## **Overview & Scrutiny Area:**

**Environment and Waste Management**

## **1. SUMMARY**

- 1.1 This report invites members to consider progress made on the delivery of actions contained within Bradford East Ward Plans 1 April 2015 to 31 March 2016, covering the period between April 2015 and September 2015, in response to priorities identified through the Ward Assessment process.

## **2. BACKGROUND**

- 2.1 Ward Plans highlight local priorities and provide a basis for tackling issues collectively at a local level.
- 2.2 The method for developing priorities for Wards has been through the annual Ward Assessment. The Ward Assessment includes a wide range of key statistical information about the Ward. In addition to the statistical data, there is also a range of qualitative information gained through community engagement. The quantitative and qualitative information is used to establish the needs of the Ward. The Assessment also includes information about community strengths and resources available to address the Ward needs.
- 2.3 Information collated through this process has identified priorities in the Ward Plans that require addressing. Members in all the six wards and partners have been involved in the development of the Ward Plans.
- 2.5 The Ward Plans for 1 April 2015 to 31 March 2016 and actions undertaken to respond to these priorities during the period between April 2015 and September 2015 are contained within Appendix A.

## **3. OTHER CONSIDERATIONS**

- 3.1 The purpose of the six Ward Plans is to set out a clear list of priority issues that should be addressed in 2015 - 2016 in order to improve the social, economic and environmental conditions within the Bradford East Area. The Ward Plans will continue to be the subject of a refresh on an annual basis with full consultation with members, partner organisations and the community.
- 3.2 Bradford East Area Committee is able to influence the Ward Plans directly by use of its executive powers and delegated budgets, as well as by a co-ordinator body and catalyst for action working in partnership.
- 3.3 The Ward Plans contribute to the District-wide Community Strategy and progress towards the 2020 Vision of Bradford as a good place to live, work, rest, and play.

## **4. OPTIONS**

- 4.1 That Bradford East Area Committee adopts the recommendations outlined in this report.
- 4.2 That Bradford East Area Committee adopts the recommendations outlined in this report, with amendments.

4.3 That Bradford East Area Committee decides not to accept the recommendations outlined in this report.

## **5. FINANCIAL & RESOURCE APPRAISAL**

5.1 The production and dissemination of the six Ward Plans are met from within existing resources.

5.2 The priorities contained in the Ward Plans can be used to assist the Area Committee in its Local Area Management role and to inform the allocation of existing Area Committee budgets.

5.3 Officer support for co-ordination to action the priorities in the Ward Plans is provided by the Area Co-ordinator's Office.

5.4 The six Ward Plans inform budget-setting processes and service-planning throughout the Area.

5.5 The Bradford East Area Ward Plans 2015 – 2016 were forwarded to other key service-providers such as the Police and Clinical Commissioning Groups and community organisations to request that the Ward Plans be used to inform their own priority-setting processes earlier this year.

## **6. RISK MANAGEMENT AND GOVERNANCE ISSUES**

6.1 There are no significant risks arising out of the proposed recommendations

## **7. LEGAL APPRAISAL**

7.1 There are no legal implications arising from this report.

## **8. OTHER IMPLICATIONS**

### **8.1 EQUALITY & DIVERSITY**

8.1.1 The Ward Plans will seek to address concerns that have arisen from all sections of the community.

### **8.2 SUSTAINABILITY IMPLICATIONS**

8.2.1 Sustainability considerations should be a constant element in any actions taken to address the Ward Plans.

### **8.3 GREENHOUSE GAS EMISSIONS IMPACTS**

8.3.1 There are no Greenhouse Gas Emission implications arising from this report.

### **8.4 COMMUNITY SAFETY IMPLICATIONS**

8.4.1 Community safety priorities have been included in the six Ward Plans.

## **8.5 HUMAN RIGHTS ACT**

8.5.1 There are no Human Rights implications arising from this report.

## **8.6 TRADE UNION**

8.6.1 There are no Trade Union implications arising from this report

## **8.7 WARD IMPLICATIONS**

8.7.1 Priorities identified in the Ward Plans will benefit all six wards in Bradford East.

## **9. NOT FOR PUBLICATION DOCUMENTS**

9.1 There are no not for publication documents.

## **10. RECOMMENDATIONS**

10.1 That the Bradford East Area Committee notes and welcomes the work undertaken to deliver on the priorities in the April 2015 to March 2016 Ward Plans for the period between April and September 2015 .

10.4 That the Bradford East Area Co-ordinator brings a further report to the Bradford East Area Committee on the progress in addressing the priorities contained in the Ward Plans 2015 – 2016 for the period October 2015 and March 2016.

## **11. APPENDICES**

11.1 **Appendix A:** Ward Plans progress report covering period April 2015 and September 2015

## **12. BACKGROUND DOCUMENTS**

12.1 Ward Assessments 2015

12.2 Ward Plans covering April 2015 and March 2016

Face to face contact has been made with dog owners and advised about the consequences of allow their dogs to foul – leaflets provided. Engagement with residents has also been undertaken to encourage residents to report information to the Council to help facilitate possible prosecutions and informed Council Warden deployment patrol plan.</li> <li>• Education/enforcement work has been ongoing – Council Wardens (mobile staff on motorbikes) have carried out additional patrols at Peel Park and Undercliffe Cemetery and other locations identified with dog fouling issues.</li> <li>• Work on going at Undercliffe Cemetery (Revamping History Project) which has included educational and awareness work around dog fouling, impact on others and consequences. Year three of the project.</li> <li>• Gateways around the Bolton and Undercliffe area have benefitted from scheduled visual audits and cleansing removing dog Street litter bins audits undertaken – delivery of work currently being negotiated and subject to funding being secured.</li> <li>• Supporting development of Green Dog Walkers scheme including at Peel Park, door knocks, promotion at events and via local contacts. On going fouling, litter and detritus.</li> <li>• Visual audits have been undertaken in known problematic locations where there are gardens with waste accumulation and untidy backstreets resulting in the information gathered informing patrol plans and areas for face to face engagements. Council Wardens have provided information about the bulk refuse collection service, household waste collection centres and details about the possible consequences of non compliance. Residents have been encouraged to volunteer to carry out litter picking on their local streets working both with Council Wardens and independently. Hot-spots identified through WPTs pooling of intelligence aids effective multi-agency tasking reviewing progress on a regular basis through the structure of the WPT.</li> </ul>				

- Targeted hot-spots and gateways have received additional patrol coverage by Wardens, mechanical sweeping support and attention from the Clean Team which has been reducing over the last few months – improvements are being sustained without the need to put in additional resources. In such localities community litter picks have been undertaken involving residents to help tidy up the area in an attempt to encourage residents to take more pride in their local neighbourhood and responsibility for litter and waste within their neighbourhood. Residents associations have been involved and supported to carry out back street clean ups.
- Information about problems with litter, fly-tipping and consequences of illegally disposing and / or storing of waste have been a key focus at Neighbourhood Forums, PACTs and on Action Days.
- Monthly meetings now take place with operational staff – Clean Team, Council Wardens and other operational staff are also invited to attend co-ordinated by the Ward Officer identifying lower level anti-social behaviour and environmental priorities for action.
- Where engagement has not been successful with residents, businesses and other site owners referrals have been made to the Council's Enforcement Team.
- Wardens have carried out face to face engagement talking to residents about the benefits of recycling and signing them to take up kerbside recycling as part of their patrol plans.
- Further work is required to be undertaken within schools and to continue within these areas.
- Focussed work carried out through door step engagement work around Harrogate Street and surrounding area resulting in more uptake of kerbside recycling.
- In addition to this update, some streets have benefitted from No Fly-Tipping signs being introduced.
- Hot-spots continue to be identified through the WPT resulting in joint tasking and multi-agency intervention with close involvement of local Ward Councillors.
- Referrals to Environmental Enforcement and Empty Homes teams for work with landlords and property owners has been carried out and will continue.
- Targeted work undertaken by Fire Service in priority areas focussing on vulnerable area / individuals.
- Increased passing patrols by Council Wardens and / or NPT staff in hot-spot locations.

streets in East Bowling and more have been improved by the Community Pay Back Team.

- School based educational campaigns including primary school assemblies, talks at parents meetings and workshops at secondary primary schools have been delivered. Information about problems with litter, fly-tipping and consequences of illegally disposing and / or storing of waste have been a key focus at Neighbourhood Forums, PACTs and on Action Days. Joint patrols with the NPT are scheduled to take place on a weekly basis. Engagement has been carried by attendance at a range of sessions – Karmand Centre, Barkerend School, East Bowling Pensioners Club, Bradford Academy, Carlton Bolling College, Friends of Bowling Park, mosques, churches and within other settings.
- School gate surgeries have been delivered across the Ward to engage with residents to identify hot-spot areas for environmental issues and promote services available for disposal of their waste.
- Work carried out to support Green Dog Walker Scheme and also Free Dog Chipping events held in Bowling Park.
- Information at Neighbourhood Forums, PACTS, Action Days, fun days, community celebration events and through faith communities has been given out about what can be recycled, what should recycle and how to sign up. Five fun days held across the Ward including information giving and signing people up for kerbside recycling. Often Council Wardens ring up to register residents to receive a bin to recycle to help encourage residents to use this service.
- Wardens have carried out face to face engagement talking to residents about the benefits of recycling and signing them to take up kerbside recycling.
- Work in schools with children and parents has included information about recycling.

Various community engagement days have been carried out across the Ward meeting residents face to face to talk about consequences of fly-tipping, how to report fly-tipping and abandoned vehicles and to encourage residents to pass on information about individuals who are fly-tipping. Work with local residents, elected members and groups has resulted in community litter picking and back street tidy-ups across the ward. Litter pickers, gloves and other resources have been funded by the Bradford East Area Co-ordinator's Office.</li> <li>• Targeted hot-spots have received additional patrol coverage by Wardens, mechanical sweeping support and attention from the Clean Team. In such localities community litter picks have been undertaken involving residents to help tidy up the area in an attempt to encourage residents to take more pride in their local neighbourhood and responsibility for litter and waste within their neighbourhood and some of these have also included gulley cleansing.</li> <li>• Visual audits have been undertaken to identify priority streets with high numbers of gardens with waste accumulation and informed regular patrols and face to face engagements. Council Wardens have provided information about the bulk refuse collection service, household waste collection centres and details about the possible consequences of non compliance. Residents have been encouraged to volunteer to carry out litter picking on their local streets working both with Council Wardens and independently.</li> <li>• School based educational campaigns including primary school assemblies, talks at parents meetings and workshops at secondary primary schools have been delivered. Information about problems with litter, fly-tipping and consequences of illegally disposing and / or storing of waste have been a key focus at Neighbourhood Forums, PACTs and on Action Days. about how to report quad nuisances. Driving and parking issues are discussed as part of the Ward Partnership Team meetings identifying hot-spot areas for attention. This has resulted in Wardens being deployed to areas of need outside schools, faith centres, businesses and in other locations engaging with residents about parking responsibly, wearing seat belts, not using mobile phones and where appropriate issuing tickets. Faith community leaders have also been contacted and supported this work by talking with their congregation and other members about parking and driving in a responsible and safe manner. Joint work between the DVLA, NPT and Regional Roads Policing Team have been carried out.

- Road Safety Team delivered road safety work at all primary schools in area including pedestrian training.
- Proactive work has been carried out through PACT / Days of Action, at Neighbourhood Forum and other community engagement events to encourage residents to report information to identify issues / hot-spots and take necessary actions. Faith leaders have supported delivering talks to congregation about consequences / impact of drugs and how to report issues.
- Residents have been updated about drugs operations through Facebook, monthly newsletters, at Days of Action, PACT meetings, Neighbourhood Forums and at other community engagement events. Information is passed on by Council Wardens to the NPT.
- Workshops and talks have been delivered at schools and in community settings promoting drugs awareness and to encourage residents to report information.
- Anti-social behaviour issues are discussed at the Ward Partnership Team meetings identifying hot-spot area, individuals involved and partners agreeing interventions jointly. The Council and Police Anti Social Behaviour Team have issued ASBOs, made referrals to Families First and through other relevant channels.
- Days of Action / PACTS have taken place in neighbourhoods where ASB issues have been raised being proactive and reactive dealing with issues identified. Community groups have been supported with identifying projects, funding opportunities and writing bids to successfully secure funding. The Area Action Planning budget has supported a number of recreational, leisure and educational activities to be offered to the wider community.
- Support in an advisory, funding and events management capacity have been provide to groups to enable them to run summer play schemes and the summer camp. Workshop held at summer camp – engaged with over 600 children and young people.
- Days of Action / PACTS have taken place in neighbourhoods where burglary, thefts of and risk of have been identified. Work is co-ordinated through sharing of data by various partners through WPTs to inform hot-spots for focussed high visibility, high impact engagement work.
- Support to set up Neighbourhood Watch Groups.

days, health days and other community engagement events. £28 million cycle scheme to go ahead connecting Leeds and Bradford through Barkerend Road. Walking Project with two local primary schools led by Thornbury Centre to encourage walking to school delivered. Residents, young people and older people have been involved with organised walks and environmental activities. Children's Centres and GPS continue to offer healthy eating advice and support.

- Sports activities delivered through youth service, Thornbury Youth and Community Centre, Karmand Centre, Thornbury Centre and other third sector groups provide diversionary activities which includes working with hard to reach young people and / or those at risk of offending.
- Work with Better Start Bradford and other health partners to deliver health improvement initiatives within the ward. Residents, young people and older people have been involved with organised walks and environmental activities. Children's Centres and GPS continue to offer healthy eating advice and support.
- Information Guidance Advice support through Thornbury Centre, Karmand Community Centre and other local hubs. There is a significant need for advice services in the area including for A8 migrants who are moving into the area and choosing to settle here. In addition, the changes to the Welfare System strongly support the need for the existing service to continue and additional support to be provided offering advice. Debt / money management sessions have been delivered by a range of organisations across the Ward. There is scope to do more of this type of work but support from community development workers and others would be needed.

**Bradford Moor Ward Plan progress report 2014 - 2015**

- Proud of BD3 Autumn clean up week was held involving schools and community groups in litter picking across the ward including in the parks over a week, commencing 17th October. This involved Killinghall Primary, Olive Girls School, residents of Rochester Street, Byron Primary, Dixons March bank Primary, Mortimer House Children’s Centre.
- Wardens regularly help out the Clean Team and Fly tipping Team by litter picking (including in adopted backstreets in the Maze area) and helping remove fly tipping from verges. Wardens speak to residents where fly tipping is found and go through bags of waste to try and find evidence of who dumped it.
- Volunteers from Morrison’s joined residents and Streetlife volunteers in September on clearing up the back street at Lower Rushton Road and also came out for a week or litter picking across the Ward.
- Support clean ups run by Streetlife project residents.
- Littering and recycling assemblies have been held in Laisterdyke College and Olive Girls and Boys schools and students asked to pledge not to drop litter and sessions held with adults.
- Wardens work with businesses on containment and disposal of business waste as problems arise. Support has been given to Karmand Centre on a waste cooking oil collection and recycling scheme being piloted in Amberley Street.
- Plain clothes dog fouling patrols have been run in various locations across the ward. We have run a couple of clean ups with residents of Rushton Road.
- Support a clean up with plot holders at Harewood Street allotments and arrange for Community Payback to do some regular work here clearing paths and plots.
