**Subject:** Premises Licence: Trading Standards Jimmy Stores, 97 Great Horton Road, Bradford, BD7 1PS

To whom it may concern

I write in my capacity as local ward councillor to forward my serious concerns regarding the ASB taking place on a daily basis at the above stated premises.

The ASB and issues around illegal sale of tobacco and gas for use in balloons has been raised several times by residents and their concerns for anti social drinking due to these premises which run into the early hours.

I would be grateful if my serious concerns can be noted.

I am currently away and as I don't have access to my official council emails, I am sending this on my personal email.

Regards

Cllr Nazam Azam

Dear sir/madam

I've just seen the notice for this application and we are totally unhappy with this request for licence to sell alcohol etc. This will further add to the antisocial behaviour in this area. It will attract all the vulnerable people who will easily succumb to the pressures (we have a high level of people with mental issues in this area).

We will have extra parking/noise/drunkards and antisocial behaviours. We the residents will suffer from this. In addition, there are number of other shops that have a license to sell alcohol - is there a need for more?

The residents in this area are unhappy with these kind of applications as it will attract a lot of antisocial behaviours, it will compromise the safety and wellbeing. We are hoping that this application is declined.

Kind regards,

■

**Subject:** Jimmy Stores, 97 Great Horton Road, Bradford, BD7 1PS / Mr Taha Ali Said Prevention of Crime and Disorder objective - sales of

Dear Sir/ Madam,

I write to you as the resident for the area that the above premises is part of. I would like to object to the this premises having a licence for alcohol and tobacco sales. This shop is known for selling illegally smuggled tobacco, alcohol and gas canister that they use in balloons. it attracts drug addicts and children as it's main customers and is subject disorderly conduct around the area as a result of the irresponsible practices of this business.

The council has a duty to ensure it's actions do not result in a public health risk and it is failing in its duty to protect the public by issuing licences to irresponsible businesses such as this business. I respectfully ask that the licence is revoked with immediate affect.

Kind Regards
