Subject: Booze Master 284 Leeds Rd BD18 1DZ

I'm am emailing to give my unbiased opinion on the issue concerning Booze Masters license. I strongly believe that this establishment should sustain their license and therefore stay open. They house a very comfortable environment and the customer service is immaculate, what I like about Booze Master is that I can come late especially since that most of the other shops in the area are closed. The owner is a great friend to the community and is very professional in his line of work. My family live close to this area and I go there for most of my daily shopping.
