

Craven Ward Good News Stories

(Better Skills, More Good Jobs and Growing Economy)

The Ward Leadership Team Meeting Craven Ward is investigating how to support the local economy and jobs for people of all ages from the wider community. A meeting has been held and in-depth discussion undertaken with representatives from Citizen Coin, Skills House, Invest in Bradford and Incommunities.

Decent Homes Persimmon Homes are submitting a planning application to build approximately 150 houses off Bolton Road in Silsden. Local residents are being invited to share their views on the proposal, which would bring 2, 3, 4 and 5 bedroom properties to land on the north east of the town, adjacent to Bolton Road and Brown Bank Lane and 20% of the new homes will be affordable and available for discounted rent or purchase, and it is also proposing an area of 'public space' as part of the development.

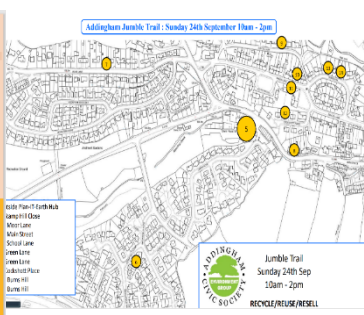

(Good Start, Great School)

The Youth Offer Partnership strives to give young people a voice and support young people in their day to day lives and activities. Youth Workers link in with South Craven School and meetings take place at Silsden Town Hall. One of the key aims is to support young people's health and well-being across the local community.

(Better Health, Better Lives)

The Wharfedale and Silsden Health Partnership operates in Silsden, Ilkley, Addingham, and Burley-In Wharfedale (part of Shipley area). The Partnership promotes the Health and Well-being agenda. Each Partnership has 2 anchor organisations who enhance local promotion and connectivity.

(Safe Strong and Active Communities)

Addingham Environmental Group in partnership with the Civic Society have organised the Jumble Trail to take place on Sunday 24 September in various locations in Addingham Village. The jumble trail will consist of around 40 stalls around the village; and all welcome to come and do some Sunday Shopping and support charities through purchases on the day. Some of the stalls will be outside people's homes as well as located at four hubs including Plan-it-Earth, The Library, the Scout Pavilion, and North Street.

(A Sustainable District)

The Neighbourhood Warden's have been working alongside members of the public from Craven Ward to take a lead in keeping pavements and hedgerows clean and tidy from over growing vegetation and have supported residents to engage in cutting back works to allow full access to public footpaths and highway localities making a real difference and restoring footpaths back to their full capacity for all pedestrians.
