

Worth Valley Good New Stories

Better Skills, More Good Jobs and a Growing Economy

Christmas in Haworth- This annual event is run by a group of local traders who are keen to encourage people to spend locally and in doing so, support local businesses. The 2022 events were a huge success attracting over 13,000 people over the four weekends and including light switch on, torch light procession, musica, nativity and artisan market.

Decent Homes

Eating and Heating—In September 2022 the council supported an event in partnership with the local churches and the local medical practice to explore how residents in Haworth could be best placed to support themselves and their neighbours through the Winter months with increasing energy costs. Participants discussed how energy efficiency measures could be practised in their own homes, exploring the use of a Hay box for cooking!

Safe, Strong and Active Communities

Ask for Angela

Area Office colleagues visited a list of licensed premises in Haworth to promote the "Ask for Angela" campaign. The scheme is intended to increase safety for customers in pubs and bars. Staff at premises were very positive and some took up the offer of completing the online training further to the visits. A couple of premises were already implementing the scheme.

“Hi I’m Angela”

If you go to the bar and ask for “Angela” the bar staff will know you need some help getting out of your situation and will call you a taxi or help you out discreetly - without fuss

A Sustainable District

Operation Oakworth- This group from Oakworth take pride in carrying out regular litter picks across their area. They loan litter pickers & equipment from CBMDC to clear up the road sides & verges in and around Oakworth. The group bring a real sense of togetherness to the village besides being united to keep their neighbourhood clean.
