Dear Resident/Occupier

RE: Potential Conservation Area in Eccleshill

We have been approached by members of the local community who have suggested that parts of Eccleshill be considered for designation as a Conservation Area.

A preliminary assessment has now been prepared that outlines the architectural or historic interest and enclosed with this letter is a summary of the assessment and a map showing the potential boundary. The full assessment will be available on the Council's website: www.bradford.gov.uk/consultations and a paper copy is also available to view in Eccleshill Library, during opening hours.

We welcome your views and any suggestions you might have on the boundary and the assessment document as well as whether you are supportive of the designation of a conservation area in Eccleshill. Please email any comments to:

conservation@bradford.gov.uk

or return the attached comments sheet to: The Landscape, Design and Conservation Team, Bradford Council, 4th Floor, Britannia House, Bradford BD1 1HX by **31st March 2024**.

Following on from this we will review all the feedback and comments and if the decision is to progress towards the designation of a conservation area, we will invite the local community to a consultation event where we will be happy to answer any questions you may have.

Yours Sincerely

Jon Ackroyd, Senior Conservation Officer
