

Keighley Locality Plan 2022-25

Progress update: April – September 2023

Keighley Locality Priorities

Bradford District Priority Outcomes 2021-25	Keighley Locality Wide Priorities 2022-25
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none">1. Reduce levels of unemployment and of employees at risk as a result of the pandemic2. Improve employment opportunities for young people, including more apprenticeships3. Improve access to upskilling and retraining opportunities
Decent Homes	<ol style="list-style-type: none">1. Improve and maintain the quality of private-rented and social housing, and empower tenants to address issues2. Improve housing accessibility to enable more independent living for older people and people with disabilities3. Ensure that new house building includes affordable homes that are accessible to young people
Good Start, Great Schools	<ol style="list-style-type: none">1. Improve levels of development for children at Early Years Foundation Stage2. Enhance partnership working and communication between all schools and colleges and with wider agencies3. Increase opportunities for hearing and acting on the voice of children and young people, particularly in respect of decisions that affect their lives
Better Health, Better Lives	<ol style="list-style-type: none">1. Increase access to timely and inclusive support for healthy lifestyles choices2. Improve access to mental and physical health support3. Improve access to services for people with physical and learning disabilities
Safe, Strong and Active Communities	<ol style="list-style-type: none">1. Increase opportunities for resident and community engagement, participation and volunteering2. Celebrate community strengths across the Keighley Locality and promote a sense of local pride3. Reduce levels of Anti-Social Behaviour and drug-related crime
A Sustainable District	<ol style="list-style-type: none">1. Improve waste management behaviour, including increasing recycling rates and reducing fly-tipping2. Promote and support local action towards a cleaner and greener environment, including litter picking and community growing initiatives3. Work with local communities to promote more sustainable and environmentally friendly lifestyles

Better Skills, More Good Jobs and a Growing Economy

Locality Priorities

1. Reduce levels of unemployment and of employees at risk as a result of the pandemic
2. Improve employment opportunities for young people, including more apprenticeships
3. Improve access to upskilling and retraining opportunities

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Indicators

Actions

1. Understand the opportunities and processes that exist for ensuring that all District-wide growth initiatives address the specific needs of the Keighley Locality and work to strengthen these as necessary.
2. Work to better match the opportunities available to the skills of young people, including work with schools and Keighley College. Work with 'The Vibe' (DWP/Youth Service partnership) at Parkwood to promote opportunities for young people.
3. Work with partners, including Keighley College, Keighley BID, Keighley Made, and Social Enterprises to explore how access could be improved.

Outcomes

1. Stronger involvement in District-wide growth initiatives by representatives able to voice the concerns and issues faced by the Keighley Locality.
2. More employment and apprenticeship opportunities available to young people
3. Improved access to upskilling and retraining opportunities

Progress

1. Helped to shape the Development Framework for Keighley; ensuring consultants understood the locality and facilitating a broad representation of opinions during the initial consultation. Wider public engagement due for Autumn 2023.
2. Keighley Vibe running as an ongoing success across locality. Working to develop stronger voice and influence amongst young people in partnership with all youth offer organisations. Working alongside Keighley Creative to develop a better understanding of opportunities for young people from local manufacturing firms.
3. Working with invest in Bradford initiative which houses several funding and support schemes for startups and business in locality. Finalising arrangements for advice drop-in session. Keighley Bid ready to go to ballot in Autumn 2023.

Locality Priorities

1. Improve and maintain the quality of private-rented and social housing, and empower tenants to address issues
2. Improve housing accessibility to enable more independent living for older people and people with disabilities
3. Ensure that new house building includes affordable homes that are accessible to young people

Decent Homes

Actions, Outcomes and Indicators

Actions	Outcomes	Progress
<p>1. Set up a Locality-wide partnership of Registered Social Landlords, representatives of the private-rented sector and tenants groups to work together to address issues.</p> <p>2. Work through the partnership to identify specific accessibility issues and ways these can be improved. Include work with voluntary organisations.</p> <p>3. Work with the Council's Local Plan team and Local Councils' that have Neighbourhood Plans on what action can be taken. Work with Shelter and other organisations campaigning for more affordable housing for young people.</p>	<p>1. More people living in decent homes and more tenants/residents actively engaging in housing issues/initiatives.</p> <p>2. More people, particularly older people and people with disabilities, living in housing with improved accessibility.</p> <p>3. More young people having access to affordable housing</p>	<p>Housing reps meeting – Meeting held with housing options and CBMDC private sector housing; Partnership meeting held with reps from social housing providers, Keighley Well-being hub, CMBDC private sector team, KACO, other relevant agencies. to explore working together, developing offer for Keighley, reviewing priorities; second meeting planned with additional stakeholders identified such as Aging Well Bradford.</p> <p>Design Code - attended meetings and sessions on Design Code and built relationships with officers involved in 'Design Code' consultations to be involved in shaping future housing development and planning stipulations; we shared information on focus groups particularly for those with disabilities and younger people.</p> <p>Neighbourhood Planning –supporting Keighley Town Council's Neighbourhood Planning process; promoting engagement sessions happening across the constituency.</p> <p>Sustainable housing and Energy Efficiency– links made to Council Officer involved in sustainable housing schemes;</p> <p>Theme leads link up – meeting with other locality theme leads to share good practice, contact information and where relevant working together.</p>

Decent Homes

Actions, Outcomes and Indicators

Actions	Outcomes	Progress
<p>1. Set up a Locality-wide partnership of Registered Social Landlords, representatives of the private-rented sector and tenants' groups to work together to address issues.</p> <p>2. Work through the partnership to identify specific accessibility issues and ways these can be improved. Include work with voluntary organisations.</p> <p>3. Work with the Council's Local Plan team and Local Councils' that have Neighbourhood Plans on what action can be taken. Work with Shelter and other organisations campaigning for more affordable housing for young people.</p>	<p>1. More people living in decent homes and more tenants/residents actively engaging in housing issues/initiatives.</p> <p>2. More people, particularly older people and people with disabilities, living in housing with improved accessibility.</p> <p>3. More young people having access to affordable housing</p>	<p>Room In The Roof - Funded by CBMDC and partnered with Eclipse Energy, delivered 'room in the roof' insulation measures to 119 homes which were predominantly in Keighley - https://www.bradford.gov.uk/browse-all-news/press-releases/residents-invited-to-come-forward-for-free-insulation-scheme/</p> <p>As part of Phase 3, a further 588 properties are due to receive room in the roof insulation and a further 50 properties with under floor heating measures, District wide, with some of these being in Keighley locality.</p> <p>Promoted funding opportunities – Promoted and supported potential applicants of the combined grant scheme of UK Shared Prosperity Fund (UKSPF), Householder support fund (HSF) and West Yorkshire Mayor's Cost of living Fund (WYCA C of LF) to deliver support to households and individuals to reduce the cost of living. Applications need to meet one or more of the following outputs: Number of households receiving support Number of households supported to take up energy efficiency measures.</p> <p>Young people's Housing - We have made contact with Centrepoint to develop links with their organisation locally and explore support for young people via Keighley's VIBE group.</p> <p>Homelessness – links made with Homelessness and at risk prevention team (HAARP), part of Project 6 offer locally; support and promotion of their work;</p>

Locality Priorities

1. Improve levels of development for children at Early Years Foundation Stage
2. Enhance partnership working and communication between all schools and colleges and with wider agencies
3. Increase opportunities for hearing and acting on the voice of children and young people, particularly in respect of decisions that affect their lives

Good Start, Great Schools

Actions, Outcomes and Indicators

Actions

1. **Start for Life** – this is a 3 yr, government led programme, aimed at providing seamless support for families where they can access the information they need at the time that they need it.
2. The primary focus for enhancing partnership working will be through **Keighley Schools Together** and working together on the **Act Locally** programme focused on Keighley Central ward.
3. This priority will be acted on through the work of the **Youth Offer Groups**, the **Youth Summit**, work on the development of the **Family Hub** at the Rainbow Centre and work towards becoming a **Child Friendly District**.

Outcomes

1. More children have improved levels of development at the Early Years stage
2. Improved communication and partnership working between all schools and colleges and other partner agencies is having a positive impact on the lives of children, young people and their families.
3. The voice of children and young people is being heard and acted upon by those involved in making decisions that affect their lives which is having a positive impact on them, their families and the communities they live in.

Progress

1. The Family Hub works to develop children in Early Years through the School 2 School programme with Access and Take Up workers improving the take up of the 2 yr childcare offer.
2. Early Help Co-ordinators support a wide range of partners to take on the role of Lead Practitioner to work with the whole family at an early help stage. They are linked to every school and childcare setting in the Locality.
3. The Keighley and Ilkley Youth Offer groups are meeting on a three-monthly basis. A youth voice strategy has been agreed and is now being put into practice. There is a collective ownership of the way forward and a commitment that young people need to be at the centre of shaping activity and services for them.

Better Health, Better Lives

Locality Priorities

1. Increase access to timely and inclusive support for healthy lifestyles choices
2. Improve access to mental and physical health support
3. Improve access to services for people with physical and learning disabilities

Better Health, Better Lives

Bradford District and Craven
Health and Care Partnership

Actions, Outcomes and Indicators Keighley Locality

Actions	Outcomes	Progress
<ol style="list-style-type: none">1. Understand what projects/services are established in respect to the priority areas of diabetes, autism, MSK, cancer screening, coronary heart disease, maternal health and better births to reduce health inequalities2. Understand what projects/services are established to improve access to mental and physical health support3. Understand what projects/services are established to improve access to services for people with physical and learning disabilities	<ol style="list-style-type: none">1. Increase access to timely and inclusion support for lifestyle choices, including information ensuring successful work is built on rather than duplicated2. Ensure a system wide approach is undertaken to address health inequalities and to support service users to address their health and physical needs3. Agree, implement and monitor an action plan for the locality, ensuring service user engagement and co-production4. Establish a data dashboard for evaluation of projects/services	<p>Two Health Partnerships operate across Keighley Constituency: Wharfedale & Silsden and Keighley Area Community Partnerships and link to Act As One Programme, Core20PLUS5, Primary Care Networks. Integrating a public health approach into primary care.</p> <p>Wharfedale and Silsden CP covers the areas of Silsden, Addingham, and Ilkley and includes Menston and Burley-In Wharfedale (in the Shipley Locality).</p> <p>Keighley Area CP – Kly West, Central and East and Worth Valley Wards. Priorities: Increase access to timely and inclusive support for healthy lifestyle choices; improve access to mental and physical health support; improve access to services for people with physical and learning disabilities.</p> <p>The Partnerships together support a diverse range of local organisations to deliver on the Health and Well-being agenda. Each Partnership has 2 anchor organisations who enhance local promotion and connectivity. WACA and Modality link with the partnerships promoting clinical care initiatives and programmes e.g. vaccination clinics and support decision making at a local level promoting the health equality agenda and access to local health service and provision.</p>

Agree, implement and monitor an action plan for the locality, ensuring service user engagement and co-production4. Establish a data dashboard for evaluation of projects/services	<p>Each partnership receives funding from Core20+5 to support service provision around health - Maternity, (SMI) Severe Mental Illness, Chronic Respiratory Disease, Early Cancer Diagnosis, Hypertension, Smoking Cessation acknowledging local data, grass roots knowledge and health needs. ABCD Health Funding connected to the partnerships lends support to more local level projects such as health promotion / videos, Eating Well, Family Links and Counselling.</p>

Safe, Strong and Active Communities

Locality Priorities

1. Increase opportunities for resident and community engagement, participation and volunteering
2. Celebrate community strengths across the Keighley Locality and promote a sense of local pride
3. Reduce levels of Anti-Social Behaviour and drug-related crime

Safe, Strong and Active Communities

Actions, Outcomes and Indicators

Actions	Outcomes	Progress
<p>1. Promote the ‘People Can’ and ‘Citizen Coin’ initiatives and the work done by Keighley & District Volunteer Centre and similar schemes in our towns and villages. Conduct an annual ‘Perception Survey’. Hold an annual ‘Youth Summit’.</p> <p>2. Establish ward-based work which is asset/strengths based and which celebrates ‘what’s strong’ in our neighbourhoods, rather than focussing on ‘what’s wrong’. Promote the District-wide ‘Community Stars Awards’.</p> <p>3. Establish the work of ‘Keighley Together’ and share learning and good practice from this across the Locality. Build confidence in the community in reporting ASB and crime and work with schools to increase young people’s aspiration and ambition.</p>	<p>1. Users of voluntary services and local communities benefit from an increase in people engaging and volunteering. More people experience the benefits of volunteering and participating in community activities.</p> <p>2. Local communities benefit from more community-led action and initiatives which connect the assets within the community and lead to an increase in community pride and more sustainable positive improvements in those communities.</p> <p>3. Residents are aware of the action that is being taken to address ASB and drug-related crime and feel more confident to report their concerns. More people are engaged in positive action in their community.</p>	<p>Citizen Coin – Working with Stronger Communities team to plan events for rewarding agencies in October. Encouraging and supporting our community and voluntary partners to attend to enable them to award coins to their volunteers and increase awareness of volunteering opportunities and benefits of volunteering, both personal and community.</p> <p>Community asset mapping and ABCD work – Area Office colleagues and partners trained in ABCD approaches; community asset mapping and engagement in Braithwaite and other neighbourhoods ongoing; various community led events in wards such as clean-ups, Eid celebrations, Pride events in Ilkley and Keighley, warm spaces and gardening initiatives; ABCD Learning circles have taken place with partners to share good practice; A series of community engagement sessions throughout Braithwaite have identified community connectors and work continues to develop community led initiatives – community gardening has been identified by residents as something they have a passion for; Working with the youth service, we are providing opportunities for a youth and community led project for young people in Oakworth, it is important in this project that youth voice is heard and leads the way to develop ideas and empower.</p> <p>Community Stars – obtained baseline data on referral sources, nominees, referrers with a view to improving local interest in the awards and celebrating more of Keighley’s stars. We have worked hard to promote the District Wide Community Stars awards in Keighley locality by sharing with relevant contacts, promoting on social media and considering nominations.</p>

Actions	Outcomes	Progress
<p>1. Promote the 'People Can' and 'Citizen Coin' initiatives and the work done by Keighley & District Volunteer Centre and similar schemes in our towns and villages. Conduct an annual 'Perception Survey'. Hold an annual 'Youth Summit'.</p> <p>2. Establish ward-based work which is asset/strengths based and which celebrates 'what's strong' in our neighbourhoods, rather than focussing on 'what's wrong'. Promote the District-wide 'Community Stars Awards'.</p> <p>3. Establish the work of 'Keighley Together' and share learning and good practice from this across the Locality. Build confidence in the community in reporting ASB and crime and work with schools to increase young people's aspiration and ambition.</p>	<p>1. Users of voluntary services and local communities benefit from an increase in people engaging and volunteering. More people experience the benefits of volunteering and participating in community activities.</p> <p>2. Local communities benefit from more community-led action and initiatives which connect the assets within the community and lead to an increase in community pride and more sustainable positive improvements in those communities.</p> <p>3. Residents are aware of the action that is being taken to address ASB and drug-related crime and feel more confident to report their concerns. More people are engaged in positive action in their community.</p>	<p>Warm spaces – We have provided opportunities for community led action with residents supporting each other through the cost-of-living crisis. This has included supporting residents to work in partnership, giving information, advice and sign posting to support and funding for Warm Spaces across the locality. Many of our warm spaces became welcoming spaces for summer and continue to provide friendly places for residents to meet.</p> <p>Operation Steerside – Officers from WYP Operation Steerside team continue to work in Keighley locality to take action on anti-social vehicle use and related crimes. There have been 35 fixed penalty notices issued in Keighley for PSPO breaches. Where there is a more serious offence committed at the same time, this will be dealt with instead of breach of PSPO. There have been several Steerside days of action and operations which have led to vehicle seizures, sect59 notices issued and prosecutions.</p> <p>People Can – promoting the ethos of People Can, including community led activity, through People Can branding and social media promotion during community engagement, litter picking and other community activities.</p> <p>Keighley Together – Work happening at neighbourhood level in target areas to build aspirations through community led and co-designed work in line with the aims of Keighley Together;</p> <p>Green Flag status for Keighley Parks – Haworth Central Park and Cliffe Castle park have maintained their green flag status with very active 'Friends of' groups supporting staff to enrich both of these parks and achieve these accolades.</p>

A Sustainable District

Locality Priorities

1. Improve waste management behaviour, including increasing recycling rates and reducing fly-tipping
2. Promote and support local action towards a cleaner and greener environment, including litter picking and community growing initiatives
3. Work with local communities to promote more sustainable and environmentally friendly lifestyles

A Sustainable District

Actions, Outcomes and Indicators

Actions	Outcomes	Indicators
<p>All of these priorities will be addressed by taking action at a ward level; trying different ‘test and learn’ approaches in different wards to identify the approaches that have the most impact and to better understand how to tailor our work with communities to help create the biggest impact.</p> <p>Sustainable development should be a cross-cutting priority and principle underpinning all of the action taken in regard to the previous five themes.</p>	<ol style="list-style-type: none"> 1. Cleaner and better looking local environment 2. More households recycling more items 3. More individuals and groups involved in growing food 	<ul style="list-style-type: none"> • A number of local fly tipping hotspots have been identified and Ward officers are working with Environmental Enforcement. To date 23 FPN’s have been issued. • Ward officers working with local communities to identify and develop food growing initiatives. • Community litter picks are regularly being held across the Locality. Wardens and assistant ward officers working with local groups. (Lund Park, Cliffe Castle, Strong Close and many others) • Recycling work completed in the following areas: Showfield, Broster Ave, Merlin Top. Wardens are supporting local initiatives. • Evidence that sustainable development principles have been considered when developing projects and initiatives across all themes of the Locality Plan. • Area Office hosted an Eco Day at Cliffe Castle to showcase the work of over 25 local groups tackling climate change and

Support also provided by Ward Officer and Hainworth Wood Community Centre have been successful in Lord Mayors Fund to provide provision for 8-11 year olds.</p>

Ward Priorities – Keighley West

Bradford District Priority Outcomes	Ward Priorities - Keighley West
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. Support and develop initiatives to increase adult employability and overcome barriers to work 2. Develop initiatives to prepare young people for the world of work through work relevant experience 3. Provide opportunities for people to raise aspirations and learn about various skills/training/employment options
Decent Homes	<ol style="list-style-type: none"> 1. Provide opportunities for tenants to raise issues and empower them to address issues (including youth voice) 2. Develop opportunities for schemes addressing energy inefficiency and struggles with financial management 3. Promote schemes for accessible housing for young people/old people and collaborate with partners and CBMDC departments
Good Start, Great Schools	<ol style="list-style-type: none"> 1. Support Keighley and Shipley family hub in improving levels of development for children in early years including parental support. 2. Support Keighley Schools Together(KST) and promote to local primary schools along with opportunities for holistic learning outside school setting 3. Encourage young people to influence and design activity in their neighbourhoods
Better Health, Better Lives	<ol style="list-style-type: none"> 1. Work alongside partners to improve access to green and blue health (mental, physical and emotional health benefits of proximity to water/green spaces/nature) 2. Support youth services to work with young people on health issues raised by them 3. Promote and signpost people to accessible support services and sessions, and support community organisations as providers of physical and mental well-being resources including preventative approaches
Safe, Strong and Active Communities	<ol style="list-style-type: none"> 1. Celebrate community strengths in local areas and promote a sense of local pride 2. Support from partners to address local police priorities including ASB and drug related crime 3. Encouraging more people to be involved in their local area via volunteering and community engagement
A Sustainable District	<ol style="list-style-type: none"> 1. Collaborate with key partners and residents to promote environmentally friendly and affordable lifestyle changes 2. Increase recycling rates across the ward and improve waste management habits 3. Promote and support local action towards a cleaner and greener environment

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Indicators – Keighley West

Actions	Outcomes	Progress
<ol style="list-style-type: none"> 1. <ul style="list-style-type: none"> • Promote employability initiatives (e.g. Job Clubs) based in the community/neighbourhoods • Support community enterprise - upskilling people in neighbourhoods 2. <ul style="list-style-type: none"> • Support intergenerational work and work experience via youth services, voluntary organisations and other partners • Support wider youth services work • Promote Citizen Coin which provides a social CV 3. <ul style="list-style-type: none"> • Work with partners to deliver employment and job fairs • Work with partners to support and deliver volunteer and skills workshops 	<ol style="list-style-type: none"> 1. <p>Individuals better skilled and more work ready</p> 2. <p>Individuals more prepared for the working environment and working routines</p> <p>Increased and varied skills</p> 3. <p>Individuals more confident and skilled to deal with employers and getting into employment</p> <p>Individuals more skilled to apply for local opportunities</p> <p>Increased aspirations</p> <p>More awareness of options</p> 	<p>Incommunities' Employment Support – Incommunities' Involvement and Employment team continue to support residents to improve employability skills, such as CV writing, job searches, confidence building and more. The Incommunities' Money Matters team also continue to help residents with benefits, debt and bills. These initiatives are supported and promoted by WO/AWO and links continue with local vol orgs such as Sue Belcher Centre and Rainbow Family Hub.</p> <p>Oakbank School – WO/AWO met with staff from the school to strengthen links and explore opportunities for career advice sessions and widen aspirations with pupils. Youth Service also linking with the school with a view to developing work together.</p> <p>St Michael's Lions Den Shed, Bracken Bank – Activities, skill sharing and intergenerational work continues at the Lion's Den Men Shed in Bracken Bank through shared interest in hobbies and activities including woodworking, laser printing, glasswork and more.</p> <p>Probation – A group from Community Payback have been working at Sue Belcher and around Bracken Bank, supporting the community and developing their skills in the process. Some individuals have used their skills to find paid work opportunities.</p> <p>Citizen Coin – ongoing work to develop Citizen Coin for residents and organisations in the ward (and across the District). Stronger Comms colleagues working on the app; Colleagues supported by WO/AWO to identify businesses in the ward as locations to redeem coins; event at Keighley Library for vol orgs to learn more and sign up to Citizen Coin.</p> <p>Youth Service - 10 young people, including several from Bracken Bank, attended a session at Bradford College where they experienced taster sessions in various skills and trades and the YP were very engaged.</p>

Decent Homes

Actions, Outcomes and Indicators – Keighley West

Actions

1. Support neighbourhood walkabouts with social housing providers and partners
 - Promote reporting methods for Social housing providers and private-rented properties
 - Work with social housing providers to look at identifying where more tenants/residents groups could be set up
2. Promote information and signposting around support with financial management
 - Promote energy efficiency schemes, grants and initiatives
 - Develop and promote initiatives in neighbourhoods
 - Work in partnership with Housing providers to review energy efficiency of properties and support upgrades where necessary
3. Gather information and promote schemes and grants that can improve physical accessibility
 - Gather and promote information on schemes and grants to improve financial accessibility
 - Collaborate with CBMDC departments such as Empty Homes team

Outcomes

1. More people living in the same house and not moving – less transiency
Improved pride in home/gardens/local area
More people living in decent homes, physically and in neighbourhoods, socially
More tenants/residents actively engaging in housing issues/initiatives
More tenants and residents groups.
2. More people managing living costs
More households upgrading to energy efficiency measures
More Social housing properties maintained to a decent standard
3. More young people able to access affordable housing
More old people able to access appropriate housing
More people living in decent homes that meet their needs

Progress

Yorkshire Housing Yorkshire Day – Yorkshire Housing officers organised a community fun day in Salisbury Rd area for residents and tenants. Staff from various organisations supported the day including Yorkshire Housing, Manningham Housing, KACO, Youth Service, WYP and Roshni Ghar. Information was provided to support tenants, such as re. damp and mould, as well as opportunities for them to speak to housing officers and staff, and have fun!

Braithwaite Community Engagement – Led by AWO, Housing officers from Incommunities and Places For People, joined with partners including Ward Cllrs and WYP, in a series of community engagement sessions, giving tenants opportunities to report things to their housing providers and Council officers.

Centre Point and Men's Shed – Linked by WO, Centre Point (charity for homeless young people or those at risk of homelessness) worked with Lion's Den Men's Shed to build a vehicle for the Soap Box Derby, also building skills and networks.

Incommunities customer engagement – Incommunities now have a dedicated officer to develop engagement with tenants/customers on policy changes and other matters to make sure they have a voice.

Carlton Gardens CBMDC Scheme – CBMDC Officer, Incommunities and local NPT officers have been working together and with residents at the scheme around various issues such as safety of children playing, litter, ASB vehicles and preparing for Winter.

Good Start, Great Schools

Actions, Outcomes and Indicators – Keighley West

Actions

- 1. Promote sessions/signposting using a variety of methods**
 - Support Family Hub in delivery of early-years and family work
 - Engage with other partners in the delivery of early-years and parents' sessions
- 2. Youth Service to attend KST sessions to improve links with local schools and enrich provision for school-age young people**
 - Support Youth Service in primary to secondary transition work
 - Explore opportunities for learning outside school setting
- 3. Youth service working with diverse groups of young people to co-design activities and opportunities**
 - Involve young people in decision making and consultations
 - Youth service to support Young Ambassadors, youth hub 'Keighley Vibe' and Youth Summit as well as young people being involved in wider events such as PRIDE.

Outcomes

- 1. Improved life skills and development for 0-3 year olds**
Improved networking and information shared via partnership working
- 2. More children achieving higher educational attainment standards**
More children and young people displaying skills, confidence and attainment which is appropriate to their key stage
More young people ready for transition from primary to secondary school
- 3. More young people actively contributing to youth voice/discussions**
More young people pro-socially involved in activities in their local area
More young people leading decisions taken in their local and wider areas
More young people with increased life-skills, confidence, increased self-esteem
Increased aspirations

Progress

Literacy Trust – Bradford Stories –AWO arranged a really enjoyable session with Bradford Stories' Big Yellow Bus at The Good Shepherd Centre. Families from TGSC and Our Lady of Victories Primary School pupils spent the morning on the bus listening to stories and taking part in fun activities that brought alive the books.

Sue Belcher – Play Forum – Play Bradford have worked with Sue Belcher Centre, One In A Million and other partners to locate a container in Bracken Bank that contains play equipment and resources which, through partnership working, will be available as a community resource to encourage play 'on the doorstep'.

Youth Service – Bradford Youth Service in Keighley continue to support young people across the ward through open access and closed sessions, including sessions at Oakbank school's sports facilities, Rainbow Centre in Braithwaite, 1:1 Buddy Work and within secondary schools. Young People from Kly West recently addressed Cllrs and other guests at an Area Committee meeting giving examples of the work of the youth service and how much the young people value it.

Story Pole Project- Preliminary planning work has taken place and a grant won to develop a project with local artists, young people and partners, exploring safety of public spaces and story-telling. The voices of young people will be at the forefront of this project and will include young people from the ward, working with their peers.

Family Hub – We continue to promote and support the work of the Family Hub (Rainbow Centre) through signposting, developing networks, support problem solving

Better Health, Better Lives

Actions, Outcomes and Indicators – Keighley West

Actions

1. Work with partners to set up walking groups and other health initiatives
 - Work with partners to develop community gardening projects
 - Work with partners and residents to map and develop accessible green spaces in neighbourhoods
2. Support young people and youth service to deliver a Youth summit
 - Support youth service open-access and closed group sessions to empower young people to choose and be part of developing opportunities to access better health choices.
3. Referral and signposting of residents to public health programmes
 - Work with partners to deliver accessible food projects
 - Support vol orgs to design services and sessions to meet the health needs of their communities.

Outcomes

1. More chances for people to take responsibility for their own health
More opportunities to engage in an active lifestyle
Improved physical and mental well-being
More choice in health activities
Increase in numbers of people participating in positive lifestyle activities
2. More young people involved in development of health activities
More young people involved in conversations about issues affecting them
More young people making informed positive health choices
3. More health projects delivered in the ward
More residents accessing health activities or activities that positively impact health even if not primarily and 'health session' eg art class

Progress

Age UK Bracken Bank – WO, AWO, Neighbourhood Warden and partners worked with Sheila from Age UK on community engagement in Bracken Bank. We spoke to people in the area who might like to meet new people and approx. 12 residents have now been meeting together and co-designing craft and activity sessions. Through this, people can improve their health and well-being through socialising, having meaningful connections, and taking part in activities together.

Braithwaite Engagement – As previously mentioned, a series of engagement sessions have continued in the Braithwaite area. Through this, residents in Bankfield area have identified an interest in gardening and growing. Work continues to develop this with these residents and Incommunities, with a view to exploring work with partners such as Keighley Parish, Keighley Town Council allotments officer, and developing the work CNET began when they provided some raised beds to some families in Braithwaite.

Youth Service - Young people are engaged in open access cook and eat sessions, physical activities, trips and also 1:1 buddy work as a result of Youth in Mind referrals for young people requiring support with mental and emotional well-being. These all empower young people around their health choices.

Sue Belcher Centre with Modality Partnership – Volunteers at Sue Belcher centre continue to facilitate work with Modality and other health providers to bring health services to residents in their community. These include, Locala sexual health service, vaccination hubs, Women's Health info sessions (menopause and breast health).

Keighley Parish Good Food Shop – Spokes of the Town Centre Good Food Shop have been delivered in the ward at Rainbow Centre, Merlin Top School and pop-up at Phoenix School Summer Fair. It is a 'social supermarket to help tackle food poverty, reduce stigma and increase independence.

Safe, Strong and Active Communities

Actions, Outcomes and Indicators – Keighley West

Actions

1. Deliver at least quarterly meetings to discuss priorities and share good practice at neighbourhood level
 - Work with partners to deliver local community celebrations and community pride initiatives
 - Support community orgs in infrastructure building
2. Promote methods of reporting ASB and other crime
 - Hold local drop-in community engagement sessions with NPT and other partners
 - Consider relevant pro-active local campaigns and engage residents
 - Provide feedback and visibility of action taken
3. Promote Council supported initiatives such as People Can and Citizen Coin
 - Consult residents about types of volunteering they would like to be involved in and match to existing opportunities
 - Promote positive experiences and benefits of volunteering and link to local and national initiatives

Outcomes

1. Residents and services have a platform to be better connected
 - Improved sense of communal pride in areas
 - Improved social cohesion
 - More events for local residents to attend
2. More residents aware of how to report concerns
 - More visibility of action being taken
 - More young people via schools and community bases positively engaged with local NPT
3. More volunteering opportunities developed and to engage in
 - More people benefitting from taking up volunteering opportunities eg gaining skills, improving self-confidence, employment opportunities
 - Increase in numbers of people participating in community activities

Progress

- The New Keith Thompson Centre** – Volunteers continue to develop plans for a new community building in Braithwaite as well as organising litter picks, a Coronation celebration and fundraising, with support as necessary from AWO and WO.
- Braithwaite engagement and ABCD** – Strengths based engagement is ongoing across the ward and there have been several multi-agency sessions organised around Braithwaite to discover skills and interests among residents and start making connections between them to promote a sense of local pride. These sessions have also provided opportunities for NPT staff to engage with residents, gather information and offer advice.
- Braithwaite Village residents' meeting** – WO and NPT staff met with residents to discuss various matters, provide updates and coordinate a problem solving approach.
- Highways** – Ward Cllrs, WO and AWO met with senior highways colleagues to discuss road safety suggestions and solutions across the ward. Work continues in liaison with Road Safety team for AWO and Neighbourhood Warden to deliver work in primary schools across the ward.
- Domestic and Sexual Violence work** – WO, AWO and youth service working with DASV team to develop various strands of work including work with young people via youth work, training for front line staff, and info sharing between schools and police.
- Community stars** – Nominations have been made for groups and individuals in the ward to recognise the contributions people make to their communities.
- VCS Organisations** – AWO and WO continue to work with and support VCS orgs across the ward such as Sue Belcher centre, Men's Shed, TNKTC, TGSC, Keighley Parish Laycock Village Hall.
- King's Coronation Celebrations** – Groups across the ward were granted funding to celebrate the King's Coronation, including Laycock, Braithwaite, Exley Head, bringing communities and neighbours together to celebrate locally.

A Sustainable District

Actions, Outcomes and Indicators – Keighley West

Actions

1.

- Work with partners and residents to develop and deliver initiatives
- Explore Citizen Coin for use on public transport

2.

- Work with partners and residents to identify where positive behaviour takes place and develop projects that increase recycling
- Promote methods of reporting waste management issues
- Engage partners to improve 'grot-spots' and work with residents to look at sustaining improvements

3.

- Support community clean-ups
- Support community gardening initiatives
- Consult with residents on clean and green issues with a view to developing local campaigns and initiatives

Outcomes

1.

People being more connected and confident in being able to travel across the area
People opting for more sustainable methods of travel

2.

Increase in numbers of people participating in initiatives
Increase in recycling rates in Keighley West
Increase in local pride and willingness to report fly tipping/waste issues
Improvement in physical appearance of neighbourhoods

3.

More opportunities developed for residents to engage in local environmental projects
More residents feeling they have a voice in local environmental issues

Progress

Merlin Top Environmental Ambassadors – AWO and Neighbourhood Warden have linked in with Merlin Top Primary School's Environmental Ambassadors, a group of year 6 pupils. They have involved the CBMDC Recycling Advisor team and are developing other work, which the pupils are central to planning to take action on environmental initiatives.

TNKTC Litter pick – Volunteers, Cllrs and KACO staff took part in a community litter pick around Braithwaite. Organised by The New Keith Thompson Centre, volunteers from the group were joined by families from the area. The group plans to do more of these activities and involve community in the tidy-ups.

Ward Gully Week – CBMDC gully team were supported by KACO staff and wardens during a week of action to clean street gullies across the ward.

Bradford Works/Probation – we have worked with Probation Service and Shipley College's Bradford Works to continue to smarten up grot-spots in the Ward through cutting back overgrowth, tidying up verges and helping at local community centre.

Fly tipping successes – Env Enforcement team have successful prosecutions for people dumping rubbish at two locations in the ward. Cameras are being used to collect evidence. Working in partnership with social landlords, to tackle longstanding problem areas.

Unadopted Back Streets – AWO and Neighbourhood warden have again used the 'unadopted back streets' policy to good effect by engaging with residents and supporting them to make improvements to their community at Grant St.

Community Garden – The Good Shepherd Centre are working with Craven College students on their community garden.

Braithwaite Bin Pilot – AWO coordinated an action day around contaminated bins in an area of Braithwaite Estate involving partners and residents through engagement.

Ward Priorities – Craven

Bradford District Priority Outcomes	Ward Priorities - Craven
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. Promote Personal Learning and Skills Development Opportunities for adults to address barriers to employment. 2. Work in partnership with the Police, Agencies ad Partners to address incidents of ASB Anti-Social Behaviour /s to define problems, generate solutions and take action
A Sustainable District	<ol style="list-style-type: none"> 1. Promote Green / Eco Friendly Projects to help improve the environment. 2. Reduce Air pollution in and around schools by adopting an anti-idling programme. 3. Reduce the amount or organic waste going to landfill.

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Indicators - Craven

Actions

1. Support adults to improve their personal skills and development linking in with Skills and Employability Services CBMDC, VCS and contacting local employers about job creation in local settings.
2. Support young people 16 / 24 yrs to access Digital, IT Training and Virtual Learning Courses in collaboration with Craven and Keighley Collages, Youth Service, VCS and Skills and Employability Services CBMDC.
3. Support young people to access Traineeships and Apprenticeships to assist with future career and employment opportunities e.g. via Local Schools, Keighley and Craven Collages, Businesses and Skills and Employability Services CBMDC.

Outcomes

1. Increased number of adults enrolled on employment and skills programmes.
2. Increased number of young people engaged in Digital, IT and Virtual Learning courses.
3. Increased number of young people engaged in Traineeship and Apprenticeship programmes.

Progress

Skills House – Provides support for adults and young people on careers and employment – Skills House can also support young people with their post 16 options highlighted on the Skills House website. Promoted via Ward Councillors and Ward Leadership Team Meeting.

Incommunities Support Service via Customer Involvement and Resilience Team can assist with, employment applications, sign-posting service and job club support.

Bradford Employment Hub supports people into work, apprenticeships including CV writing, interview techniques, skills, career, support, employment.

Decent Homes

Actions, Outcomes and Indicators - Craven

Actions

1. Engage with householders and provide information on Home Energy Efficiency Schemes and Grants i.e. lagging loft spaces, solar power; using timers for heating systems – Domestic Energy Efficiency Support CBMDC.
2. Collaborate with Incommunities social housing provider to address tenants housing issues and concerns as they arise and support tenants experiencing poverty or hardship.
3. Engage with housing providers of new build homes schemes across the local area to provide energy efficient affordable housing for older people and families some on low income to meet their housing needs.

Outcomes

1. More households adopting energy efficiency improvement plans for their home / property.
2. More responsive services, maintenance programmes and housing support programmes implemented.
3. More older people / families some on low income assisted in addressing their housing needs linked to new build schemes and housing programmes.

Progress

Incommunities engage with tenants in Addingham and Silsden. They offer a community Centre Building on Gloucester Avenue Silsden that can be hired out for various community activities by local groups and organisations. Neighbourhood Wardens liaise with residents to address housing concerns relating to pathways, bins and vegetation.

Emergency Accommodation / Housing including 1 room allocation support available Bradford Homes CBMDC Housing Association Site to help address housing needs.

CBMDC - Landlords and Agents – Free tenant finder service - helps landlords by matching their properties to people who are looking for accommodation - private rented sector Bradford district.

New Build / affordable housing Silsden - Persimmon Homes are submitting a planning application to build approximately 150 houses off Bolton Road. Local residents are being invited to share their views on the proposal - land to the north- east of the town, adjacent to Bolton Road / Brown Bank Lane, 20% of the new homes will be affordable and available for discounted rent or purchase.

Good Start, Great Schools

Actions, Outcomes and Indicators - Craven

Actions

1. Develop a Youth Plan in Silsden working in partnership with the Town Council , local schools, Youth Service with a focus on youth voice and influence, healthy bodies / diet, mental health, disabilities and diversity.
2. Encourage young people to undertake a volunteering role in community action projects working with Friends of Silsden Park, Addingham Environment Group, Project Local Schools, VCS and Youth Service.
3. Establish a Youth Council in Silsden and partner with the Youth Service to encourage young people to become Youth Ambassadors to promote the voice of young people.

Outcomes

1. More cohesive programmes of activities at a local level to support young people of all ages.
2. Increased number of young people engaged and involved in wider community action projects.
3. More young people taking a lead role in local developments and decision making at a local level – Youth Voice.

Progress

Establishment of the Youth Offer Programme Craven Ward, 3 partnership meetings organised focusing on young people’s voice, health and well-being, and access to community activities and provision across Crave Ward Steeton, Silsden, Addingham.

The Hive Community Centre supporting young people under 16 yrs various programmes - Junior Session on a Monday and a Saturday morning monthly youth club for young people 12+.

Youth Service sessions delivered in partnership with The Hive Community Centre Silsden, links to South Craven School supporting young people from across the area. Youth Service are developing a 12- week plan including issues around mental health, black history month and bonfire night. Young People have access to Parkwood Youth Centre Keighley and wider events. Youth Workers undertake weekly sessional work and programmes as on-going and link in with local community organisations.

Better Health, Better Lives

Actions, Outcomes and Indicators - Craven

Actions

1. Understand what projects/services are established in respect to the priority areas for the local area i.e. alcohol services, hidden deprivation, including child poverty, mental health, weight management.
2. Link Wharfedale & Silsden Community Partners priorities to that of the system wide priorities i.e. Act As One Programme, Core20PLUS5, Primary Care Networks. Integrating a public health approach into primary care.
3. Engage with service users to co-produce placed based changes with a focus on self-care in communities i.e. physical, mental, emotional, social health and well-being connecting with Social Prescribers', VCS, Act As One Programme, Core20PLUS5, Primary Care Networks.

Outcomes

1. More effective information about what services and support programmes are available in local settings ensuring successful work is built on rather than duplicated.
2. More effective engagement with Health and Health and Well-Being system wide programmes in support of service users to help address their health needs.
3. Increased number of service users engaged with local services and health support programmes.

Progress

(Better Health, Better Lives) The Wharfedale and Silsden Health Partnership operates in Silsden, Ilkley, Addingham, Burley-In Wharfedale (part of Shipley area) and promotes the Health and Well-being agenda. Each Partnership has 2 anchor organisations who enhance local promotion and connectivity – Ilkley Good Neighbours and The Hive Community Centre Silsden. Meetings take place on a six - weekly basis.

Bradford District and Craven
Health and Care Partnership

The partnership receives funding from Core20+5 to support service provision - Maternity, (SMI) Severe Mental Illness, Chronic Respiratory Disease, Early Cancer Diagnosis, Hypertension, Smoking Cessation. ABCD Health Funding Stream lends support to more local level projects such as health promotion / videos, Eating Well, Family Links and Counselling – grants are from £50 - £4k.

Local Health Group CAW – meets on ¼ basis to discuss local health issues and care in the community organised by The Hive Community Centre. Email: keighleyareacoordinatorsoffice@bradford.gov.uk

Address:

Keighley Area Co-ordinator's Office
The Lodge, Cliffe Castle,
Spring Gardens Lane
Keighley
BD20 6LH

Everybody in the Keighley locality can make a difference!
Here are a few ideas....

Connect

- Meet your ward councillors (via email, phone, in person at their surgeries)
- Get to know your Area Co-ordinator's Office team and their Ward Officers and Assistant Ward Officers

Have your say

- Share your ideas through resident and community consultation
- Attend Area Committee, learn about key plans and ask questions
- Vote in local elections

Get involved

- Volunteer in your area (lots of opportunities can be found [here](#))
- Be neighbourly
- Choose sustainable, active travel options
- Community action e.g. Dementia friendly communities, litter picks
