The report covers a range of areas, including efforts to improve outcomes for at-risk adults, case reviews, safeguarding training, performance quality assurance, and progress against priorities. By providing a transparent assessment of multi-agency safeguarding activity, the report aims to demonstrate the strength of the safeguarding arrangements in the Bradford District. The report is presented on behalf of the three statutory safeguarding partners, the Local Authority, West Yorkshire Police, and Integrated Care Board, who are jointly responsible for the safeguarding partnership arrangements.

2. BACKGROUND

- 2.1 The Bradford Safeguarding Adults Board (BSAB) is legally required to complete an annual report under the Care Act 2014. The Act requires local authorities and their partners to work together to set up Safeguarding Adults Boards to oversee and coordinate safeguarding activities in their areas.
- 2.2 The annual report is an essential component of the Board's statutory responsibilities. It helps ensure that all partner agencies are accountable for their safeguarding activities and that there is transparency in how those activities are carried out. The report provides an opportunity for the Board to evaluate the effectiveness of its safeguarding arrangements and initiatives, identify any gaps in service provision, and set priorities for future action. By sharing this information with the public and stakeholders, the Board can promote transparency, build trust, and demonstrate its commitment to safeguarding adults at risk of abuse and neglect. Moreover, completing an annual report enables the Board to demonstrate its accountability to the public and its partners by showing how it has used its resources and fulfilled its obligations over the reporting period.
- 2.3 The BSAB annual report 2022/23 provides a comprehensive overview of the Board's strategic vision, outcomes, and priorities. By outlining these key elements, the report helps ensure that all partner agencies are aligned and working towards safeguarding adults at risk of abuse and neglect. Additionally, the report serves as a reminder of the BSAB's responsibilities and the important role that each partner agency plays in achieving its objectives.
- 2.4 In addition to outlining the strategic vision, outcomes, and priorities, the annual report provides information on the internal structures and governance that hold partner agencies accountable. By providing this information, the report helps to promote transparency and ensure that all partner agencies are working collaboratively towards the same goal of safeguarding adults at risk.
- 2.5 The BSAB annual report includes information on the achievement of its sub-groups, which are responsible for delivering specific areas of work. This information provides key insights into the BSAB's activities and initiatives and the emerging challenges and risks that partner agencies face. By identifying these challenges and risks, the BSAB can work to address them proactively and ensure that

safeguarding remains a priority.

- 2.6 Finally, the BSAB annual report 2022/23 includes information and learning on Safeguarding Adults Reviews (SARs) and performance data collected throughout the reporting period. This information provides a comprehensive overview of the Board's activities and initiatives and its performance in achieving its objectives. By sharing this information, the report promotes accountability and transparency, enabling the Board to demonstrate its commitment to safeguarding adults at risk of abuse and neglect.

cooperation and communication between these entities, sharing knowledge, resources, and best practices to mitigate identified risks effectively. BSAB & CSP intend to explore overlapping areas of responsibility. Continued opportunities may exist to refine roles or develop joint strategies for more impactful community safeguarding.

7.32 The Serious Violence Duty will require local authorities, the police, fire and rescue authorities, specified criminal justice agencies and health authorities to work together to formulate an evidence based analysis of the problems associated with serious violence in a local area, and then produce and implement a strategy detailing how they will respond to those particular issues.
