

## Support requests

**Selected Health and Well Being Board:**

Bradford

Which area of integration do you see as the greatest challenge or barrier to the successful implementation of your Better Care plan (please select from dropdown)?	4.Aligning systems and sharing benefits and risks
--	---

Please use the below form to indicate whether you would welcome support with any particular area of integration, and what format that support might take.

Theme	Interested in support?	Preferred support medium	Comments - Please detail any other support needs you feel you have that you feel the Better Care S with.
1. Leading and Managing successful better care implementation	No		
2. Delivering excellent on the ground care centred around the individual	No		
3. Developing underpinning integrated datasets and information systems	Yes	Access to technical expertise to troubleshoot issues	We do have a system-wide performance dashboard however we don't have a single system supportin We would be interesting in considering a single approach.
4. Aligning systems and sharing benefits and risks	Yes	Workshops or other face to face learning opportunities	in aligning the ambitions of the local system. We have a local Five Year Forward View which provides health and care. It would be helpful to have some input on developing and delivering system-wide ber
5. Measuring success	Yes	Hands on technical or delivery support	Relates to 3 and 4 above.
6. Developing organisations to enable effective collaborative health and social care working relationships	No		

Support Team may be able to help

g the requirements of all partners.

our system-wide strategy for  
benefits.
