**Overview & Scrutiny Area:**

**Corporate**

## **1. SUMMARY**

- 1.1 This Report sets out a proposal for changes to the Council's senior management structure in the Departments of Adult and Community Services and Public Health.
- 1.2 It is proposed to create a post of Strategic Director, Health and Wellbeing. It is anticipated that there will be additional proposals to change the Council's senior management structure brought to future Executive meetings.
- 1.3 Executive is asked to consider and agree the proposed change to the structure together with the grade for the affected post.

## **2. BACKGROUND**

- 2.1 The last major restructure of senior management arrangements for the Council took place in 2012. There were further amendments to the senior management structure agreed by Executive in February 2015, arising from the Council's budget decisions 2014/15 and again on 3 November 2015 to address the number of temporary/vacant posts at senior officer level.
- 2.2 Formal consultation with the Trade Unions in relation to the creation of a Strategic Director, Health and Wellbeing was held on 3 November 2015 and appropriate consultation has been undertaken with the individuals affected.

## **3 OTHER CONSIDERATIONS**

### **Rationale for the proposal**

- 3.1. Demand for services are rising due to an ageing population with more complex needs. This is generating a challenge nationally around the delivery and integration of health and social care as conventional services are becoming increasingly unaffordable.
- 3.2 It is recognised nationally that health and social care systems are currently insufficiently integrated and people aren't receiving appropriate care in a timely manner.
- 3.3 In order to further address these challenges and drive internal integration and wider system transformation, at pace, with health partners, sustained strong leadership and strategic thinking on this agenda for the Bradford District continues to be critical.
- 3.4 It is proposed therefore to create a post of Strategic Director, Health and Wellbeing, to further improve on the work already achieved across the District.

## **4 THE SPECIFIC PROPOSAL**

### **4.1 Department of Health and Wellbeing**

#### **Strategic Director - Health and Wellbeing**

The post of Strategic Director, Adult and Community Services is currently vacant and the role is being undertaken on an interim basis. This provides a timely opportunity to review the post(s) required at a senior level to further transform and integrate health and social care for the Bradford District.

It is proposed that a post of Strategic Director, Health and Wellbeing is created.

If approved, recruitment would begin immediately and it is hoped that our preferred candidate would be in post, at the earliest, April 2016. In accordance with Article 4 of the Council's Constitution, the Officer Employment Procedure Rules and the Council's Pay Policy Statement 2015/16, approval from Full Council would be sought in advance of an offer being made.

The post of Strategic Director, Health and Wellbeing would replace the current post on the structure of Strategic Director - Adult and Community Services and, as such, would be the statutory Director of Adult Social Services (the designated DASS).

It is further proposed that a reconfiguration of responsibilities takes place to group appropriate functions within this new Department of Health and Wellbeing, in that the Department of Public Health is moved, in its entirety, into the new Department of Health and Wellbeing.

Whilst having an oversight of the portfolio of responsibilities within the Department of Health and Wellbeing it is proposed that a particular objective of the Strategic Director- Health and Wellbeing will be to lead and support the continued shift towards preventative and integrated work between health and social care which focusing on wellness and thus diminishing the need for treatment of illness and disease.

#### **Director of Public Health**

It is proposed that the Department of Public Health is moved, in its entirety, into the new Department of Health and Wellbeing with the post of Director of Public Health retaining the same primary and statutory responsibilities. For line management and strategic coordination purposes it is proposed that the Director of Public Health will report to the Strategic Director- Health and Wellbeing. A direct reporting relationship to the Chief Executive in respect of statutory responsibilities will be maintained and the Director of Public Health will continue to form part of the Corporate Management Team.

Please see Appendix 1 for the current senior management structure and Appendix 2 for the proposed revised senior management structure.

## **4.2 Other Considerations**

In proposing this specific configuration of responsibility the creation of a post of Strategic Director for People Services was considered. In the light of the sustained, intense and complex pressures on the Department of Children's Services, it would be inadvisable to propose to merge these functions at the present time.

The option to create a shared, jointly funded Strategic Director level post with health partners was also considered. It is acknowledged that this may be desirable in the future but given the likelihood of a period of reorganisation and change within the health sector this would be premature at the current time.

## **4.3 Grade for the revised role**

A new Job Profile has been produced for the post of Strategic Director - Health and Wellbeing (designated DASS), with the role being benchmarked against the existing role of Strategic Director- Children's Services which is graded on Strategic Director 1 in accordance with the Council's Pay Policy Statement 2015/16 set out in Appendix 3.

In accordance with Section 4 of the Pay Policy Statement 2015/16, the post of Strategic Director - Health and Wellbeing is graded on Strategic Director 1, which is a salary level of £130,181-£136,480, and would be appointed pursuant to the terms and conditions of employment of the Joint Negotiating Committee (JNC) for Chief Officers as amended and supplemented by local agreements and decisions. Other aspects of the remuneration are set out in Appendix A of the Pay Policy Statement.

## **5 COMMUNICATION AND CONSULTATION**

### **5.1 Trade Union Consultation.**

The recognised Trade Unions for JNC Chief Officers are Unison and GMB.

A consultation meeting with the Trade Unions on this proposal was held on 3 November 2015.

Consultation with the Trade Unions was in relation to:

- the rationale for the proposal and the consequent amendments to the existing structure.
- the proposed grade in line with the Council's Pay Policy Statement 2015/2016.

The Trade Unions provided feedback on the proposal and confirmed that they agreed with the principles outlined in the rationale and the need to implement the limited change in order to deliver the wider agenda. The Trade Unions also agreed with the proposal to benchmark the role of Strategic Director - Health and Wellbeing against that of Strategic Director - Children's Services.

## **6 FINANCIAL AND RESOURCE APPRAISAL**

- 6.1 The financial implications are modelled on a comparison of the current structure and current remuneration arrangements to the cost of the proposed amended structure as set out in Appendices 1 and 2.
- 6.2 The cost of the current structure of 26 posts, following the decision of Executive on 3 November 2015, (including the Director of the West Yorkshire Pension Fund) at the midpoint is £3.2m. The cost of the proposed amended structure of 26 posts is estimated to increase by £26,000 but the overall cost of the structure will still be £3.2m at the midpoint of the grade. There have been savings of over £1.1m in the senior management structure since 2010.
- 6.3 As a result of the Council introducing the current level of living wage, the 'pay multiple', which is the difference between the highest paid salary and the average median salary (excluding employees in maintained schools) and which is detailed in section 6 of the Council's Pay Policy Statement should narrow. This will be reflected in the Pay Policy Statement when it is reviewed by Full Council in March 2016.
- 6.4 In accordance with Section 4 of the Pay Policy Statement the post of Strategic Director- Health and Wellbeing is graded on a Strategic Director 1, which is a salary level of £130,181 - £136,480 and would be appointed pursuant to the terms and conditions of employment of the Joint Negotiating Committee (JNC) for Chief Officers as amended and supplemented by local agreements and decisions. Other aspects of the remuneration are set out in Appendix A of the Pay Policy Statement (Appendix 3 of this Report) subject to Full Council approving the salary package (see section 8.4 below).
- 6.5 If the proposal is agreed by Executive, a procurement process via Yortender will be undertaken to appoint a search and selection consultant to assist with the recruitment to this post subject to Full Council approving the salary package (see section 8.4 below). It is estimated that the cost of this consultancy will be in the region of £18,000. Depending on the recruitment process agreed, additional costs may be factored in.

## **7 RISK MANAGEMENT AND GOVERNANCE ISSUES**

- 7.1 The Council is operating in a period of significant change and financial risks. It is necessary to align the Council's resources to the Council's priorities in order to ensure that the Council repositions itself to meet the challenges ahead, and this proposed amendment to the senior management structure is part of this process.

## **8 LEGAL APPRAISAL**

- 8.1 Section 112 of the Local Government Act 1972 allows the Council to appoint such officers as it thinks necessary for the proper discharge by the Authority of its duties. Such officers shall hold office on such reasonable terms and conditions as the Council thinks fit.

- 8.2 The Localism Act 2011 introduced a requirement for Local Authorities to produce and publish a Pay Policy Statement for each financial year beginning 2012/2013. The Pay Policy Statement 2015/16 is attached at Appendix 3. The Statement details the levels and elements of remuneration of each Chief Officer.
- 8.3 Pursuant to the Local Authority Social Services Act 1970, the Council shall appoint a Director of Adult Social Services. It is proposed that the post of Strategic Director- Health and Wellbeing is the designated Director of Adult Social Services (DASS) and that the post shall include all the DASS statutory responsibilities. The Director of Public Health is also a statutory appointment pursuant to the Health and Social Care Act 2012. Both positions are statutory chief officer posts under section 2 Local Government and Housing Act 1989.
- 8.4 In accordance with Article 4 of the Council's Constitution, the Officer Employment Procedure Rules and the Council's Pay Policy Statement 2015/16, Full Council must approve a proposed salary package of £100,000 per annum or more before it is offered in respect of a new appointment. This provision will apply to the proposed appointment of the Strategic Director- Health and Wellbeing

## **9 OTHER IMPLICATIONS**

### **Equality and Diversity**

- 9.1 There is no requirement to undertake an initial Equality Impact Assessment in relation to these proposals.
- 9.2 The implementation of these proposals, if agreed, and the subsequent appointment to posts will be undertaken in accordance with the Council's Equal Rights Employment Policies.

### **10 Other implications**

There are no sustainability, greenhouse gas emission impacts, community safety, Human Rights Act, ward and Area Action Plan implications.

### **11 NOT FOR PUBLICATION DOCUMENTS**

None.

### **12. OPTIONS**

To approve or otherwise the proposed recommendations in this Report.

## **13 RECOMMENDATIONS**

- 13.1 The proposed amendment to the Senior Management Structure as set out in Appendix 2 be approved.

13.2 The proposed grade for the post of Strategic Director – Health and Wellbeing as set out in section 4.3 be approved subject to the proposed salary package being approved by Full Council before it is offered in respect of a new appointment.

# **PAY POLICY STATEMENT**

## **FOR THE FINANCIAL YEAR**

### **2015/2016**

### Statement of Pay Policy for the year 1 April 2015 to 31 March 2016

#### 1. Introduction

Sections 38 – 43 of the Localism Act 2011 require the Authority to produce a policy statement that covers a number of matters concerning the pay of the Authority's staff, principally its Chief Officers and the Authority's lowest paid employees. This pay policy statement meets the requirements of the Localism Act 2011 and takes account of the guidance issued by the Secretary of State for Communities and Local Government in February 2012 and the supplementary guidance issued in February 2013 both entitled "Openness and accountability in local pay: Guidance under section 40 of the Localism Act" together with the Local Government Transparency Code 2014 where applicable.

This pay policy statement does not apply to employees of schools maintained by the Authority and is not required to do so.

In accordance with the provisions of the Localism Act 2011 this pay policy statement is required to be approved by a resolution of the Authority before it comes into force.

Once approved by the full Council, this policy statement will come into immediate effect, superseding the 2014/2015 pay policy statement, and will be reviewed annually.

#### 2. Definitions used in this Pay Policy Statement

All the posts below are collectively referred to as **Chief Officer**.

- **Head of the Paid Service**, which in this Authority is the post of Chief Executive
- **Statutory Chief Officers**, which in this Authority are:-
  - Strategic Director Children's Services
  - Strategic Director Adult & Community Services
  - Director of Finance who is the Authority's Chief Finance Officer under section 151 Local Government and Housing Act 1989
  - City Solicitor who is the Authority's Monitoring Officer under section 5 Local Government and Housing Act 1989\*
  - Director of Public Health
- \* The City Solicitor has been temporarily appointed to the post of Interim Chief Executive. As a consequence the post of Assistant City Solicitor has been designated as Monitoring Officer and Deputy Returning Officer for the term of office of the Interim Chief Executive.
- **Non-statutory Chief Officers and Deputy Chief Officers**, which in this Authority are:-
  - All other Strategic Directors, Directors, Deputy Director and Assistant Directors.

The **Lowest Paid Employees** are defined as employees paid on Spinal Column Point 5 of the National Joint Council (NJC) for Local Government Services pay scales. This definition has been adopted as it is the lowest level of remuneration attached to a post in this Authority (see section 5 below).

#### 3. The Overall Approach to Pay and Remuneration

The Authority's overall approach to pay and remuneration for its employees is based on:

## **Pay Policy Statement**

---

- Ensuring that the overall remuneration aligns with:-
  - The responsibilities and accountabilities of particular posts
  - Market norms for the local government and public sectors
  - Pay levels in the local area, including neighbouring public sector employers.

The Authority seeks to maintain this overall approach by carefully monitoring pay data provided by the Joint National Councils (JNCs) for Chief Officers and Chief Executives of Local Authorities, Local Government Association/Employers and other pay surveys.

### **4. Policy on Remunerating Chief Officers**

#### **Policy on Remunerating the Chief Executive**

The Chief Executive is employed pursuant to the terms and conditions of employment of the Joint Negotiating Committee (JNC) for Chief Executives of Local Authorities as amended and supplemented by local agreements and decisions.

The Authority recognises that the role of Chief Executive is to lead the Authority's workforce, has the greatest level of accountability and so warrants the highest pay level in the Authority.

When setting the remuneration for the Chief Executive the Authority will compare the current salary of the post with comparable salaries for Chief Executives at councils of a similar size, type and location. Specialist advice will normally be sought on an appropriate starting salary.

The Chief Executive is employed on a defined salary (not a grade range) and this salary is increased in accordance with any nationally agreed pay awards as determined by the national Joint Negotiating Committee for Chief Executives of Local Authorities.

Salary of the Chief Executive is £178,476 p.a.

#### **Policy on Remunerating other Chief Officers**

Chief Officers are employed pursuant to the terms and conditions of employment of the Joint Negotiating Committee (JNC) for Chief Officers as amended and supplemented by local agreements and decisions.

Grades for Chief Officer posts are determined through the recognised 'Hay' job evaluation system. Job evaluation is a systematic way of determining the value of a job in relation to other jobs in the organisation. The 'Hay' system provides an analytical approach to evaluating the job value through allocating points to different factors (responsibilities and duties) of the job role, the total score of which equates to a grade range within the Authority's pay and grading structure for Chief Officers. These grade ranges are set out below.

A grade range consists of a number of incremental salary points through which employees may progress until the top of the grade is reached. Progression within each grade range will normally be by annual increment at 1 April each year until the top of the grade range is reached.

## Pay Policy Statement

---

The grade ranges and salary levels are:

Strategic Director 1	£130,181 - £136,480 (SD1)
Strategic Director 2	£107,086 - £117,583 (SD2)
Director 1	£100,000 - £110,000 (Dir 1)
Assistant Director 1	£ 91,023 - £ 96,378 (AD1)
Assistant Director 2	£ 80,314 - £ 91,023 (AD2)
Assistant Director 3	£ 69,606 - £ 80,314 (AD3)

The Assistant City Solicitor whilst Monitoring Officer, Deputy Returning Officer and whilst undertaking the other duties of the City Solicitor post for the term of office of the Interim Chief Executive is paid on Grade AD1. The other terms and conditions of service remain as set out in the Assistant City Solicitor contract of employment.

### Other Aspects of Chief Officer Remuneration

Other aspects of Chief Officer remuneration covered by this pay policy statement include the policies in respect of recruitment, pay increases, performance related pay, earn back (withholding an element of base salary related to performance), bonuses, ex gratia payments, honoraria (payment for increased duties and responsibilities), termination payments and re-employment when in receipt of a Local Government Pension Scheme (LGPS) pension or a redundancy/severance payment. These matters are addressed in the schedule that is attached to this pay policy statement at **Appendix A**.

### Public Health

Following the transfer of responsibility for public health to local authorities on 1 April 2013, those employees of the NHS assigned to the area transferring, including the Director of Public Health, transferred to the employment of the Authority on their current terms and conditions of employment including salary and membership of the NHS pension scheme. The Director of Public Health is a statutory appointment. The salary for the post remains within the Primary Care Trust Band 4 which is a fixed salary of £99,910 p.a.

In addition a number of the Public Health Consultants who report to the Director of Public Health transferred to the Authority on 1 April 2013 on their NHS pay rates which fall within the pay ranges assigned to NJC Chief Officers within the Council. Their salaries range between £70,631 p.a. and £83,829 p.a. As such officers transferred to the Authority on their current terms and conditions of employment, some or all of this pay policy statement may not apply to them.

### Tax Avoidance Measures

All chief officers are remunerated via monthly salary payments through PAYE. Appropriate tax and national insurance deductions are made in accordance with HMRC regulations and there are no arrangements in place for the purpose of minimising tax payments.

## 5. Policy on Remunerating the Lowest Paid Employees in the Workforce

Pay levels for specific posts are determined through a job evaluation system. Job Evaluation is a systematic way of determining the value of a job in relation to other jobs in the organisation. The job evaluation scheme provides an analytical approach to evaluating the job value through allocating points to different factors (responsibilities and duties) of

the job role, the total score of which equates to a grade within the Authority's pay and grading structure. The Authority uses the National Joint Council Local Government Services Job Evaluation Scheme (the NJC Scheme) to evaluate all posts on Bands 1 to 8 (this covers spinal column point 5 to 28 of the NJC pay spine).

The pay levels are increased in accordance with any nationally agreed pay awards as determined by the National Joint Council (NJC) for Local Government Services.

### Remuneration of Lowest Paid Employees

- a. The lowest pay point in this Authority is spinal column point 5 which relates to an annual full time salary of £13,500 p.a. and can be expressed as an hourly rate of pay of £7.00. This pay point and salary is the lowest pay point routinely used by the Authority for its substantive roles determined by the Authority as part of its pay and grading structure for employees employed on Local Government Services Terms and Conditions as at 1 January 2015 and has been applied since that date. This is the definition of the "lowest paid employees" adopted by the Authority for the purposes of this Pay Policy Statement, and is only increased in accordance with any nationally agreed pay awards as determined by the NJC for Local Government Services.
- b. There is no bonus pay.
- c. Additional allowances or other payments are made in connection with an employee's pattern of hours e.g. shift work, but these are only paid in accordance with the terms and conditions of employment that have been negotiated and agreed through appropriate collective bargaining mechanisms (national or local) or as a consequence of Authority decisions.
- d. There are no benefits in kind.
- e. Redundancy payments are paid in accordance with the Authority's Discretionary Compensation Policy. Discretionary Compensation Policy .
- f. Based on the application of the job evaluation process, the Council uses the nationally negotiated, National Joint Council (NJC) pay spine as the basis for its local grading structure for all posts graded up to and including Band 8 (this covers spinal column points 5 to 28 of the NJC pay spine.)

### 6. Policy on the Relationship between Chief Officer Remuneration and that of Other Staff

This section sets out the Authority's overall approach to ensuring pay levels are fairly and appropriately dispersed across the organisation, including the current pay multiple which applies within the Authority.

The Authority believes that the principle of fair pay is important to the provision of high quality and well-managed services and is committed to ensuring fairness and equity in its remuneration practices. The Authority's pay policies, processes and procedures are designed to ensure that pay levels are appropriately aligned with, and properly reflect, the relative demands and responsibilities of each post and the knowledge, skills and capabilities necessary to ensure that the post's duties are undertaken to the required standard, as well as taking account of relevant market considerations, if necessary. This includes ensuring that there is an appropriate relationship between the pay levels of its senior managers and of all other employees.

## **Pay Policy Statement**

---

The Local Government Transparency Code 2014 (dated October 2014) requires the Authority to publish its 'pay multiple', i.e. the ratio between the highest paid salary and the median average salary of the whole of the Authority's workforce. Guidance issued under the Localism Act 2011 recommends that the 'pay multiple' is included in the Authority's pay policy statement.

The highest paid salary in this Authority is £178,476 p.a. which is paid to the Chief Executive. The average median salary in this Authority (not including employees in schools maintained by the Authority) is £19,742 p.a. The ratio between the two salaries, the 'pay multiple' is 9.0:1. This Authority does not have a policy on maintaining or reaching a specific 'pay multiple', however the Authority is conscious of the need to ensure that the salary of the highest paid employee is not excessive and is consistent with the needs of the Authority as expressed in this pay policy statement.

### **7. Approval of Salary Packages of £100,000 p.a. or more**

The Authority will ensure that full Council must approve any salary package of £100,000 p.a. or more before it is offered in respect of a new appointment. This does not apply to offers of appointment made to employees employed in schools maintained by the Authority. The salary package will be defined as base salary, routinely payable allowances and any benefits in kind that are due under the contract.

### **8. Severance Payments for Chief Officers**

If the Council is considering making a severance payment to a Chief Officer the decision as to whether such a payment should be made will be taken by Staffing Committee or a sub-committee of Staffing Committee both of which are sub-committees of full Council provided that if the proposed severance payment is £100,000 or more, (excluding accrued pension rights) then the decision as to whether the payment should be made will be taken by full Council.

### **9. Flexibility to Address Recruitment Issues for Vacant Posts**

In the vast majority of circumstances the provisions of this pay policy statement will enable the Authority to ensure that it can recruit effectively to any vacant post. There may be exceptional circumstances when there are recruitment difficulties for a particular post and where there is evidence that an element of the overall remuneration is not sufficient to secure an effective appointment. This pay policy statement recognises that this situation may arise in exceptional circumstances and therefore a departure from this policy can be implemented without having to seek full Council approval for a change of the pay policy statement. Such a departure from this pay policy statement will be expressly justified in each case and will be approved through an appropriate Authority decision making process.

### **10. Amendments to the Policy**

If a change to this pay policy statement is considered to be appropriate during the year, then a revised draft pay policy statement will be presented to full Council for consideration.

### **11. Policy for Future Years**

This pay policy statement will be reviewed each year and will be presented to full Council each year for consideration in order to ensure that a policy is in place for the Authority prior to the start of each financial year.

### 12. Publication

The Authority will publish this pay policy statement on its website ([www.bradford.gov.uk](http://www.bradford.gov.uk)) as soon as is reasonably practicable after it has been approved by Council. Any subsequent amendments to this pay policy statement made during the financial year to which it relates will also be similarly published. The Authority currently publishes information on Chief Officer Remuneration in its Annual Statement of Accounts in accordance with the requirements of the Accounts and Audit (England) Regulations 2011 [Statement of Accounts 2013 14.pdf](#) and the Local Government Transparency Code 2014 [Bradford Metropolitan District Council | Data Protection, Open Data and Freedom of Information | What is Open Data?](#)

Re-employment of Chief Officers in receipt of a LGPS Pension or a redundancy/severance payment	<p>The Authority is under a statutory duty to appoint on merit (section 7 Local Government and Housing Act 1989) and has to ensure that it complies with all appropriate employment and equalities legislation. The Authority will always seek to appoint the best available candidate who has the skills, knowledge, experience, abilities and qualities needed for the post. The Authority will therefore consider all applications from candidates to try to ensure the best available candidate is appointed. If a candidate is a former employee in receipt of a LGPS pension or a redundancy payment this will not rule a candidate out from being re-employed by the Authority. If a former employee leaves the Authority by reason of redundancy the individual cannot be reappointed to their old post as it will not exist. The Authority will apply the provisions of the Redundancy Payments (Continuity of Employment in Local Government, etc) (Modification) Order 1999 regarding the recovery of redundancy payments where appropriate.
