessibility issues and ways these can be improved. Include work with voluntary organisations.
3. Work with the Council's Local Plan team and Local Councils' that have Neighbourhood Plans on what action can be taken. Work with Shelter and other organisations campaigning for more affordable housing for young people.

### Outcomes

1. More people living in decent homes and more tenants/residents actively engaging in housing issues/initiatives.
2. More people, particularly older people and people with disabilities, living in housing with improved accessibility.
3. More young people having access to affordable housing

### Progress

**Housing reps meeting** – Meeting held with housing options and CBMDC private sector housing with wider meeting and development of working group planned;

**Design Code** - attended meetings and sessions on Design Code and built relationships with officers involved in 'Design Code' consultations to be involved in shaping future housing development and planning stipulations; we will be supporting officers, alongside district wide staff, with focus groups particularly for those with disabilities and younger people.

**Young people's Housing** - We have made contact with Centrepont to develop links with their organisation locally and explore support for young people via Keighley's VIBE group.

**Neighbourhood Planning** –supporting Keighley Town Council's Neighbourhood Planning process.

**Homelessness** – links made with Homelessness and at risk prevention team (HAARP), part of Project 6 offer locally; support and promotion of their work;

## Locality Priorities

1. Improve levels of development for children at Early Years Foundation Stage
2. Enhance partnership working and communication between all schools and colleges and with wider agencies
3. Increase opportunities for hearing and acting on the voice of children and young people, particularly in respect of decisions that affect their lives

# Good Start, Great Schools

## Actions, Outcomes and Indicators

### Actions

1. **Start for Life** – this is a 3 yr, government led programme, aimed at providing seamless support for families where they can access the information they need at the time that they need it.
2. The primary focus for enhancing partnership working will be through **Keighley Schools Together** and working together on the **Act Locally** programme focused on Keighley Central ward.
3. This priority will be acted on through the work of the **Youth Offer Groups**, the **Youth Summit**, work on the development of the **Family Hub** at the Rainbow Centre and work towards becoming a **Child Friendly District**.

### Outcomes

1. More children have improved levels of development at the Early Years stage
2. Improved communication and partnership working between all schools and colleges and other partner agencies is having a positive impact on the lives of children, young people and their families.
3. The voice of children and young people is being heard and acted upon by those involved in making decisions that affect their lives which is having a positive impact on them, their families and the communities they live in.

### Progress

1. The Family Hub works to develop children in Early Years through the School 2 School programme with Access and Take Up workers improving the take up of the 2 yr childcare offer.
2. Early Help Co-ordinators support a wide range of partners to take on the role of Lead Practitioner to work with the whole family at an early help stage. They are linked to every school and childcare setting in the Locality.
3. The Keighley and Ilkley Youth Offer groups are meeting on a three monthly basis. A youth voice strategy has been agreed and is now being put into practice. There is a collective ownership of the way forward and a commitment that young people need to be at the centre of shaping activity and services for them.

## Locality Priorities

1. Increase access to timely and inclusive support for healthy lifestyles choices
2. Improve access to mental and physical health support
3. Improve access to services for people with physical and learning disabilities

# Safe, Strong and Active Communities

## Locality Priorities

1. Increase opportunities for resident and community engagement, participation and volunteering
2. Celebrate community strengths across the Keighley Locality and promote a sense of local pride
3. Reduce levels of Anti-Social Behaviour and drug-related crime

# Safe, Strong and Active Communities

## Actions, Outcomes and Indicators

### Actions

1. Promote the 'People Can' and 'Citizen Coin' initiatives and the work done by Keighley & District Volunteer Centre and similar schemes in our towns and villages. Conduct an annual 'Perception Survey'. Hold an annual 'Youth Summit'.
2. Establish ward-based work which is asset/strengths based and which celebrates 'what's strong' in our neighbourhoods, rather than focussing on 'what's wrong'. Promote the District-wide 'Community Stars Awards'.
3. Establish the work of 'Keighley Together' and share learning and good practice from this across the Locality. Build confidence in the community in reporting ASB and crime and work with schools to increase young people's aspiration and ambition.

### Outcomes

1. Users of voluntary services and local communities benefit from an increase in people engaging and volunteering. More people experience the benefits of volunteering and participating in community activities.
2. Local communities benefit from more community-led action and initiatives which connect the assets within the community and lead to an increase in community pride and more sustainable positive improvements in those communities.
3. Residents are aware of the action that is being taken to address ASB and drug-related crime and feel more confident to report their concerns. More people are engaged in positive action in their community.

### Progress

**Citizen Coin** - meeting including stronger communities team, to map out two Citizen Coin promotion days in March 2023 with a view to increasing numbers of awarding agents, and locations where coins can be 'spent'.

**Community asset mapping and ABCD work** – Area Office colleagues and partners trained in ABCD approaches; community asset mapping and engagement in Braithwaite ongoing; various community led events in wards such as Christmas Bauble project, Eid celebrations, Pride events in Ilkley and Keighley, warm spaces.

**Community Stars** – obtained baseline data on referral sources, nominees, referrers with a view to improving local interest in the awards and celebrating more of Keighley's stars.

**Keighley Together** – Work happening at neighbourhood level in target areas to build aspirations through community led and co-designed work in line with the aims of Keighley Together;

Everybody in the Keighley locality can make a difference!  
Here are a few ideas....

## Connect

- Meet your ward councillors (via email, phone, in person at their surgeries)
- Get to know your Area Co-ordinator's Office team and their Ward Officers and Assistant Ward Officers

## Have your say

- Share your ideas through resident and community consultation
- Attend Area Committee, learn about key plans and ask questions
- Vote in local elections

## Get involved

- Volunteer in your area (lots of opportunities can be found [here](#))
- Be neighbourly
- Choose sustainable, active travel options
- Community action e.g. Dementia friendly communities, litter picks
