Re: Premises Licence at 9 Barry Street, Bradford, BD1 2AL

Dear Sirs

I wish to object in the strongest possible terms to the application from Stand Firm Promotions for a premises Licence for the supply of Alcohol and entertainment between the hours of 23.00 to 08.00 Monday to Sunday.

The premises have had a long history with stabbings, violence, sexual assaults, public order offences and the blocking of traffic on Barry Street to name a few.

I own the residential apartments directly opposite and my tenants are extremely concerned especially with the late-night noise and the anti-social behaviour as most of them have children who need to be up in the morning for school. The hours of operation being proposed 11pm to 8am seven days a week seems ridiculous.

The previous operators of this site were called "Tipple entertainment" and it was almost hell every single weekend. The police were called out almost every single weekend and I think the previous license was revoked.

In view of the above, I would urge the Licensing committee to refuse the application.

Yours faithfully

[REDACTED]
