Portfolio:

**Health and Social Care
Overview & Scrutiny Area:**

Health and Social Care

1. SUMMARY

- 1.1 This report informs Keighley Area Committee about the objectives, performance and plans of the Airedale, Wharfedale and Craven Clinical Commissioning Group and requests views and comments.

2. BACKGROUND

- 2.1 In line with the Health and Social Care Act 2012, groups of GP practices based in Bradford Districts, Bradford City and Airedale, Wharfedale and Craven formed clinical commissioning groups (CCGs) and, from April 2013, they became responsible for planning, designing and buying health services for local people.
- 2.2 Appendix 1 outlines the Airedale, Wharfedale and Craven Clinical Commissioning Group's annual update to Keighley Area Committee.

3. OTHER CONSIDERATIONS

- 3.1 No other considerations.

4. FINANCIAL & RESOURCE APPRAISAL

- 4.1 There are no significant financial implications for Bradford Council arising from this report.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

- 5.1 There are no significant risks arising out of the proposed recommendations in this report.

6. LEGAL APPRAISAL

- 6.1 This work relates directly to the Local Government Act 2000 and to the Duty of Well-being placed upon the Council to promote and improve the well-being of the District.

7. OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

- 7.1.1 The Equality Act 2010 sets out the new public sector Equality Duty replacing the three previous duties for race, disability and gender. In engaging with our stakeholders, the CCG will have regard to our Equality and Diversity Policy.

7.1.2 We will consider our duties under the Act when designing, delivering and reviewing our business priorities – in business planning, commissioning and decommissioning services.

7.1.3 We will communicate and engage in ways that are accessible to people in our community, ensuring that people who do not have a voice, or may not have equal access to information or opportunities to engage, are not disadvantaged.

7.2 SUSTAINABILITY IMPLICATIONS

7.2.1 The development of Clinical Commissioning Groups will assist in enabling community health issues and solutions to inform the Service planning process.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

Greenhouse gas emissions and wider environmental impacts are a consideration.

7.4 COMMUNITY SAFETY IMPLICATIONS

7.4.1 Community safety issues are acknowledged as a key contributor to the quality of health in neighbourhoods. It is anticipated that improvements to health will have a positive impact on community safety issues across the Keighley Area.

7.5 HUMAN RIGHTS ACT

No direct implications arising from the Human Rights Act.

7.6 TRADE UNION

No direct Trade Union implications arise from this report.

7.7 WARD IMPLICATIONS

7.7.1 The development of Clinical Commissioning Groups will support a more tailored approach to Service delivery in Wards across the Keighley Area.

8. NOT FOR PUBLICATION DOCUMENTS

None.

9. OPTIONS

9.1 That Keighley Area Committee adopts the recommendations outlined in this report.

9.2 That Keighley Area Committee adopts the recommendations outlined in this report, with amendments.

9.3 That Keighley Area Committee decides not to accept the recommendations outlined in this report.

10. RECOMMENDATIONS

10.1 Keighley Area Committee notes and comments on the objectives, performance and plans of the Airedale, Wharfedale and Craven Clinical Commissioning Group as outlined in Appendix 1 of this report.

11. APPENDICES

11.1 Appendix 1 – Airedale, Wharfedale and Craven Clinical Commissioning Group – Annual Update to Keighley Area Committee, February 2016

12. BACKGROUND DOCUMENTS

12.1 Airedale, Wharfedale and Craven Clinical Commissioning Group, Document “A1”, Keighley Area Committee, 22 January 2015

Topics

- Our population
- Our CCG
- Our performance and progress
- Our plans for the future

Our area

Our population

1 in 10 people in the AWC area identify their ethnicity as **Asian or Asian British**

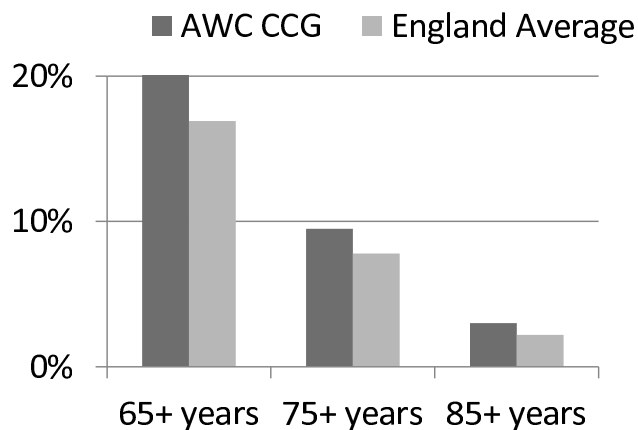

1 in 6 people have diagnosed **high blood pressure**

1 in 2 people have a long standing **health condition**

1 in 5 people are a **carer** for a friend or family member

Our population has more **older people** than the England average

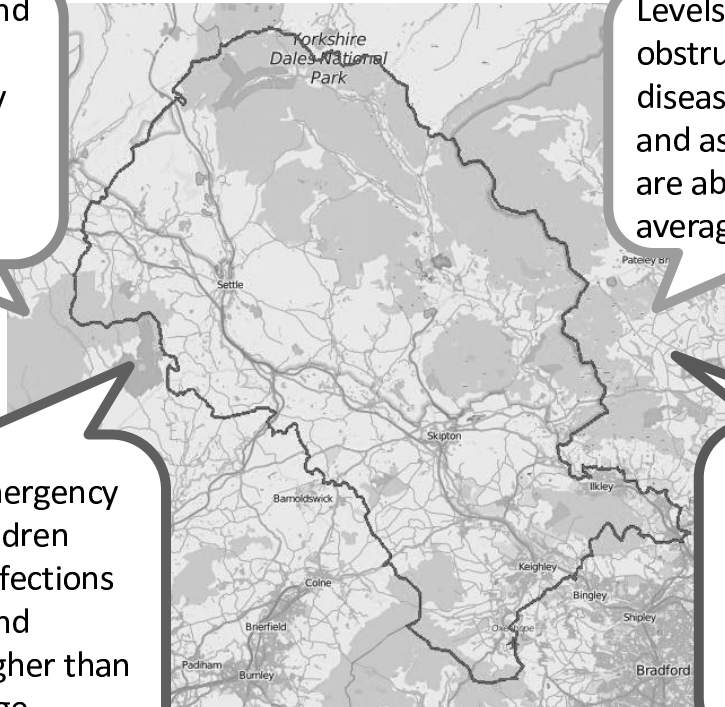

Some facts.....

On average, we spend £1,189 per year on hospital, community and mental health services for each person

Levels of chronic obstructive pulmonary disease (lung disease) and asthma in our area are above the England average.

The number of emergency admissions for children with respiratory infections (like pneumonia and bronchiolitis) is higher than the England average.

The top causes of death in our area are cardiovascular disease (heart disease), respiratory (breathing) diseases and cancer.

Patient feedback

I'd like to be involved in decisions about the future of the NHS...

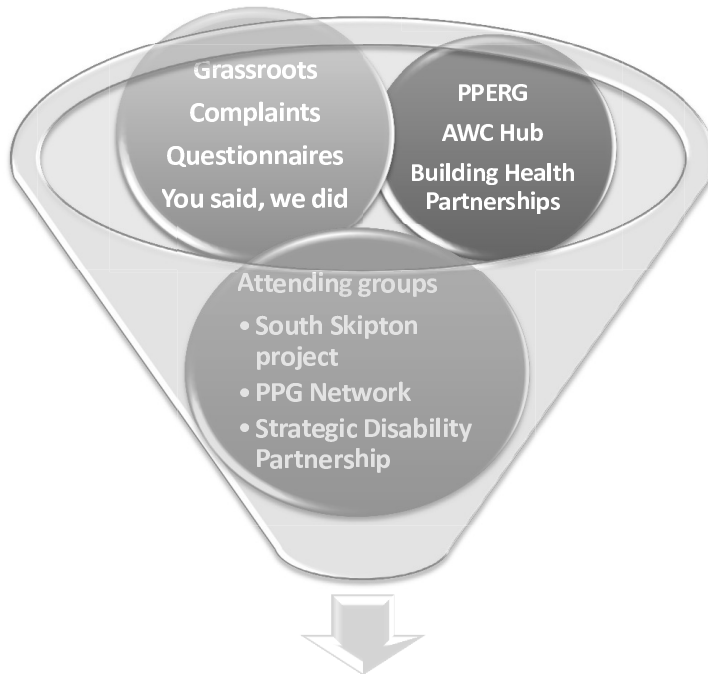

I want to find out where I can go for help...

I thought the way I was looked after was great ...

I think you could do that better...

I've got a complaint...

working together to improve your local healthcare

Tell us about your experiences

Please give us your views by completing the questions below:

Which service/clinic did you attend?

Where was this? (please give the name of the ward, department, hospital or clinic)

Please tell us about your experience of using this service.

Informs our commissioning strategies

Our strategic objectives

We will commission models of care that will address physical, psychological and social needs to:

- Reduce reliance on reactive emergency and urgent care through more **planned** and **proactive** model of services
- Change the **mind-set** of professionals to promote active participation in health and wellbeing of the individual
- Change the mind-set of the public so they become an **active participant** in their health and care
- Deliver the pledges as set out in the **NHS constitution**

Our performance last year (2014/15)

Targets met

-  A&E four hour waits
-  C. Difficile cases in the community
-  18 weeks wait for treatment
-  Cancer waiting times
-  6 week wait for diagnostics
-  People followed up within 7 days of discharge from psychiatric inpatient care

Underperformance

-  C. Difficile cases in Airedale Hospital
-  Ambulance response times
-  MRSA
-  Mixed sex accommodation
-  Aspects of stroke care

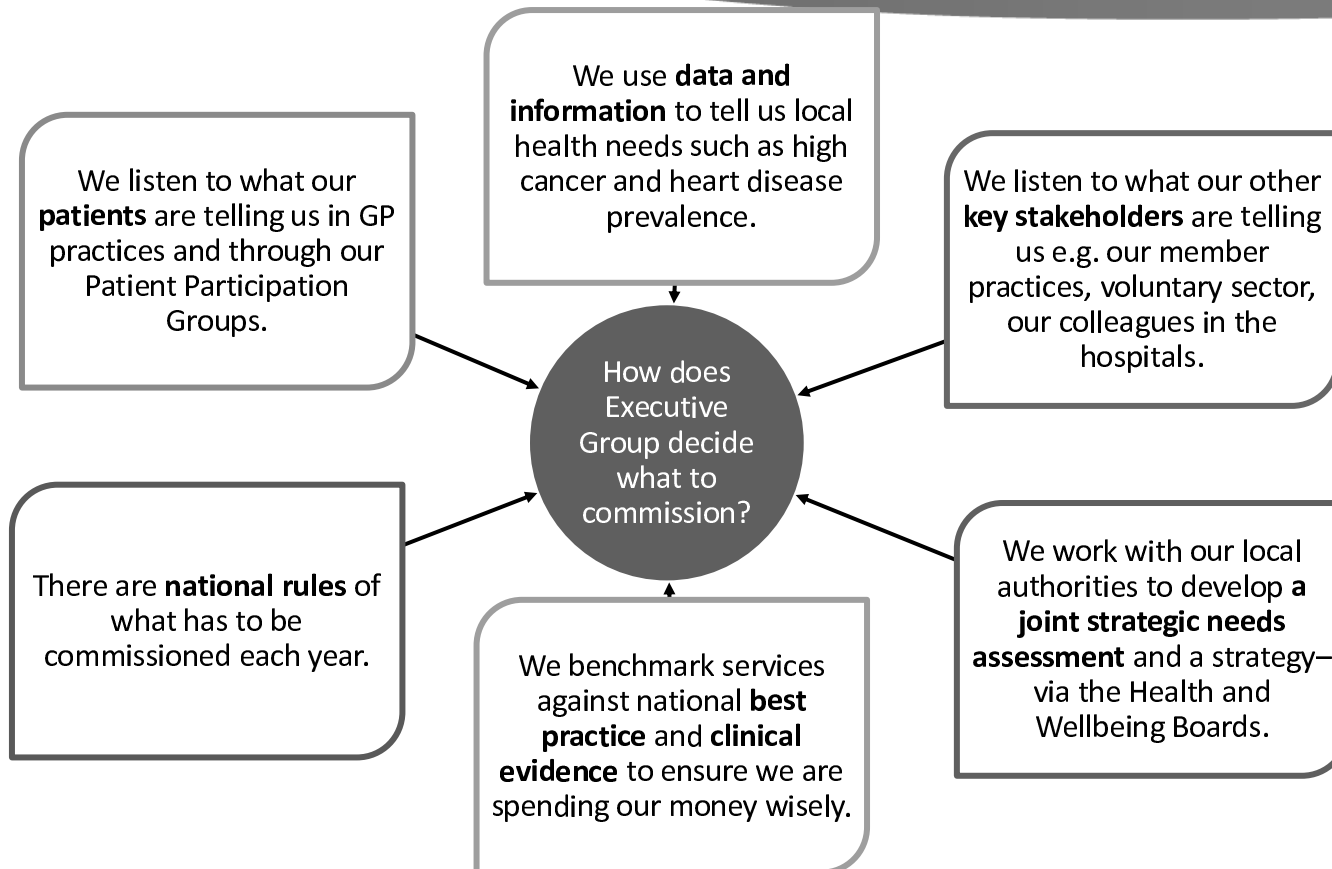

Our performance year to date (2015/16)

Targets being met

-  A&E four hour waits
-  18 weeks wait for treatment
-  Mixed sex accommodation
-  6 week wait for diagnostics
-  People followed up within 7 days of discharge from psychiatric inpatient care

Underperformance

-  MRSA
-  Ambulance response times

Airedale, Wharfedale and Craven
Clinical Commissioning Group

Commissioning in 2014/15

Our area is one of 11 new national pioneers to join up health and care services.

Intermediate care hub – to make it easier to refer people to intermediate care

PHARMACY
FIRST >>>

See a pharmacist straight away for advice and treatment.

First Response – 24/7 mental health crisis service

Medically unexplained symptoms service

Better Care Fund – to join up health and social care

Commissioning in 2014/15

Cardiac rehabilitation service extended to Craven area

We have funded Project 6 to deliver a service to support families affected by drug and alcohol use.

'Enhanced' primary care services – like longer appointments for people with long term conditions.

Research project on heart rhythm disorders

New leg ulcer service set up in Craven.

Developed and implemented new **cellulitis** pathways for community treatment

Airedale, Wharfedale and Craven
Clinical Commissioning Group

Commissioning in 2015/16

Diabetes service
development &
procurement

Primary Care
Wellbeing service

Dementia
Friendly
organisation.

Changes to the
location of hyper
acute stroke services
& provision of stroke
rehabilitation
services.

Fitting of
defibrillators

Pulmonary
rehabilitation
services

What do the next 2-5 years look like

- Requirement to submit a Sustainability and Transformation Plan
- New Models of care
- Part of two Vanguard schemes

New Models of Care

Integrated Care Pioneer

Enhanced health in care homes

Using technology to enhance the quality of life of nursing and care home residents

West Yorkshire Urgent and Emergency Care

- Hear, see & treat
- Mental health
- Acute services reconfiguration
- Primary care
